### ***CORRESPONDENCE***

It is important for prospective student-athletes to get in touch with the coaching staff as soon as possible. An e-mail or letter of inquiry into the program will initiate the recruiting process. Recruiting questionnaires for most sports are also available at [www.GoHolyCross.com](http://www.GoHolyCross.com). The spring of your junior year or early senior year is the most appropriate time to contact the coach.

### ***INTERVIEWS***

Students are strongly encouraged to have admissions interviews. The office offers interviews from the summer until Dec. 30. Alumni interviews in most metropolitan areas are available. Students must first submit an application and indicate they would like an alumni interview before Dec. 1.

### ***EARLY DECISION***

Students who are absolutely, 100 percent confident Holy Cross is their top college choice are encouraged to apply during the early decision process.

### ***FINANCIAL AID***

Financial aid is awarded on the basis of need. Prospective student-athletes should complete the CSS Profile Form in early fall.

### ***NCAA ELIGIBILITY CERTIFICATION***

The NCAA Eligibility Center certifies academic eligibility and amateurism for all prospective student-athletes who wish to compete in intercollegiate athletics at the Division I or II level. Prospective student-athletes must register at <https://web1.ncaa.org/eligibilitycenter> and complete the online release form. Prospective student-athletes must arrange for the appropriate national testing agency to send copies of standardized test scores (e.g., SAT or ACT) directly to the NCAA Eligibility Center. Prospects must also complete the amateurism questionnaire. An institution may not provide an official visit to a prospective student-athlete until he or she registers with the NCAA Eligibility Center.

### ***TELEPHONE CALLS***

As per NCAA bylaw 13.1.3.1, institutional staff members may not telephone a prospect (or the prospect's relatives

or legal guardians) prior to July 1 following the prospect's completion of the junior year in high school. After July 1, institutional staff members may telephone a prospect once per week (measured Sunday through Saturday). The once-per-week limit applies to the entire institution.

### ***VIDEO TAPES***

In an attempt to make an accurate assessment as soon as possible, it is recommended that video tapes be forwarded to the coach's attention as soon as possible. The video need not be an elaborate production. Some simple game or practice tape is sufficient with you being easily identified.

### ***EVALUATIONS***

As per NCAA bylaw 13.02.6.1, an evaluation is any off-campus activity designed to assess the academic qualifications or athletic ability of a prospect, including any visit to a prospect's educational institution (during which no contact occurs) or the observation of a prospect participating in any practice or competition at any size. We are limited in our number of evaluations per prospective student-athlete.

### ***CONTACTS***

As per NCAA bylaw 13.02.3, a contact is any face-to-face encounter between a prospect or the prospect's parent or legal guardian and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged or takes place on the grounds of the prospect's high school, or at the site of organized competition or practice involving the prospect's high school, preparatory school, two-year college, or all-star team is considered a contact, regardless of the conversation that occurs. We are limited to three off-campus contacts per prospective student-athlete.

### ***OFFICIAL VISITS***

According to NCAA bylaw 13.7.1.2, a prospect may not make more than five expense-paid visits to NCAA member institutions, regardless of the number of sports in which the prospect is involved. An institution may not provide an expense-paid visit to a prospect who has not presented the institution with a high school (or college) academic

transcript and a score from a PSAT, an SAT, a PACTPlus or an ACT test taken on a national testing date under national testing conditions. Prospects must be registered with the NCAA Eligibility Center prior to making an official visit.

### ***UNOFFICIAL VISITS***

According to NCAA bylaw 13.8.1, a prospect may visit an institution's campus at the prospect's own expense an unlimited number of times and may make an unofficial visit before the prospect's senior year in high school.

Named after Father Fitton, who purchased the land on which the school was founded and deeded it to Bishop Fenwick in 1843.

The home of the Crusaders for over a century, Fitton Field is one of the finest grass fields in the Northeast. The field has played host to some of the most memorable contests in New England college baseball history.

The Crusader baseball program began in 1876, but it was not until 1905 when Holy Cross played its first game at Fitton. Prior to its 8-5 win over Brown on April 19, 1905, the Crusaders played their home contests at both Driving Park and the Worcester Oval.

Thousands have flocked to Fitton Field to watch the Crusaders over the years. The Holy Cross-Boston College series has attracted some of the largest crowds in New England college baseball history. In 1923, a crowd of more than 22,000 turned out to witness Crusader ace Owen Carroll hurl a five-hitter and lead Holy Cross to a 5-2 win over Boston College. One year later, Carroll pitched a three-hitter with 10 strikeouts as Holy Cross edged the Eagles 3-1 before 20,000 at Fitton.

