THE MISSION STATEMENT

Department of Athletics College of the Holy Cross

The Mission of the Athletic Department of the College of the Holy Cross is to promote the intellectual, physical, and moral development of students. Through Division I athletic participation, our young men and women student-athletes learn a self-discipline that has both present and long-term effects; the interplay of individual and team effort; pride and self-esteem in both victory and defeat; a skillful management of time; personal endurance and courage; and the complex relationships between friendship, leadership, and service. Our athletics program, in the words of the College Mission Statement, calls for "a community marked by freedom, mutual respect, and civility."

Besides teaching these virtues, a few sports played at Holy Cross have the added value of focusing alumni and student support and enhancing our reputation locally and nationally. While Holy Cross continues to commit itself to accomplishment in these sports, which are a rich part of our tradition, we choose

to do so in a way that complements the pursuit of academic excellence.

Holy Cross is committed to the guiding principles of the Patriot League, of which we are a founding member: presidential control of athletics; the cultivation of the ideal scholar-athlete; and participation in a wide variety of sports. Commitment to the last principle assures that the College sponsors, in a very evident way, gender equity.

The department of athletics is also committed to compliance with all College policies and regulations involved in Division I membership in the National Collegiate Athletic Association and the Eastern College Athletic Conference. As a member of the NCAA, Holy Cross also advocates student-athlete welfare, diversity, gender equity, sportsmanship, and ethical conduct in its athletic programs.

COLLEGE OF THE HOLY CROSS

Among America's top liberal arts colleges, Holy Cross is the only one that embraces a Catholic, Jesuit identity. And of the 28 Jesuit colleges and universities in the United States, Holy Cross stands alone in its exclusive commitment to undergraduate education.

The result is that Holy Cross offers an educational experience unlike any other. There are no graduate students at Holy Cross; the undergraduate student is the sole focus. Students receive complete faculty attention and full access to the College's facilities. Professors conduct all classes and laboratories—there are no graduate teaching assistants.

The academic program gives graduates a strong foundation not just for their first job, but the seven job changes experts predict today's students will make. Holy Cross students learn not only for career advancement, but for personal enrichment. Students begin the process of lifelong learning, not just in a single specialty, but in a broad range of areas.

Graduates leave Holy Cross with a better understanding of the world and their place in it.

How Holy Cross Measures Up

Holy Cross ranks highly among leading U.S. colleges. Consider some of the College's latest achievements...

- Ranked by *Barron's Profiles in American Colleges* among the nation's 50 "most competitive" colleges and universities.
- Ranked by a leading college guide among the top liberal arts colleges nationally, and in the top 10 in alumni satisfaction, retention of students and graduation rate.
- Graduates admitted to medical school at rates at least double the national average.
- Ranked 29th among 1036 private undergraduate institutions for the number of Ph.D.s granted to graduates in all fields between 1986 and 1995.
- Students regularly awarded highly prestigious Fulbright and Watson Fellowships to study, conduct research and teach abroad.
- Attracts financial support from alumni at rates more than double the national average for U.S. colleges and universities, an indication of the extent to which alumni value their Holy Cross education.
- Consistently stands among the top four-year colleges for the number of students going on to earn a doctorate.
- One of the nation's 25 "most-wired" schools, according to a recent issue of *Yahoo Internet Life* magazine.
- 174-acre campus (including a recently renovated campus center, outstanding art spaces and a full array of sports facilities) recognized with five national and international awards for excellence in architecture and landscaping.
- Ranks highest of the 28 Jesuit colleges and universities in the proportion of students who go on to participate in the Jesuit Volunteer Corps.

SMITH WELLNESS CENTER

Opened in 1997, the Carol and Park B. Smith Wellness Center is a new two-story facility which was built as an addition to the Hart Recreation Center. The Wellness Center provides state-of-the-art fitness equipment for varsity athletes and all other members of the Holy Cross community.

A \$1.5 million gift from Carol and Park B. Smith '54 kicked off the campaign to fund the facility. "Everyone today agrees that fitness is very important," Smith said. "I'm confident that this new Wellness center - whose facilities will be second-to-none - will provide a real benefit to current and future Holy Cross students, teachers and staff."

