MISSION STATEMENT
COLLEGE OF THE HOLY CROSS
DEPARTMENT OF ATHLETICS

The Mission of the Athletic Department of the College of the Holy Cross is to promote the intellectual, physical, and moral development of students. Through Division I athletic participation, our young men and women student-athletes learn a self-discipline that has both present and long-term effects; the interplay of individual and team effort; pride and self esteem in both victory and defeat; a skillful management of time; personal endurance and courage; and the complex relationships between friendship, leadership, and service. Our athletics program, in the words of the College Mission Statement, calls for “a community marked by freedom, mutual respect, and civility.”

Besides teaching these virtues, a few sports played at Holy Cross have the added value of focusing alumni and student support and enhancing our reputation locally and nationally. While Holy Cross continues to commit itself to accomplishment in these sports, which are a rich part of our tradition, we choose to do so in a way that complements the pursuit of academic excellence.

Holy Cross is committed to the guiding principles of the Patriot League, of which we are a founding member: presidential control of athletics; the cultivation of the ideal scholar-athlete; and participation in a wide variety of sports. Commitment to the last principle assures that the College sponsors, in a very evident way, gender equity.

The department of athletics is also committed to compliance with all College policies and regulations involved in Division I membership in the National Collegiate Athletic Association and the Eastern College Athletic Conference. As a member of the NCAA, Holy Cross also advocates student-athlete welfare, diversity, gender equity, sportsmanship, and ethical conduct in its athletic programs.

RECRUITING INFORMATION

CORRESPONDENCE

It is important for prospective student-athletes to get in touch with head coach Adam Pascal as soon as possible. A simple letter of inquiry into the lacrosse program will initiate the recruiting process. The spring of your junior year or early senior year is the most appropriate time to contact coach.

INTERVIEWS

Students are strongly encouraged to have admissions interviews. The office offers interviews from the summer until January 15. Alumni interviews in most metropolitan areas are available. Students must first submit an application and indicate they would like an alumni interview before December 15.

EARLY DECISION

Students who are absolutely, 100% confident Holy Cross is their top college choice are encouraged to apply during the Early Decision process.

FINANCIAL AID

All financial aid is awarded on the basis of need. Prospective student-athletes should complete the CSS "Profile Form" in early Fall.

NCAA ELIGIBILITY CERTIFICATION

The NCAA Eligibility Center certifies academic eligibility and amateurism for all prospective student-athletes who wish to compete in intercollegiate athletics at the Division I or II level. Prospective student-athletes must register at www.ncaaclearinghouse.net and complete the

online release form. Prospective student-athletes must arrange for the appropriate national testing agency to send copies of standardized test scores (e.g., SAT or ACT) directly to the NCAA Eligibility Center. Prospects must also complete the amateurism questionnaire. An institution may not provide an official visit to a prospective student-athlete until he or she registers with the NCAA Eligibility Center.

TELEPHONE CALLS

As per NCAA by law 13.1.3.1, institutional staff members may not telephone a prospect (or the prospect's relatives or legal guardians) prior to July 1 following the prospect's completion of the junior year in high school. After July 1, institutional staff members may telephone a prospect once per week (measured Sunday through Saturday). The once-per-week limit applies to the entire institution.

VIDEO TAPES

In an attempt to make an accurate assessment as soon as possible, it is recommended that videotapes be forwarded to head coach Adam Pascal's attention as soon as possible. The video need not be an elaborate production. Some simple game or practice tape is sufficient with you being easily identified.

CONTACTS

As per NCAA by law 13.02.3, a contact is any face-to-face encounter between a prospect or the prospect's parent or legal guardian and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged or takes place on the grounds of the prospect's high school, or at the site of organized competition or practice involving the prospect's high school, preparatory school, two-year college, or all-star team is considered a contact, regardless of the conversation that occurs. We are limited to three off-campus contacts per prospective student-athlete.

EVALUATIONS

As per NCAA by law 13.02.6.1, an evaluation is any off-campus activity designed to assess the academic qualifications or athletic ability of a prospect, including any visit to a prospect's educational institution (during which no contact occurs) or the observation of a prospect participating in any practice or competition at any size. We are limited in our number of evaluations per prospective student-athlete.