In a springboard to its 1952 College World Series championship, the Crusaders defeated Boston College 13-3 at Fitton in their final regular season game of that year to earn a trip to Omaha, Neb., for the World Series.

In the spring of 2005, the field was renovated to include lighting and permanent seating for 3,000 spectators.

## GREG DiCENZO

HEAD COACH

FIFTH SEASON

ST. LAWRENCE, 1998

Now in his fifth season as the head coach of the Holy Cross baseball team in 2012, Greg DiCenzo has continued to bring the program to new heights. The Crusaders have gone 93-104-1 overall and 41-37 in Patriot League regular season play during DiCenzo's tenure, with the team posting four straight 20-win seasons for the first time in program history from 2008-2011. Holy Cross also made

a school-record three consecutive appearances in the Patriot League Tournament from 2008-2010.

The 2011 season saw the Crusaders finish with a winning overall record for the first time since 1991 at 24-23-1. Two players earned first team All-Patriot League honors, three players were named to the New England All-Star team and three players were named to the inaugural Patriot League All-Academic team. The Holy Cross pitching staff broke the school single-season records for saves and strikeouts, and lefthanded pitcher John Pedrotty was drafted in the 13th round and signed by the Arizona Diamondbacks. Pedrotty was the first Division I college player from the state of Massachusetts selected in the 2011 draft, while becoming the 127th player in the history of the Holy Cross baseball program to sign a professional contract.

In 2010 the Crusaders finished in third place in the Patriot League with a 10-10 mark in conference games, while going 26-26 overall. Holy Cross then won its first-ever Patriot League playoff series by taking two out of three games at Lehigh, and advanced to its first Patriot League Championship series in program history. Catcher Stephen Wadsworth earned Patriot League Rookie of the Year hon-

ors, in addition to being named a third team Freshman All-American. Holy Cross also tied for the conference lead in All-Patriot League selections with six, the most ever in program history. The 2010 Crusaders also broke school team records in a number of offensive categories, with a .319 batting average, a .477 slugging percentage, 367 runs, 569 hits, 114 doubles, 45 home runs, 852 total bases and 340 runs batted in. Defensively, the team broke school records with 1,291 putouts and 557 assists, and tied the record number of double plays turned (42). Lastly, the 2010 squad broke school pitching records for team saves (10), innings pitched (430-1/3) and total strikeouts (300).

During DiCenzo's second season at the helm in 2009, Holy Cross went 22-27 overall and took third place in the Patriot League at 11-7. The Crusaders also qualified for the Patriot League Tournament, where they dropped a close three-game series to eventually conference champion Army. The 2009 season marked just the third time in program history that the Patriot League Player of the Year donned the purple and white, as Matt Perry took home the award.

In his first season at Holy Cross, DiCenzo was named the 2008 Patriot League Coach of the Year as the Crusaders qualified for the Patriot League Tournament for the first time since 2001. He became only the second coach to ever be named the league's coach of the year in his first season. Holy Cross had a 21-28 overall record (11-9 in Patriot League play) marking the school's first 20-win season since 1980. Also for the first time in school history a Holy Cross pitcher was named the Patriot League Pitcher of the Year as Matt Shapiro earned the honor.

DiCenzo came to Holy Cross from Northeastern University, where he served as the pitching coach and recruiting coordinator for five seasons. During his time at Northeastern, the Huskies won the America East Tournament and advanced to the Baton Rouge Regional in 2003. The Huskies won the America East Regular Season Championship in 2004 and 2005. The Northeastern pitching staff set the school record for strikeouts in DiCenzo's first four seasons as pitching coach. He had two pitchers earn America East Pitcher of the Year honors and four of his pitchers

The following pages provide many highlights from Holy Cross' distinguished baseball history, along with important dates during those years.

#### THE EARLY YEARS (1876-1894)

In the early years, the Holy Cross baseball team only played one game every year until 1890. In 1890, the Crusaders were provided with their first schedule of any kind, consisting of five games. In 1893, the Crusaders boosted the schedule to 16 games, finishing with an 11-5 record.

#### OTHER HIGHLIGHTS:

- **June 10, 1876** – Holy Cross loses to Brown, 16-5, in their first baseball game at Driving Park in Worcester, Mass.
- **June 5, 1877** – Holy Cross defeated Brown 3-2 for their first-ever victory.
- **May 30, 1893** – In the first baseball game ever played on the Holy Cross campus, the Crusaders defeated Georgetown, 4-2.