With 15,000 square feet, the new Wellness Center provides over four times more space than the College previously had for varsity and community exercise and training, and centralizes athletic equipment and facilities once found in five locations in three campus buildings.

The center houses, on the first level, a highly versatile strength and conditioning center for Holy Cross' 650 student-athletes. There are areas for speed development programs, as well as for strength and endurance conditioning. The space, which is able to accommodate as many as 60 people at a time, enables Holy Cross' larger sports teams to work out together, thereby enhancing team unity.

The second floor has been designed for use by all students, faculty and staff. It has two sections: one for aerobic training, and the other for cardiovascular, variable-resistance and strength training. A diverse selection of equipment accommodates users ranging from beginners to advanced athletes. Its south facing wall is mostly glass, allowing most users a view of the practice fields and the rolling hills of central New England.

The center also offers programs that explore the connections between fitness and wellness, and help students learn how good health can complement and enhance other aspects of their educational experience. An advisory board comprising physicians, fitness and strength trainers, faculty members,

psychologists, nutritionists, a College chaplain, and others are responsible for creating and coordinating programming for the Center.

One of the members of the Holy Cross community most excited about the new

Carol & Park B. Smith Wellness Center

Wellness Center is Jeff Oliver, HC's strength and conditioning coach. "Over the past two decades, college coaches have turned increasingly to strength and conditioning to gain an edge over their opponents," Oliver says. "And while football may have been the first to grasp the concept, we now train athletes from every varsity sport. The Wellness Center is a boon to our program."

With 6,500 square feet of the Center devoted solely to varsity athletes, Oliver said this allows him and his staff to accommodate a much greater number of athletes at one time, and allows teams to train together at times more convenient to their busy schedules as student-athletes.

The state-of-the-art equipment in the Wellness Center includes:

- Eight multi-purpose power racks, each with over 600 pounds of free weights;
- Seven Olympic lifting platforms with over 375 pounds of rubberized free weights.
- More than 3000 pounds of dumb bells.
- 18 pieces of aerobic equipment.
- Three full sets of plyometric boxes.
- A number of free weight-loaded pieces of equipment to accommodate injured athletes.

TRADITION OF EXCELLENCE

The following pages provide many highlights from Holy Cross' distinguished 117 seasons of baseball history, along with important dates during those years.

THE EARLY YEARS (1876-1894)

In the early years, the Holy Cross baseball team only played one game every year until 1890. In 1890, the Crusaders were provided with their first schedule of any kind, consisting of five games. In 1893, the Crusaders boosted the schedule to 16 games, finishing with an 11-5 record.

OTHER HIGHLIGHTS:

- **June 10, 1876** – Holy Cross loses to Brown, 16-5, in their first baseball game at Driving Park in Worcester, Mass.
- **June 5, 1877** – Holy Cross defeated Brown 3-2 for their first-ever victory.
- **May 30, 1893** – In the first baseball game ever played on the Holy Cross campus, the Crusaders defeated Georgetown, 4-2.

THE RISE TO STARDOM (1895-1899)

When Mike "Doc" Powers '97 discovered Louis Sockalexis '97 on the Penobscot Indian reservation in Oldtown, Maine, he never imagined that he would be bringing Holy Cross one of its most legendary athletes. Sockalexis stunned students, fans and major league scouts with his baseball prowess. Famed to be the hardest hitter and fleetest fielder of his day, Sockalexis batted .436 and .444 during the 1895 and 1896 seasons with the Crusaders. He also set a long-standing world record of throwing a baseball the distance of 393 feet and 8 inches (131 yards). At the completion of his second season, "Sock" signed a contract with the Cleveland Spiders, who, out of deference to the full-blooded Indian, changed their name to the Cleveland Indians before he even wore the big league uniform. The 1896 season started the Crusaders rise to dominance. The Purple and White squad finished 19-7-1 and sent a record six players to the major leagues. The 1897 Crusaders, produced seven .300 hitters, including William H. Fox '00, who batted .390 that season and set a world record by rounding the bases in 13.4 seconds.