OFFICIAL VISITS

According to NCAA by law 13.7.1.2, a prospect may not make more than five expense-paid visits to NCAA member institutions, regardless of the number of sports in which the prospect is involved. An institution may not provide an expense-paid visit to a prospect who has not presented the institution with a high school (or college) academic transcript and a score from a PSAT, an SAT, a PACTPlus, or an ACT test taken on a national testing date under national testing conditions.

UNOFFICIAL VISITS

According to NCAA by law 13.8.1, a prospect may visit an institution's campus at the prospect's own expense an unlimited number of times and may make an unofficial visit before the prospect's senior year in high school.

ADMISSIONS AND IMPORTANT DATES

ADMISSIONS AND APPLICATIONS:

You can reach our Admissions Office by calling (508) 793-2443. To receive an application, please call or send a written request to: Admissions Office, College of the Holy Cross, 1 College St., Worcester, MA 01610.

CALENDAR:

A typical recruiting calendar for a prospective student-athlete interested in lacrosse would go something like this:

Home to the Holy Cross lacrosse teams, the Hart Turf Field was built in 1988 and is the highest volume playing surface on campus. Surrounded by an eight-lane running track, the turf field is currently one of only three lighted playing surfaces at Holy Cross. And while, apart of the turf being replaced on a regular schedule, the facility had not changed much since its inception - recently that trend has changed. A new scoreboard was installed and with the construction of the adjacent soccer facility, new spectator stands have been built behind the benches on the turf field. A shared press box has also been built. The field hockey, and outdoor track teams also use the field.

All of the Crusaders' home games are played at the Hart Turf Field

2009 OUTLOOK

Over the last two seasons, the Holy Cross men's lacrosse team has brought a lot of excitement to the program as last year the Crusaders defeated a team from the Ivy League for the first time in school history and two years ago they earned their best overall record since 1988. The 2009 team, which returns 27 letterwinners, including eight starters, will seek to continue this upward trend for the program.

With head coach Adam Pascal entering his fifth year at Holy Cross all of the players on the roster have now been recruited by him and the 39 players on the team are the most since he has been at the school. "The roster is up to 39 players which I am excited about," said Pascal. "It gives us a lot more depth and it forces the kids to have to compete in practice and work hard every day because there is someone behind them that is working just as hard or harder to get their spot. Most importantly it allows us to play full field in practice and to simulate the game more. The players are working hard and we are excited."

Pascal sees team unity as a major strength for his squad. "The fact that the kids like each other and are a team is a huge positive for us," said Pascal. "Also the fact that I recruited everyone on this team and they all know what to expect is also very positive. We expect the players to push each other in practice. We don't expect individuals to win games, but we expect the team to win games."

Senior Rich Durand

Holy Cross had a successful fall season that was meant to prepare everyone on the team for the tough spring season. "This fall we made a point of playing everyone in our scrimmages," said Pascal. "We played Bryant, Brown and UMass as we played all 39 players on the team. We wanted to see where the team was by playing everyone. A lot of the freshmen are going to see playing time this season and help us win so we wanted to get them ready."

The group of nine seniors was Pascal's first recruiting class as they have been major factors in the progress of the program. "These were the first players to really buy into what we do here and really help establish a type of program that we want to run here," said Pascal "They have all paid their dues and I will always appreciate what they brought to this program. Their freshman year we went 0-14 and because of their determination and hard work we have gotten better every year. They always want to improve and they want to leave the program in a better standing than when they arrived here."

With nine seniors and nine juniors this year's team is very experienced as they have played in a lot of big games which will bring a different element to the program. "With all of our experience we now have an expectation of what needs to be done to get better," said Pascal. "We lost every game in 2006 and then we won six in 2007 and five in 2008. By defeating Yale last year we were

Senior Sean Daly

the first Holy Cross men's lacrosse team to defeat an Ivy League team. So the juniors and seniors have improved over their time here." For that win over Yale, Pascal was named the US Lacrosse Coach of the Week.

Seniors Jimmy Harrison and Luke Marchand will serve as this season's co-captains. "Jimmy and Luke have contributed since they got here," said Pascal. "They are very good at what they do and their junior years were their best year yet. They were voted by their teammates as captains so their teammates respect them." Pascal sees both of his junior and sophomore classes as well as his seniors as good role models for the freshmen. "The juniors have played a lot since they have gotten here," said Pascal. "They were my second recruiting class. They are hard working kids. The sophomore class is a good hard working class that is looking to make its mark and earn playing time."