#### THE RISE TO STARDOM (1895-1899)

When Mike "Doc" Powers '97 discovered **Louis Sockalexis '97** on the Penobscot Indian reservation in Oldtown, Maine, he never imagined that he would be bringing Holy Cross one of its most legendary athletes. Sockalexis stunned students, fans and major league scouts with his baseball prowess. Famed to be the hardest hitter and fleetest fielder of his day, Sockalexis batted .436 and .444 during the 1895 and 1896 seasons with the Crusaders. He also set a long-standing world record of throwing a baseball the distance of 393 feet and 8 inches (131 yards). At the completion of his second season, "Sock" signed

a contract with the Cleveland Spiders, who, out of deference to the full-blooded Indian, changed their name to the Cleveland Indians before he even wore the big league uniform. The 1896 season started the Crusaders rise to dominance. The Purple and White squad finished 19-7-1 and sent a record six players to the major leagues. The 1897 Crusaders, produced seven .300 hitters, including **William H. Fox '00**, who batted .390 that season and set a world record by rounding the bases in 13.4 seconds.

#### OTHER HIGHLIGHTS:

- **April 19, 1895** – In **Louis Sockalexis'** first game as the HC centerfielder, he registers four hits, including a grand slam, and six stolen bases to beat Brown in Providence, R.I., on Patriots'

Day. Sockalexis' home run shatters a fourth-story dormitory window situated beyond the baseball fences.

- **May 12, 1896** – Holy Cross soundly defeats Boston College, 22-5, in Newton, Mass.
- **April 19, 1899** – Holy Cross scores an incredible 11 runs in the 10th inning to defeat Brown, 17-6.

#### A NEW CENTURY (1900-1913)

From 1900 to 1913, the Crusaders compiled a stellar record of 221-120-8. The 1902 Holy Cross squad shut out three of the best college teams on three consecutive days, beating Cornell, 3-0, Dartmouth, 9-0 and Brown, 11-0. **Andrew Coakley '06** went 10-3 for the 1902 Crusaders that went 18-6. HC's first 20-win season came in 1908 on a team captained by the immortal **Jack Barry '10**. Barry was drafted by Connie Mack's Philadelphia Athletics as a sophomore. Barry went on to become a member of Mack's \$100,000 infield, which included first baseman Stuffie McInnis, second baseman Eddie Collins and third baseman Frank "Home Run" Baker. During his eight seasons with the A's, Barry played on four pennant-winning teams and three world champions. Mack called him "the greatest shortstop there ever was." The Crusaders played their first exhibition game against a professional team in 1913, against the defending World Champion Boston Red Sox at Fenway Park.

#### OTHER HIGHLIGHTS:

- **May 18, 1900** – **Patrick "Doc" Carney '03** pitches the first Crusader one-hitter in a 20-0 defeat of Boston University.

### EASTERN DOMINANCE (1914-1920)

In the years from 1914 to 1920, Holy Cross won the Eastern Intercollegiate Championship three times and the New England Championship once in 1918. The Crusaders went 120-35-2 in those seven years. In 1917, Hall-of-Fame player, and three-time National League batting champion, **Jesse Burkett** took over the reigns as head coach

*Albert "Hop" Riopel*

for the second time. Burkett guided the Crusaders to three consecutive 20-win seasons in 1917, 1918 and 1919. The 1917 club dominated opponents, batting a combined .302 for the season versus a .171 batting average for their opponents and outscoring them 176 runs to 59 runs. Each of the starting nine of the 1919 squad were awarded All-East berths (six on the first team and three on the second team). Burkett retired from HC after only four seasons, compiling an outstanding 88-12-1 record.

### THE RETURN OF JACK BARRY (1921-1950)

Following the 1920 season, Holy Cross found the perfect man to head the Purple nine, a former HC star newly retired from professional baseball and the Navy, **Jack Barry**. Barry led the Crusaders to glory as a player in the early 1900s, and now sought to do the same as a coach. In his first season, Barry guided the Crusaders to a school-record 30 wins and their fourth Eastern Intercollegiate Championship. The 284 runs pushed across the plate in 33 games by the 1921 Crusaders, an average of 8.60 runs per game, are the most runs scored by any HC team in history. After a 24-5 second season, Barry and the Crusaders won another Eastern Championship in 1923, going 28-2-1. During that season, a total of 65,554 fans came to see Holy Cross play Boston College three times. In 1924, HC compiled a perfect 18-0 record. Leading the way for the Cross was pitching ace **Owen Carroll '25**, who was judged by historians to be the best pitcher in college baseball of all-time. Over his four year career on the Hill, Carroll compiled a record of 50-2, threw 16 shutouts, and helped earn three championships. Holy Cross again won the Eastern Championship in 1926, and then three-in-a-row from 1928-1930. The Crusaders registered a 42-3 record in 1935 and 1936 and won two more championships. HC won back-to-back Eastern Championships again in 1940 and 1941, going 15-1 and 14-3 respectively. The 1942 season was interrupted by

the United States involvement in World War II and competition did not return to normal until 1947.