OTHER HIGHLIGHTS:

- **April 19, 1895** – In Louis Sockalexis' first game as the HC centerfielder, he registers four hits, including a grand slam, and six stolen bases to beat Brown in Providence, R.I., on Patriots' Day. Sockalexis' home run shatters a fourth-story dormitory window situated beyond the baseball fences.
- **May 12, 1896** – Holy Cross soundly defeats Boston College, 22-5, in Newton.
- **April 19, 1899** – Holy Cross scores an incredible 11 runs in the 10th inning to defeat Brown, 17-6.

A NEW CENTURY (1900-1913)

From 1900 to 1913, the Crusaders compiled a stellar record of 221-120-8. The 1902 Holy Cross squad shut out three of the best college teams on three consecutive days, beating Cornell, 3-0, Dartmouth, 9-0 and Brown, 11-0. Andrew Coakley '06 went 10-3 for the 1902 Crusaders that went 18-6. HC's first 20-win season came in 1908 on a team captained by the immortal Jack Barry '10. Barry was drafted by Connie Mack's Philadelphia Athletics as a sophomore. Barry went on to become a member of Mack's \$100,000 infield, which included first baseman Stuffie McInnis, second baseman Eddie

Collins and third baseman Frank "Home Run" Baker. During his eight seasons with the As, Barry played on four pennant-winning teams and three world champions. Mack called him "the greatest shortstop there ever was." The Crusaders played their first exhibition game against a professional team in 1913, against the defending World Champion Boston Red Sox at Fenway Park.

OTHER HIGHLIGHTS:

- May 18, 1900 – Patrick "Doc" Carney '03 pitches the first Crusader one-hitter in a 20-0 defeat of Boston University.
- May 4, 1901 – Holy Cross defeats Rochester, 31-0
- May 31, 1902 – HC completes a three-game shutout sweep against Cornell, Dartmouth, and Brown.
- April 12, 1905 – The Crusaders defeat Boston University, 29-0, and steal a record-breaking 22 bases against the Terriers.
- April 19, 1905 – Holy Cross defeats Brown, 8-5, in the Crusaders first game on Fitton Field.
- April 9, 1913 – Holy Cross loses 8-1 in its first exhibition game with the Boston Red Sox.

EASTERN DOMINANCE (1914-1920)

In the years from 1914 to 1920, Holy Cross won the Eastern Intercollegiate Championship three times and the New England Championship once in 1918. The Crusaders went 120-35-2 in those seven years. In 1917, Hall-of-Fame player, and three-time National League batting champion, Jesse Burkett took over the reigns as head coach for the second time. Burkett guided the Crusaders to three consecutive 20-win seasons in 1917, 1918 and 1919. The 1917 club dominated opponents, batting a combined .302 for the season versus a .171 batting average for their opponents and outscoring them 176 runs to 59 runs. Each of the starting nine of the 1919 squad were awarded All-East berths (6 on the First Team and 3 on the Second Team). Burkett retired from HC after only four seasons, compiling an outstanding 88-12-1 record.

OTHER HIGHLIGHTS:

- June 15, 1914 – Crusaders finish 16-5-1 with an 8-0 win over Boston College and become Eastern Champions for the first time.
- May 30, 1918 – Wilfred "Rosy" Ryan '20 pitches Holy Cross' first no-hitter in a 4-0 win over Dartmouth.

THE RETURN OF JACK BARRY (1921-1950)

Following the 1920 season, Holy Cross found the perfect man to head the Purple nine, a former HC star newly retired from professional baseball and the Navy, **Jack Barry**. Barry led the Crusaders to glory as a player in the early 1900s, and now sought to do the same as a coach. In his first season, Barry guided the Crusaders to a school-record 30 wins and their fourth Eastern Intercollegiate Championship. The 284 runs pushed across the plate in 33 games by the 1921 Crusaders, an average of 8.60 runs per game, are the most runs scored by any HC team in history. After a 24-5 second season, Barry and the Crusaders won another Eastern Championship in 1923, going 28-2-1. During that season, a total of 65,554 fans came to see Holy Cross play Boston College three times. In 1924, HC compiled a perfect 18-0 record. Leading the way for the Cross was pitching ace **Owen Carroll '25**, who was judged by historians to be the best pitcher in college baseball of all time. Over his four year career on the Hill, Carroll compiled a record of 50-2, threw 16 shutouts, and helped earn three

FITTON FIELD

Home of the Crusaders for nearly a century, storied Fitton Field is considered one of the finest grass fields in the northeast. Always in impeccable playing shape, the field has played host to some of the most memorable contests in New England college baseball history. Father Fitton, for whom the field was named, was born on April 10, 1805 and ordained a Catholic priest in 1827. Born and raised in Boston, he purchased land in the name of the church in 1840 upon

Modern-day Fitton Field

which he founded the Seminary of Mount St. James. In 1842, Father Fitton deeded the land to Bishop Benedict Joseph Fenwick, who founded the College of the Holy Cross in 1843.