Pascal is very excited to welcome 12 freshmen to the program. "We brought in a lot of athletic kids with seven players in the mid-field," said Pascal. "I expect some of the kids to contribute right away. We are looking to get a lot of offense from this freshman class."

Offensively the Crusaders return four of their top five point producers and eight of their top 10 from a year ago, while defensively they are extremely experienced and have a lot of depth. "This year we are really looking for the offense to be strong as we return most of our offense from last season," said Pascal. "We have a lot of depth defensively. The biggest difference is that we have a lot of kids who can earn playing time so there will be a lot of competition which is good for the team. Over the last couple of years we have had good individual defensive performances but this year we want to have better team defense."

This season is very promising for the Crusaders, but Pascal knows that success will be determined by the effort of the team in not just the games but even more importantly in practice. "If a player deserves to play because of his effort in practice and is determined to help the team on the field, then he will see playing time," said Pascal.

Holy Cross continues once again to run the program under the philosophy of playing tough quality opponents will only help you get better. "We always play a lot of Ivy League schools which is always challenging," said Pascal. "Duke is a national power. Last year I asked the team if they wanted to drop some of these tough teams from our schedule and they all said no. As a program we want to play great teams. We get much better playing these teams and we get better prepared for the tough Patriot League competition."

That tough Patriot League competition will include Navy, Colgate, Bucknell and Army which are ranked in one or more national preseason polls. "The Patriot League is once again going to be very tough," said Pascal. "Every year there are six really good teams on our schedule because of being in this league which is great."

ATTACK

The Crusaders return their top two point producers from a year ago in juniors Edison Parzanese and Chris Smirti. Parzanese led the team in assists with 21 and points with 33 as he also scored 12 goals. His 1.50 assists per game ranked third in the Patriot League and his 2.36 points per game were ranked seventh. In two seasons, Parzanese already has 31 goals and 50 assists for 81 points. Smirti is coming off a season in which he led the team in goals with a career-best 18 and was second in points with a career-best 23. He also tied the school records for most points with 10 and most goals with eight in a single-game when he had eight goals and two assists at Dartmouth on March 25, 2008. Both of these players will be major factors in the team reaching one of Pascal's goals of the team scoring more goals this year.

Sophomore Colin Flood had a solid freshman season and will look to continue to provide an offensive spark. Last year he ranked fifth on the team in goals with 10 and points with 14. Sophomore

2009 OUTLOOK

Matt Moran, who missed the majority of last season due to an injury, had a tremendous start to his career as he had four goals and four assists for eight points in only four games. He was named the Patriot League Rookie of the Week for scoring three goals including the game-winner against Yale.

Sophomore Justin Rowley and freshman Colin McGeehin will bring competition to the attack position and are expected to earn time on the field as they are both extremely talented. Another talented freshman Ricky DeCicco, was injured in the fall but when ready will also be a solid contributor.

MIDFIELD

In the offensive midfield, Luke Marchand returns from having a career-year of 16 goals and five assists for 21 points. He was second on the team in goals, tied for third assists and was fourth in points. Junior Kenny Minor will also be a major factor as he had four goals and four assists for eight points a year ago.

Sophomores Conor McKenna and Matt Petri are expected to have successful seasons. "From day one as a freshman, Conor was on the field the entire season for us as he played in all 14 games," said Pascal. "He played man-down for us and at the end of the year

Senior Paddy Dowling

Senior John Marino

was playing with our top midfielders. Matt is so athletic. He will probably play both offensive and defensive midfield. He works hard and he really wants to be successful and wants to be a leader. He is one of those guys you cheer for."

Seniors Brian Becker and John Marino along with junior Mike Nagle are expected to contribute as Becker is coming back from an injury, and Marino and Nagle have received great experience by playing on the extra-man in previous seasons.

Freshmen Matt Boylan, Brent Ferraro, Andrew Morici, Nick Rabiecki and Tom Hines are expected to bolster the midfield. "These are kids who we expect to be in the mix," said Pascal. "These are big athletic kids who come from successful programs." In the defensive midfield, Minor, Marchand and Petri will also play here as they are solid two-way players. "We like to play our offensive midfielders on the defensive end as well," said Pascal. "We just want our most hard working and skilled players on the field."

Seniors Paddy Dowling, Rich Durand and Sean Daly are expected to bring key senior leadership to the defensive midfield. Dowling and Durand will also be major contributors at taking face-offs.

Sophomore Eamon Troy, and freshmen Rob Finnegan and A.J. Guarente have all worked hard and will contribute in the defensive midfield. Guarente and Troy will also see some time on face-offs.