#### BUILDING A NATIONAL CHAMPION (1951-1960)

Holy Cross finished the 1952 regular season 15-2 and received the College’s first invitation to the sixth-ever College World Series in Omaha, Neb. Holy Cross became

the first eastern school to capture the NCAA College World Series behind a “dream team” of players. Five players were named to the first team All-District 1, while pitcher **Jim O’Neill ’52** and outfielder **Johnny Turco ’52** were on the American

Association of Baseball Coaches’ All-America Team. O’Neill, who was presented with the MVP trophy, became the first pitcher in the history of the College World Series to win three games in series play. The Crusaders made the NCAA tournament each of the next three seasons, but lost their first game each year. HC returned to the College World Series in 1958, winning its first two games before dropping two-straight to Missouri and USC, but finished ranked third in the nation. It was HC’s highest ranking since the 1952 National Championship team. The 1960 club went 12-5 and returned to the NCAA tournament for the sixth time in nine years in Jack Barry’s final season at the helm of the Crusaders. Barry finished with a 616-150-6 record over 39 years.

- **June 5, 1960**– Holy Cross falls to Boston College, 5-4, in the NCAA tournament in Springfield, Mass. in Jack Barry’s final game as head coach.

#### CONTINUED SUCCESS (1961-1970)

Another Holy Cross alum and baseball great took over as head coach of the Crusaders when **Al “Hop” Riopel ’24** started his tenure in 1961. The Crusaders suffered their first losing season in 93 years going 6-10 in Riopel’s first season. Holy Cross rebounded in 1962 and 1963 with 21-5 and 13-10 records and earned the Cross’ first and only consecutive invites to the College World Series. Riopel finished six seasons with HC going 82-43 with three NCAA Tournament appearances. HC returned to the NCAA Tournament in 1967 under the direction of first-year coach **Robert Curran**. The Crusaders dropped both games to Massachusetts.

#### THE WHALEN ERA (1971-1998)

**John “Jack” Whalen ’48** became HC’s skipper in 1971. A two-sport standout during his time at the Cross, Whalen played for Jack Barry and Doggie Julian, two of HC’s most legendary coaches. He took teams that were 37-62 in his

first four seasons and recorded the school's 15th 20-win season in 1975 and first since 1962. The 1978 squad earned a 27-14-2 record, placing second in the ECAC tournament and falling to St. John's in the NCAA tournament. Whalen led HC to the ECAC tournament three more times in 1980, 1986, and 1991. Whalen's 343 career coaching victories rank second most in HC history.

Pearl also earned Patriot League Coach of the Year accolades during the 1999 and 2001 seasons. In 2002, Pearl stepped down to concentrate as head coach of the Holy Cross men's ice hockey program, and was replaced by **Fran O'Brien**. O'Brien served as head coach for three seasons (2002-2004) on the Hill, after working with the team as an assistant coach from 1999-2001. He compiled a 38-73-1 (.344) record before retiring. Head coach **Craig Najarian** then stepped in, after serving as associate head coach to O'Brien in 2004, and

*Drew Bigda was drafted by the Tampa Bay Devil Rays following the 2004 season.*

as assistant coach in 2002 and 2003. After two seasons as head coach, Najarian turned over the reigns of the program to current head coach Greg DiCenzo, who was named the 18th head coach on July 2, 2007. DiCenzo came to Holy Cross from Northeastern, where he served as the pitching coach and recruiting coordinator for the prior five seasons. Since taking over, DiCenzo has led his club to three straight appearances in the Patriot League Tournament, including the team's first trip

to the league championship series. In three seasons, he has compiled a 69-81 record. For his impact, DiCenzo was named the 2008 Patriot League Coach of the Year after leading his squad to a 11-9 record in the conference during his first year.

In the late spring of 1952, under the direction of the legendary John J. Barry, the Holy Cross baseball team staged a magical march to the NCAA Championship. Led by fleet-footed outfielder **Johnny Turco** and pitching sensations **Jim O'Neill** and **Ron Perry**, the Crusaders advanced to their first-ever post-season tournament with a 15-2 regular-season record.

At the sixth-annual double-elimination tournament in Omaha, Neb., the small eastern college quickly proved it belonged with a 5-1 opening round win over Western Michigan. But on day two, Holy Cross was forced to fight its way out of the loser's bracket after suffering a heartbreaking 1-0 loss to Missouri. **Jackie Lonergan** pitched perfect ball against Missouri, but after one error and a bad throw in the seventh, **Jack Concannon** made his first error in 80 chances and the winning run scored without a hit. With one out in the eighth, Lonergan was touched up for his first and only hit of the game.