The Crusader baseball program began in 1876, but it wasn't until 1905 when HC played its first game at Fitton. Prior to its 8-5 win over Brown on April 19, 1905, the Crusaders played their home contests at both Driving Park and the Worcester Oval. Thousands have flocked to Fitton Field to watch the Crusaders over the years. The Holy Cross-Boston College series has attracted some of the largest crowds in New England college baseball history. In 1923, a crowd of over 22,000 turned out to witness Crusader ace Owen Carroll hurl a five-hitter and lead HC to a 5-2 victory over BC. One year later, Carroll pitched a three-hitter with ten strikeouts as Holy Cross edged the Eagles 3-1 before 20,000 at Fitton. More than 25,000 packed Fitton to watch Carroll's final meeting with BC, a 2-1 victory for the Purple.

In a springboard to its national championship, HC overwhelmed BC, 13-3, at Fitton in its final regular season game of 1952 to earn its first trip to the College World Series in Omaha, Neb. In 1991, Fitton Field played host to the ECAC Baseball Championship, as Delaware earned a berth

Holy Cross became the first eastern school to capture the NCAA College World Series behind a "dream team" of players. Five players were named to the First Team All-District 1, while pitcher **Jim O'Neill '52** and outfielder **Johnny Turco '52** were on the American Association of Baseball Coaches' All-America Team. O'Neill, who was presented with the MVP trophy, became the first pitcher in the history of the College World Series to win three games in series

CONTINUED SUCCESS (1961-1970)

Another Holy Cross alum and baseball great took over as head coach of the Crusaders when Al "Hop" Riopel '24 started his tenure in 1961. The Crusaders suffered their first losing season in 93 years going 6-10 in Riopel's first season. Holy Cross rebounded in 1962 and 1963 with 21-5 and 13-10 records and earned the Cross' first and only consecutive invites to the College World Series. Riopel finished six seasons with HC going 82-43 with three NCAA Tournament appearances. HC returned to the NCAA Tournament in 1967 under the direction of first-year coach Robert Curran. The Crusaders dropped both games to Massachusetts.

OTHER HIGHLIGHTS:

- June 11, 1962 – Holy Cross defeats Colorado State, 4-3, in its last victory in the College World Series, behind the arm of pitching staff ace, Don Riedl '63.

THE WHALEN ERA (1971-1998)

John "Jack" Whalen '48 became HC's skipper in 1971. A two-sport standout during his time at the Cross, Whalen played for Jack Barry and Doggie Julian, two of HC's most legendary coaches. He took teams that were 37-62 in his first four seasons and recorded the school's fifteenth 20-win season in 1975 and first since 1962. The 1978 squad earned a 27-14-2 record, placing second in the ECAC Tournament and falling to St. John's in the NCAA Tournament. Whalen led HC to the ECAC Tournament three more times in 1980, 1986, and 1991. Whalen's 343 career coaching victories rank second most in HC history.

HEAD COACH

Head Coach Craig Najarian

Craig Najarian is in his first season as the head baseball coach at Holy Cross, but he is no stranger to the program. This is Najarian's fourth season with the club, spending the 2004 campaign as the Associate Head Coach with Fran O'Brien, and the 2002 and 2003 seasons as an assistant.

Najarian came to Holy Cross after serving as an assistant coach and recruiting coordinator at Boston College in 2001. Prior to that he spent two seasons at Wheaton College where he was part of two NEWMAC Conference championship teams (1999-2000), one of which earned an

NCAA
Regional
berth in
2000.

Najarian began his coaching career as an assistant coach at Brandeis University which boasted three NCAA Regional teams that captured three UAA Conference titles (1996-1998) during his tenure.