DEFENSE

The Crusaders are very experienced on defense as it should be a major strength for the team. Juniors Tim Barrar, Brendan Candon and John Rapport along with sophomore Douglas Broussard all bring big game experience to the position. "These are four players that have started since they have arrived here," said Pascal. "We really lean on these players because of their experience and their skill. These kids want to compete and they want to win."

Senior Tyson Colaianni, who is coming off of an injury as he only played two games last year, is a key player on defense. "He is really important because he has a great attitude," said Pascal. Before being injured Colaianni had played in 29 games with 24 starts.

Sophomore Anthony Quinn, who the team voted as the most improved player last year, has the ability to play in the midfield and play on defense.

Senior Patrick Flynn, junior Kevin Connolly, and freshmen Nick Doyle, David Henry and Greg Peterson bring important depth and will be expected to compete for playing time.

GOAL

Entering his third year as a starter, two-time team Defensive Player of the Year Jimmy Harrison is expected to continue to be one of the top goalies in the Patriot League. In the win over Yale last year, he made 22 saves and allowed only six goals for a .786 save percentage which was the fourth best single-game save percentage in school history. Harrison earned New England Player of the Week and Patriot League Goalie of the Week accolades for his performance. His .585 save percentage last year is ranked fourth all-time in the program's history. "Jimmy is a great stopper," said Pascal. "He is very good in the cage and is getting better out of the cage."

Junior Connor Sweeney played in six contests last year including his first collegiate start. "Connor is also a great stopper and a great team kid," said Pascal. Sophomore Brandon DeLisio, who played in two games as a freshman, is a hard worker who is expected to contribute.

SPECIALISTS

Dowling, Durand, Guarente and Troy will all see time taking face-offs, while Candon, Quinn, Barrar and Henry will all see time at the long stick midfield position.

SCHEDULE

Holy Cross is scheduled to play 15 regular season games, including eight at home. The Crusaders will play three teams that qualified for the 2008 NCAA Tournament (Duke, Navy and Colgate).

Holy Cross will start the season on Feb. 14, when it hosts St. John's, while the Crusaders will then play Yale in Worcester on Feb. 21.

Holy Cross will play its first road game when it meets 2008 NCAA Semifinalist Duke (March 3), while the Crusaders will play their first Patriot League game at 2008 NCAA Tournament Qualifier Colgate (March 7). Holy Cross will then host four straight contests as it will meet 2008 NCAA Quarterfinalist Navy (March 14), Hartford (March 17), Army (March 21) and Dartmouth (March 24). The Crusaders will wrap up the month with a game at Bucknell (March 28).

After playing road contests with Lafayette (April 4) and Vermont (April 7), Holy Cross will play home games against Marist (April 11) and Lehigh (April 14). The Crusaders will then wrap up the regular season as they travel to Harvard (April 18) and Bryant (April 22).

The Patriot League Tournament will take place on April 24-26, on the campus of the regular season champion. The top four teams in the final regular season standings will qualify for the tournament.

COACHING STAFF

ADAM PASCAL HEAD COACH FIFTH SEASON MIDDLEBURY, '99

Adam Pascal is in his fifth season at the helm of the Crusader men's lacrosse program.

After Holy Cross' 7-6 victory at Yale on February 24, 2008, Pascal was named the US Lacrosse Coach of the Week. The win was the Crusaders' first ever victory over a school from the Ivy League.

In 2007 Pascal was named the New England Intercollegiate Lacrosse Association Coach of the Year as he coached the Crusaders to a 6-8 record marking the best overall record at Holy Cross since 1988. Holy Cross improved during the season and came on strong as it won four of its last six games.

On April 24, 2006, Pascal was honored as one of 50 "Mentors that Matter" in a ceremony at the Great Hall of the Massachusetts State House in Boston. Pascal was honored for his role as a Big Brother, and for encouraging the entire men's lacrosse team to be Big Brothers at Canterbury School in Worcester.

He came to Holy Cross after spending two seasons at Williams College as an assistant coach. While at Williams, Pascal was the offensive coordinator and goalie coach and was responsible for teaching technique and fundamentals of the positions. He also helped out with recruiting through on-site and video evaluations and was involved in game preparation, strength and conditioning and scouting of opponents. Pascal also helped coach the running backs and defensive line on the football team.