Facing elimination, sophomore hurler Ron Perry held a powerful Texas team in check until the Crusaders could push the winning run across in the bottom of the eighth inning. Holy Cross then defeated Western Michigan 15-3 and Penn State 15-4 on Sunday, June 15 to earn the right to meet Missouri in the finals.

Needing a pair of wins to capture the title, Holy Cross scored five runs in the top of the sixth inning and received a complete game from Ron Perry en route to a 7-3 win in the first game. On Tuesday evening, June 17, the Crusaders erased a 4-3 Missouri lead with three runs in the seventh and two in the ninth to capture the College World Series title. Jim O'Neill, who earned MVP honors, became the first pitcher in NCAA history to win three games in the tournament.

Holy Cross is renowned for its academic excellence and mentoring-based, liberal arts education in the Jesuit tradition. An exclusively undergraduate institution with just over 2,800 students, Holy Cross is the oldest Catholic college in New England. Founded in 1843 in Worcester,

Mass., the campus occupies 174 beautifully landscaped acres, featuring traditional and contemporary architecture, state-of-the-art facilities, and striking views from atop Mount St. James.

Academic life at Holy Cross is serious, challenging and exciting. Student-professor exchanges in the classroom, as well as in countless informal settings, are at the center of academic life at Holy Cross. With a student to faculty ratio of 11 to one, the opportunity for individual attention is readily available. Few classes exceed an enrollment of 40, and most average 19 students.

Holy Cross professors are widely respected in their academic specialties. Many have national reputations for their research and publications, creative performances, recordings and exhibitions. Almost all of the nearly 300 full- and part-time faculty members hold doctoral degrees from some of the finest universities here and abroad.

Among the major academic facilities on campus are Dinand Library (which, along with three other specialized libraries on campus, has total holdings of more than 650,000 volumes); Iris and B. Gerald Cantor Art Gallery (with a regular schedule of world-class exhibitions); Brooks Concert Hall (acclaimed by performers and acoustical experts as one of the finest medium-sized performance spaces in the region); St. Joseph Memorial Chapel (built in 1924 and containing the recently renovated McCooey Chapel on the lower level); Hogan Campus Center (with

bookstore, post office, coffee lounge, cafeteria and pub); Carol and Park B. Smith Hall (housing the Center for Religion, Ethics and Culture and the Rehm Library); the Multimedia Resource Center in Edith Stein Hall; and the new \$60-million Integrated Science Complex.

Coeducational since 1972, Holy Cross enrolls a student body of proven accomplishment. Almost all graduated in the top 20 percent of their high school classes. Most live in 10 residence halls on campus, all fully connected to the college's computer network. Students, elected by their peers, represent their classmates at faculty meetings, on major college committees, and in a consultative capac-

ity on the appointment and promotion of faculty. There are more than 100 co-curricular offerings on campus and diverse opportunities for innovative academic options such as the first-year program, community-based learning, Washington semester, internships and full-year study abroad.

Holy Cross integrates faith and knowledge with an emphasis on service, in keeping with the Jesuits' commitment to educate "men and women for others." A distinguishing and all-important characteristic of education at Holy Cross is the emphasis placed upon the service of faith and the promotion of justice. The Office of the College Chaplains advises Student Programs for Urban Development (SPUD), which is the largest student organization on campus. More than 450 students are involved in 37 direct-service programs in Worcester.

The athletics program has a storied tradition that continues today with 27 varsity sports and charter membership in the Patriot League, recognized for its development of scholar-athletes. The college sponsors many clubs and intramural sports programs, and has excellent athletics facilities, including a football stadium, a baseball stadium, a soccer stadium, a hockey rink and the Hart Recreation Center, home to the basketball, swimming and hockey teams. The Smith Wellness Center includes a specialized strength and conditioning facility for varsity student-athletes, as well as aerobic equipment and workout areas for the general student body.

The college offers focused preprofessional advising programs for students interested in medicine and health, law, business and engineering. The results for successful postgraduate study are well-documented:

## MONTSERRAT

All first-year students are part of a challenging academic and co-curricular program called Montserrat. Embracing the excitement and discovery of living and learning at Holy Cross, this program — expressly designed for first-year students — integrates academic, co-curricular and residential experiences in unique ways. One of the cornerstones of a Holy Cross education is the commitment to Jesuit values. So it is fitting that the program is named after the mountain in Spain where, in 1522, St. Ignatius of Loyola (the founder of the Jesuit order) decided to begin a new life. Students entering Holy Cross are also beginning a new chapter of their lives — and Montserrat provides experiences in and out of the classroom to enhance their journey, while supplying the tools to climb to new places.