A four-year starter in the infield at Saint Anselm College, Najarian served as team captain for the Hawks in 1995. He graduated from Westboro High School in 1991 where he also captained his team to a Massachusetts State Title.

Najarian is not the only Holy Cross coach in his family, as his father, Oscar, coached the men's and women's tennis teams from 1973 to 1998.

1952 NATIONAL CHAMPIONS

In the late spring of 1952, under the direction of the legendary John J. Barry, the Holy Cross baseball team staged a magical march to the NCAA Championship. Led by fleet-footed outfielder **Johnny Turco** and pitching sensations **Jim O'Neill** and **Ron Perry**, the Crusaders advanced to their first-ever post-season tournament with a 15-2 regular-season record.

At the sixth-annual double-elimination tournament in Omaha, Neb., the small eastern college quickly proved it belonged with a 5-1 opening round win over Western Michigan. But on day two, Holy Cross was forced to fight its way out of the loser's bracket after suffering a heartbreaking 1-0 loss to Missouri. **Jackie Lonergan** pitched perfect ball against Missouri, but after one error and a bad throw in the seventh, **Jack Concannon** made his first error in 80 chances and the winning run scored without a hit. With one out in the eighth, Lonergan was touched up for his first and only hit of the game.

Facing elimination, sophomore hurler Ron Perry held a powerful Texas team in check until the Crusaders could push the winning run across in the bottom of the eighth inning. Holy Cross then defeated Western Michigan 15-3 and Penn State 15-4 on Sunday, June 15 to earn the right to meet Missouri in the finals.

Needing a pair of wins to capture the title, Holy Cross scored five runs in the top of the sixth inning and received a complete game from Ron Perry en route to a 7-3 win in the first game. On Tuesday evening, June 17, the Crusaders erased a 4-3 Missouri lead with three runs in the seventh and two in the ninth to capture the College World Series title. Jim O'Neill, who earned MVP honors, became the first pitcher in NCAA history to win three games in the tournament.

WORCESTER TORNADES TO PLAY AT FITTON FIELD

Courtesy Holy Cross Public Affairs

In a move considered a model for the new UniverCity Partnership initiative that joins together the resources of Worcester's area colleges and public and private support in order to generate local economic development, Holy Cross has made Fitton Field available as "home base" for the city's first professional baseball team in 71 years.

The Worcester Tornadoes, a member of the independent Can-Am League, is scheduled to play its first game on May 28, 2005.

"The College is delighted to be a partner in bringing baseball to Worcester and accommodating the team on our campus," said Rev. Michael C. McFarland, S.J., president of Holy Cross. "We are pleased to have a solid plan in place as this significant change to our campus and the neighborhood takes shape."

Fr. McFarland emphasized that the College's closest neighbors—residents of College Hill, Quinsigamond Village and South Worcester—as well as baseball fans throughout the city will now have access to a new family-friendly entertainment venue. With a summer schedule of games, the new team will be able to utilize Fitton Field while campus traffic is at a minimum.

"Baseball fans should praise the effort and cooperation of both Holy Cross and the City in returning professional baseball to Worcester," said team president and chief executive officer, Alan Stone. "We are thrilled that Fr. McFarland, the Trustees and administrative leadership have allowed us to be guests on their campus and utilize historic Fitton Field with its rich baseball history and tradition."

With the first game played there 100 years ago—in April 1905—Fitton Field has a long history of hosting professional baseball, most notably the Boston Red Sox. During an exhibition game between the Major League Club and the Holy Cross baseball team in April 1939, the legendary Ted Williams hit his first professional home run at Fitton Field.

City Manager Michael V. O'Brien stated that the real progress made on this effort is due to the strong partnerships forged and the spirit of teamwork. "The entire community is energized and more than enthusiastic that first class, professional baseball is back in Worcester."

Worcester Professional Baseball will construct a permanent ballpark with a seating capacity for approximately 3,000 fans. The terms of the agreement also include a five-year lease for the team to play at Fitton Field.

The team will have use of Fitton Field for approximately 46 home dates plus training, practices, up to eight possible playoff games, camps and other community events. As part of the agreement, the College's academic and athletic schedules will not be interrupted or otherwise inconvenienced by the team's schedule.