Before Williams, Pascal spent a season as an assistant coach at Harvard University where he was responsible for coordinating and supervising individual training sessions during the off-season, monitoring the strength and conditioning of the team and scouting potential high school recruits and opponents. He also assisted the head equipment manager with many phases of running the athletic department and was head coach of the junior varsity team.

Pascal spent the 2000 season at Nazareth College as an assistant coach where he helped organize practices and game day preparation and was in charge of game management and player substitution. He was also responsible for recruiting and was head coach of the junior varsity team.

The Buffalo Bandits of the National Lacrosse League selected Pascal as a 1999 first-round draft pick. In 2001 he continued to play professionally with the Boston Cannons during the inaugural season of Major League Lacrosse.

A graduate of Middlebury College, Pascal received a Bachelor of Arts in American Civilization in 1999. A four year letterwinner and two-time All American, Pascal holds three NCAA Tournament records, including most goals in a game (8), most goals in a tournament (19) and most points in a tournament (24). As a senior he was selected to participate in the North-South All-Star game. In addition to playing lacrosse, Pascal was a four year letterwinner in football. He was the 1999 recipient of the A. Bayard Russ Grant, given to an outstanding two-sport athlete.

Pascal currently resides in Worcester.

**PATRICK
HART**
ASSISTANT COACH
FIRST SEASON
HOLY CROSS, '05

Patrick Hart is in his first season as an assistant men's lacrosse coach at Holy Cross. Hart is a 2005 Holy Cross graduate and was a four-year member of the

lacrosse team.

After graduating from Holy Cross as an Economics major, Hart earned valuable coaching experience at the Portsmouth Abbey School in Portsmouth, R.I., where he was an assistant varsity lacrosse coach, an assistant varsity football coach and the head junior varsity basketball coach in 2005-2006 and 2006-2007. During his time at the school, the lacrosse team played for the conference championship in 2006 and the football team played for the conference and the New England championships in 2005. For three years, Hart was a member of the staff at the Holy Cross Lacrosse Camp where he was promoted to the position of field director in 2007. He also has the experience of being a counselor at the New England Top 150 Lacrosse Camp in Portsmouth, R.I., which is one of the top High School recruiting camps in the nation, while he also spent six years as a counselor at the Central Bergen Lacrosse Camp in Oradell, N.J., where he was also promoted to field director.

A native of Wyckoff, N.J., Hart played four years at Holy Cross. As a senior in 2005, he was recipient of the John H. Price Award which is given to a member of the lacrosse team that best exemplifies the ideal set forth by former captain, John H. Price, as "a man for others." Hart was also a member of the Patriot League Honor Roll and was a mentor in the Worcester Big Brother Program. As a midfielder for the Crusaders, he recorded four goals and 12 assists for 16 points in 43 games. Hart came to Holy Cross from Bergen Catholic.

After serving as a math teacher at the Portsmouth Abbey School from Sept. of 2005 to the summer of 2007, Hart became a financial recruiter at Michael Page International in Sept. of 2007 until returning to Holy Cross.

COMMUNITY SERVICE

Giving back to the surrounding community is as much a part of the Holy Cross men's lacrosse team as goals and groundballs. Head coach Adam Pascal and his student-athletes make sure they take time to reach out to the youth of Central Massachusetts. Here is a look at some of the community service projects the Crusaders have been involved in over the last few seasons.

- The team, known as "John's Brothers," volunteer every week during the school year. Matched with ethnically diverse children, the team spent two hours per week mentoring students both inside and outside the classroom. This program was formed nine years ago to honor the memory of John Price, who died in a tragic accident after being elected captain of the 2001 lacrosse team.

- The team is very involved in the Big Brothers/Big Sisters program in Worcester. In 2007, the team received the H. Martin Deranian Fellowship Award from Big Brothers/Big Sisters of Central Massachusetts, for outstanding volunteer efforts.

- The Crusaders take part in the annual Rodman Ride for Kids. This is a one-day cycling tour that raises money for nonprofit agencies that promote healthy, positive lives for children throughout New England.

- Head coach Adam Pascal was honored as one of 50 "Mentors that Matter" in a ceremony at the Great Hall of the Massachusetts State House in Boston. Pascal was honored for his role as a Big Brother, and for encouraging the entire men's lacrosse team to be Big Brothers at Canterbury School in Worcester.