## COLLEGE HONORS

In the college honors program, academically accomplished students pursue multidisciplinary studies in the natural sciences, social sciences and humanities. Guided by rotating faculty experts, students regularly meet and work to explore how knowledge from different areas can be tested and integrated across disciplines. The program incorporates an honors colloquium — a series of interdisciplinary discussions — and a thesis. Honors students publicly present their findings at the annual academic conference, a highlight of the academic year.

## WASHINGTON SEMESTER

Each semester, 15 juniors and first-semester seniors are accepted into a highly selective program in the nation's capital. Students work with members of congress or federal agencies, assist advocacy and public policy groups, and explore up-close the arts, history and culture of Washington, D.C. With support from their Holy Cross advisor, students pursue internships that consist of four full work days, and a public policy seminar one night each week. On the fifth weekday, they conduct independent research for their Washington thesis paper.

## STUDY ABROAD

Students looking to broaden their Holy Cross experience have an excellent opportunity to do so through the Study Abroad program. Year-long programs provide qualified students with exciting and fully credited extensions of the college's curriculum at participating universities in: Australia, Austria, Cameroon, England, France, Germany, Greece, Ireland, Italy, Japan, Mexico, Peru, Scotland, Spain and Russia. One-semester programs are also available in China and Sri Lanka. Third-year students in good academic standing live with host families, and take courses and exams alongside foreign students in their native language. Deepening the cultural experience, students complete an independent study project in the local community to ensure close interaction with the people of their chosen countries.

## COMMUNITY-BASED LEARNING

Through a generous endowment established by its namesake, Joseph P. Donelan II, the Donelan Office of Community-Based Learning provides a directorship to establish connections between courses across the college curriculum with internship sites in the greater Worcester area. In keeping with the college's social mission to prepare students to be "men and women for others," Community-Based Learning enables students to be of service to the community while enhancing their understanding of course material.

Opened in 1997, the Carol and Park B. Smith Wellness Center is a two-story facility which was built as an addition to the Hart Recreation Center. The wellness center provides state-of-the-art fitness equipment for varsity athletes and all other members of the Holy Cross community.

A \$1.5-million gift from Carol and Park B. Smith (Class of 1954) kicked off the campaign to fund the facility. "Everyone today agrees that fitness is very important," Smith said in 1997. "I'm confident that this new Wellness Center — whose facilities will be second-to-none — will provide a real benefit to current and future Holy Cross students, teachers and staff."

With 15,000 square feet, the wellness center provides over four times more space than the college previously had for varsity and community exercise and training, and centralizes athletic equipment and facilities once found in five locations in three campus buildings.

On the first level, the center houses a highly versatile strength and conditioning center for Holy Cross' varsity student-athletes. There are areas for speed development programs, as well as for strength and endurance conditioning. The space, which is able to accommodate as many as

60 people at a time, enables Holy Cross' larger sports teams to work out together, thereby enhancing team unity.

The second floor has been designed for use by all students, faculty and staff. It has two sections: one for aerobic training, and the other for cardiovascular, variable-resistance and strength training. A diverse selection of equipment accommodates users ranging from beginners to advanced athletes. Its south-facing wall is mostly glass, allowing most users a view of the practice fields and the rolling hills of central New England.

The center also offers programs that explore the connections between fitness and wellness, to help students learn how good health can complement and enhance other aspects of their educational experience. An advisory board comprising physicians, fitness and strength trainers, faculty members, psychologists, nutritionists, a college chaplain and others are responsible for creating and coordinating programming for the center.

Holy Cross head strength and conditioning coach Jeff Oliver believes that the wellness center is of the utmost importance to Crusader athletic teams.

"Over the past few decades, college coaches have turned increasingly to strength and conditioning to gain an edge over their opponents," Oliver said. "And while football may have been the first to grasp the concept, we now train athletes from every varsity sport. The wellness center has been a huge boon to our program."

With 6,500 square feet of the center devoted solely to varsity athletes, Oliver

and his staff to be able to accommodate a much larger number of athletes at one time, allowing teams to train together at times more convenient to their busy schedules as student-athletes.

The state-of-the-art equipment in the wellness center includes:

- Eight multi-purpose power racks, each with over 600 pounds of free weights.
- Seven Olympic lifting platforms with over 375 pounds of rubberized free weights.
- More than 3,000 pounds of dumbbells.
- Eighteen pieces of aerobic equipment.
- Three full sets of plyometric boxes.
- A number of free weight-loaded pieces of equipment to accommodate injured athletes.

"Thanks to the generous donation from the Smiths," Oliver said, "This facility is state of the art."