Holy Cross is renowned for its academic excellence and mentoring-based, liberal arts education in the Jesuit tradition. An exclusively undergraduate institution with just over 2,800 students, Holy Cross is the oldest Catholic college in New England. Founded in 1843 in Worcester, Mass., the campus occupies 174 beautifully landscaped acres, featuring traditional and contemporary architecture, state-of-the-art facilities, and striking views from atop Mount St. James.

Academic life at Holy Cross is serious, challenging and exciting. Student-professor exchanges in the classroom, as well as in countless informal settings, are at the center of academic life at Holy Cross. With a student to faculty ratio of 11 to one, the opportunity for individual attention is readily available. Few classes exceed an enrollment of 40, and most average 19 students.

Holy Cross professors are widely respected in their academic specialties. Many have national reputations for their research and publications, creative performances, recordings and exhibitions. Almost all of the nearly 300 full- and part-time faculty members hold doctoral degrees from some of the finest universities here and abroad.

Among the major academic facilities on campus are Dinand Library (which, along with three other specialized libraries on campus, has total holdings of more than 650,000 volumes); Iris and B. Gerald Cantor Art Gallery (with a regular schedule of world-class exhibitions); Brooks Concert Hall (acclaimed by performers and acoustical experts as one of the finest medium-sized performance spaces in the region); St. Joseph Memorial Chapel (built in 1924 and containing the recently renovated McCooey Chapel on the lower level); Hogan Campus Center (with bookstore, post office, coffee lounge, cafeteria and pub); Carol and Park B. Smith Hall (housing the Center for Religion, Ethics and Culture and the Rehm Library); the Multimedia Resource Center in Edith Stein Hall; and the science complex in Haberlin, O'Neil and Swords Halls.

Coeducational since 1972, Holy Cross enrolls a student body of proven accomplishment. Almost all graduated in the top 20 percent of their high school classes. Most live in 10 residence halls on campus, all fully connected to the college's computer network. Students, elected by their peers, represent their classmates at faculty meetings, on major college committees, and in a consultative

capacity on the appointment and promotion of faculty. There are more than 100 co-curricular offerings on campus and diverse opportunities for innovative academic options such as the first-year program, community-based learning, Washington semester, internships and full-year study abroad.

Holy Cross integrates faith and knowledge with an emphasis on service, in keeping with the Jesuits' commitment to educate "men and women for others." A distinguishing and all-important characteristic of education at Holy Cross is the emphasis placed upon the service of faith and the promotion of justice. The Office of the College Chaplains advises Student Programs for Urban Development (SPUD), which is the largest student organization on campus. More than 450 students are involved in 37 direct-service programs in Worcester.

The athletics program has a storied tradition that continues today with 27 varsity sports and charter membership in the Patriot League, recognized for its development of scholar-athletes. The college sponsors many clubs and intramural sports programs, and has excellent athletics facilities, including a football stadium, a baseball stadium, a soccer stadium, a hockey rink and

the Hart Recreation Center, home to the basketball, swimming and hockey teams. The Smith Wellness Center includes a specialized strength and conditioning facility for varsity student-athletes, as well as aerobic equipment and workout areas for the general student body.

The college offers focused preprofessional advising programs for students interested in medicine and health, law, business and engineering. The results for successful postgraduate study are well-documented:

- Graduates are admitted to medical school at rates better than twice the national average.
- Each year, more than 100 Holy Cross graduates enter law schools accredited by the American Bar Association – one of the highest rates in the nation.
- Holy Cross is in the top three percent of four-year colleges in the number of students going on to earn doctorates.
- Holy Cross students have won Rhodes, Truman and Marshall scholarships, Watson fellowships, Fulbright grants and many other awards.
- More than 10 percent of Holy Cross alumni are currently practicing medicine.

Among the many Holy Cross alumni with stellar records of achievement are a Nobel Laureate; three Pulitzer Prize winners; two members of the Naismith Memorial Basketball Hall of Fame; a U.S. Supreme Court justice; a U.S. Poet Laureate; numerous members of the U.S. Congress; hundreds of journalists, authors and media commentators; and countless CEOs, educators and business and community leaders.

MONTSERRAT

Beginning with the class enrolling at Holy Cross in September of 2008, all first-year students will be part of a challenging new academic and co-curricular program called Montserrat. Embracing the excitement and discovery of living and learning at Holy Cross, this new program — expressly designed for first-year students — will integrate academic, co-curricular and residential experiences in unique ways. One of the cornerstones of a Holy Cross education is the commitment to Jesuit values. So it is fitting that the program is named after the mountain in Spain where, in 1522, St. Ignatius of Loyola (the founder of the Jesuit order) decided to begin a new life. Students entering Holy Cross will also begin a new chapter of their lives — and Montserrat will provide experiences in and out of the classroom to enhance their journey, while supplying the tools to climb to new places.

COLLEGE HONORS

In the college honors program, academically accomplished students pursue multidisciplinary studies in the natural sciences, social sciences and humanities. Guided by rotating faculty experts, students regularly meet and work to explore how knowledge from different areas can be tested and integrated across disciplines. The program incorporates an honors colloquium — a series of interdisciplinary discussions — and a thesis. Honors students publicly present their findings at the annual academic conference, a highlight of the academic year.

WASHINGTON SEMESTER

Each semester, 15 juniors and first-semester seniors are accepted into a highly selective program in the nation's capital. Students work with members of congress or federal agencies, assist advocacy and public policy groups, and explore up-close the arts, history and culture of Washington, D.C. With support from their Holy Cross advisor, students pursue internships that consist of four full work days, and a public policy seminar one night each week. On the fifth weekday, they conduct independent research for their Washington thesis paper.

WHAT THE GUIDEBOOKS SAY

- Among the nation's top 50 "most competitive" colleges and universities, as ranked by *Barron's Profiles of American Colleges*.
- Graduates 91% of students in four years – ranked fourth among the nation's undergraduate, liberal arts colleges; named to *Kaplan's* list of colleges and universities with "Impressive Graduation Rates."
- Listed in the top 20 colleges for academics in *The Princeton Review's* "The Best 351 Colleges."
- *Peterson's Guide to Four-Year Colleges* cites a 95% first-year retention rate.
- Named one of the country's "most beautiful urban campuses" in *Kaplan's National Guidance Counselor Survey*.
- Ranked 15th for "professors who make themselves accessible" in a student survey by *The Princeton Review*.
- Regarding the college's mission, *Kaplan's Guide to the 328 Most Interesting Colleges* says, "The Jesuit tradition of 'being men and women for others' shines at Holy Cross."
- According to *The Insider's Guide to the Colleges*, compiled by the staff of the *Yale Daily News*, the three best things about attending Holy Cross are: "the professors, the beautiful campus and the connections with classmates."
- The *Fiske Guide to Colleges* cites Holy Cross' small class sizes and beautiful campus as "award winners."

STUDY ABROAD

Students looking to broaden their Holy Cross experience have an excellent opportunity to do so through the Study Abroad program. Year-long programs provide qualified students with exciting and fully credited extensions of the college's curriculum at participating universities in: Australia, Austria, Cameroon, England, France, Germany, Greece, Ireland, Italy, Japan, Mexico, Peru, Scotland, Spain and Russia. One-semester programs are also available in China and Sri Lanka. Third-year students in good academic standing live with host families, and take courses and exams alongside foreign students in their native language. Deepening the cultural experience, students complete an independent study project in the local community to ensure close interaction with the people of their chosen countries.

COMMUNITY-BASED LEARNING

Through a generous endowment established by its namesake, Joseph P. Donelan II, the Donelan Office of Community-Based Learning provides a directorship to establish connections between courses across the college curriculum with internship sites in the greater Worcester area. In keeping with the college's social mission to prepare students to be "men and women for others," Community-Based Learning enables students to be of service to the community while enhancing their understanding of course material.

Holy Cross has three performance theaters, two art galleries, a concert hall, ballroom, dance studio and a movie theater. There are more than 100 student groups and organizations on campus, including:

STRENGTH & CONDITIONING

Opened in 1997, the Carol and Park B. Smith Wellness Center is a two-story facility which was built as an addition to the Hart Recreation Center. The wellness center provides state-of-the-art fitness equipment for varsity athletes and all other members of the Holy Cross community.

A \$1.5-million gift from Carol and Park B. Smith (Class of 1954) kicked off the campaign to fund the facility. “Everyone today agrees that fitness is very important,” Smith said in 1997. “I’m confident that this new Wellness Center — whose facilities will be second-to-none — will provide a real benefit to current and future Holy Cross students, teachers and staff.”

With 15,000 square feet, the wellness center provides over four times more space than the college previously had for varsity and community exercise and training, and centralizes athletic equipment and facilities once found in five locations in three campus buildings.