Worcester, the economic and social center of central Massachusetts, is New England's third-largest city with a population of 175,500. Holy Cross is one of the area's 13 colleges and universities, which together make an enormous impact on the area's culture and economy. Boston, Springfield, Hartford and Providence are all about a one-hour drive. New York City is about three hours away; Cape Cod and the Atlantic Ocean are less than two hours from Worcester; and the mountains of Vermont and New Hampshire can be reached in about three hours. Skiing is available at nearby Wachusett Mountain, and water sports enthusiasts can enjoy

the hundreds of rivers and lakes in the area, including Lake Quinsigamond.

First incorporated as a township in 1722, this settlement 40 miles west of Boston soon became an important transportation center on the Boston Turnpike, linking the capital city with New York and the west. One of America's first internal commercial waterways, the Blackstone Canal, linked the town with Providence to the south and gave direct access to the Atlantic Ocean.

Primarily an industrial city through the mid-20th century, Worcester has emerged as an educational, medical, health care, cultural and entertainment center. An expanded business and commercial base, and the recent addition of a variety of high-technology companies and growing biotechnology research parks, have made Worcester attractive to expanding companies. Downtown Worcester stands on the brink of a dramatic renaissance with a new hotel attached to the convention center, a new courthouse and major housing and retail projects all in the works.

Worcester is nonetheless predominantly residential in character. More than 1,200 acres of city-owned parkland are found within its 38 square miles. Half of the entire city budget goes for educational purposes, testimony to the values of its inhabitants. Its parklands are among the oldest in the nation, as are its library and music festival. Worcester is a city proud of its past and secure in its future.

Worcester is home to the DCU Center, a 13,000-seat arena that features big-name rock bands; Mechanics Hall, a world renowned

venue for opera, jazz, blues and classical concerts; and the Worcester Art Museum, internationally known as one of the finest small museums in the United States. Other museums include the Higgins Armory Museum, a repository of Medieval arms and armor; the Ecotarium, which combines the features of a science museum, a planetarium and a zoo; the headquarters of the American Antiquarian Society; and the Worcester Historical Museum.

After a \$40 million restoration project, the historic Union Station now serves visitors and commuters via MBTA regional service and Amtrak national service.

Worcester has world-class dining, ethnic restaurants, diners, coffee houses, bookstores, shopping, parks and recreation — all within easy reach of campus.

## REV. PHILIP L. BOROUGHS, S.J., PRESIDENT

Fr. Philip Boroughs, S.J., a faculty member and senior administrator with decades of experience and a deep understanding of Jesuit higher education through his work at Gonzaga, Seattle, and Georgetown

universities, assumed office as the 32nd president of Holy Cross in January 2012.

Immediately before coming to Holy Cross, he served as Georgetown's first-ever vice president for mission and ministry from 2003 to 2011. There, he was the only Jesuit serving as a senior university administrator. In addition to overseeing a division of the university as well as directing ministry on campus and at Georgetown University Hospital, Fr. Boroughs was responsible for numerous programs for faculty, staff, students, and alumni which advanced Catholic and Jesuit identity. During his eight-year tenure at Georgetown, he raised funds to develop and endow the Calcagnini Contemplative Center currently under construction, to renovate the historic Dahlgren Chapel, and to endow positions and programs for the Office of Mission and Ministry.

Born in Vancouver, British Columbia, in 1949, Fr. Boroughs was raised in Seattle, the third of five children of the late Robert and Catherine Boroughs. He earned his B.A. from Gonzaga University in Spokane, Wash., in 1973, and received a Master of Divinity from the Jesuit School of Theology

(Chicago) in 1978. He holds a Licentiate of Sacred Theology from the Jesuit School of Theology in Berkeley (1987) and received a Ph.D. in Christian spirituality from the Graduate Theological Union (Berkeley, Calif.) in 1989. His doctoral dissertation was on John Woolman (1720-1772), the itinerant Quaker preacher in Colonial America, who advocated against slavery and whose journal is considered a spiritual classic.

He entered the Jesuit order in 1967, was ordained a priest in 1978, and made his final vows as a Jesuit in 1986.

Prior to coming to Georgetown, Fr. Boroughs served as the rector of the Jesuit Community at Seattle University where he was also a faculty member in the School of Theology and Ministry. Previously, he taught religious studies at Gonzaga University (1989-1991), served as the assistant novice director for the Oregon Province of Jesuits (1980-1982), and was a parish priest at St. Leo Church in Tacoma, Wash. (1978-1980). A former member of the Board of Trustees at the University of San Francisco, he also served as a member of the Holy Cross Board of Trustees (2008-2011).

Fr. Boroughs travels frequently for both professional responsibilities and personal interests. He has relatives in Canada, Scotland, and England; his four siblings live on the West Coast, and he enjoys hiking and outdoor recreation in the Pacific Northwest. He has traveled regularly to Kenya, leading a faculty/staff immersion experience, and in connection with his longstanding commitment to support and raise funds for St. Aloysius Gonzaga Secondary School in Nairobi. St. Aloysius serves young people from the slum of Kibera whose parents have died of AIDS.

## RICHARD M. REGAN, JR., DIRECTOR OF ATHLETICS

Richard M. Regan, Jr., is now in his 14th year as the director of athletics at Holy Cross in 2011-2012. Regan, whose tenure began on July 1, 1998, became just the fourth Holy Cross athletic director in the last 50 years. "He is smart, full of energy, skilled in financial management and fully committed to Holy Cross," said then Holy Cross president Fr. Gerard Reedy, S.J., at the time of Regan's hiring.

Regan's first 13 years have been productive ones for the Crusaders. During this period of time, 19 Holy Cross teams have advanced to NCAA tournament play — including at least one team in 10 of the last 13 seasons. The women's basketball team has been to the postseason in seven of the last 13 years (six NCAA appearances and a WNIT berth in 2002), while the football (2009), field hockey (1998 and 2000) and women's soccer (2000) programs have also made NCAA appearances. Regan's tenure has also seen the first-ever NCAA appearances for the men's ice hockey (2004 and 2006), men's soccer (2002) and women's lacrosse (2006 and 2007) teams. In addition, the men's basketball program has seen a great deal of success under Regan's watch, having advanced to postseason play in five of the last 11 years, and becoming the first Patriot League team ever to advance to the NCAA tournament

in three consecutive seasons (2001, 2002 and 2003).

Success is not measured only by wins and losses, but by other gains as well. In an effort to further increase the number of Crusader teams coached by full-time staff members, Regan announced the appointment of full-time coaching positions in track, volleyball, women's lacrosse and softball. Gender equity has been a major focus of Regan's administration and he introduced the college's first two new varsity sports in more than 15 years — women's ice hockey and women's golf.

Improvements to the athletics facilities have also been part of Regan's focus. The new Linda Johnson Smith Stadium is home to not only the men's and women's soccer teams, but its unique two-sided stands and press facilities provide an additional benefit to home events for field hockey and outdoor track and field. In 2009, a new synthetic turf facility was opened for use by the football, men's lacrosse and women's lacrosse teams.

The baseball team opened a new on-campus stadium beginning in the fall of 2005. And there have been improvements to other facilities as well, such as the softball field, new football and men's ice hockey locker rooms, and a video room for the men's and women's basketball teams.

In addition to his duties on campus, Regan has become involved in college athletic policy on a national scale. A current member of the NCAA Division I Men's Soccer Committee, Regan previously served a term as a Division I-AA representative on the NCAA Division I Management Council from 1999-2004. The Management Council,

comprised of 49 athletic administrators and faculty athletic representatives from around the nation, reports directly to the NCAA's Division I Board of Directors. The council is responsible for adopting operating bylaws and rules to govern Division I, interpreting Division I bylaws, reviewing recommendations from the Division I conferences and universities, and developing and implementing the Division I budget.

Prior to returning to Worcester in July of 1998, Regan worked for NFL International and NFL Europe (formerly the World League of American Football). He joined the New York office of the World League in 1991 and was based in London beginning in 1992. Over the next several years he lived in London and Edinburgh, and served as managing director of the Scottish Claymores, vice president of European operations and chief operating officer.

When the World League went through a reorganization following the 1992 season, National Football League commissioner Paul Tagliabue appointed Regan as managing director of NFL International, Ltd., to oversee and develop the NFL's business interests throughout Europe. In that role, he was instrumental in establishing NFL International in Europe and planning and executing the NFL's American Bowl series of international games in London, Dublin, Barcelona and Berlin.

Regan held the post of managing director of Monarch International, Inc., a licensing and financial consulting firm, for three years before joining the World League.

After graduating from Holy Cross in 1976, Regan spent nine years working for

Arthur Andersen & Company in its Boston, Mass., offices, rising to the level of senior manager. He then moved to the NFL with the New England Patriots, where he served in the role of Vice President of Finance from 1985-1988.

His ties to Mount St. James run deep, as he is the third generation of his family to attend Holy Cross. He is the son of Richard M. Regan (Class of 1950), and the grandson of Harold J. Regan (Class of 1917). Regan's sisters, Mary (Class of 1977) and Ann (Class of 1980), also graduated from Holy Cross. His daughter, Deirdre, graduated from Holy Cross in 2006.

Born in Providence, R.I., Regan and his wife, Judi, have three daughters — Jennifer, Deirdre and Colleen.