The center houses, on the first level, a highly versatile strength and conditioning center for Holy Cross’ varsity student-athletes. There are areas for speed development programs, as well as for strength and endurance conditioning. The space, which is able to accommodate as many as 60 people at a time, enables Holy Cross’ larger sports teams to work out together, thereby enhancing team unity.

The second floor has been designed for use by all students, faculty and staff. It has two sections: one for aerobic training, and the other for cardiovascular, variable-resistance and strength training. A diverse selection of equipment accommodates users ranging from beginners to advanced athletes. Its south-facing wall is mostly glass, allowing most users a view of the practice fields and the rolling hills of central New England.

The center also offers programs that explore the connections between fitness and wellness, to help students learn how good health can complement and enhance other aspects of their educational experience. An advisory board comprising physicians, fitness and strength trainers, faculty members, psychologists, nutritionists, a college chaplain and others are responsible for creating and coordinating programming for the center.

Holy Cross head strength and conditioning coach Jeff Oliver believes that the wellness center is of the utmost importance to Crusader athletic teams.

“Over the past two decades, college coaches have turned increasingly to strength and conditioning to gain an edge over their opponents,” Oliver said. “And while football may have been the first to grasp the concept, we now train athletes from every varsity sport. The wellness center has been a huge boon to our program.”

With 6,500 square feet of the center devoted solely to varsity athletes, Oliver and his staff are able to accommodate a much larger number of athletes at one time, allowing teams to train together at times more convenient to their busy schedules as student-athletes.

The state-of-the-art equipment in the wellness center includes:

- Eight multi-purpose power racks, each with over 600 pounds of free weights.
- Seven Olympic lifting platforms with over 375 pounds of rubberized free weights.
- More than 3,000 pounds of dumbbells.
- Eighteen pieces of aerobic equipment.
- Three full sets of plyometric boxes.
- A number of free weight-loaded pieces of equipment to accommodate injured athletes.

“Thanks to the generous donation from the Smiths,” Oliver said, “This facility is state of the art.”

THE CITY OF WORCESTER

Worcester, the economic and social center of central Massachusetts, is New England's third-largest city with a population of 176,000. Holy Cross is one of the area's 13 colleges and universities, which together make an enormous impact on the area's culture and economy. Boston, Springfield, Hartford and Providence are all about a one-hour drive. New York City is about three hours away; Cape Cod and the Atlantic Ocean are less than two hours from Worcester; and the mountains of Vermont and New Hampshire can be reached in about three hours. Skiing is available at nearby Wachusett Mountain, and water sports enthusiasts can enjoy the hundreds of rivers and lakes in the area, including Lake Quinsigamond.

First incorporated as a township in 1722, this settlement 40 miles west of Boston soon became an important transportation center on the Boston Turnpike, linking the capital city with New York and the west. One of America's first internal commercial waterways, the Blackstone Canal, linked the town with Providence to the south and gave direct access to the Atlantic Ocean.

Primarily an industrial city through the mid-20th century, Worcester has emerged as an educational, medical, health care, cultural and entertainment center. An expanded business and commercial base, and the recent addition of a variety of high-technology

companies and growing biotechnology research parks, have made Worcester attractive to expanding companies. Downtown Worcester stands on the brink of a dramatic renaissance with a new hotel attached to the convention center, a new courthouse and major housing and retail projects all in the works.

Worcester is nonetheless predominantly residential in character. More than 1,200 acres of city-owned parkland are found within its 38 square miles. Half of the entire city budget goes for educational purposes, testimony to the values of its inhabitants. Its parklands are among the oldest in the nation, as are its library and music festival. Worcester is a city proud of its past and secure in its future.

Worcester is home to the DCU Center, a 13,000-seat arena that features big-name rock bands; Mechanics Hall, a world renowned venue for opera, jazz, blues and classical concerts; and the Worcester Art Museum, internationally known as one of the finest small museums in the United States. Other museums include the Higgins Armory Museum, a repository of Medieval arms and armor; the Ecotarium, which combines the features of a science museum, a planetarium and a zoo; the headquarters of the American Antiquarian Society; and the Worcester Historical Museum.

After a \$40 million restoration project, the historic Union Station now serves visitors and commuters via MBTA regional service and Amtrak national service.

Worcester has world-class dining, ethnic restaurants, diners, coffee houses, bookstores, shopping, parks and recreation — all within easy reach of campus.

REV. MICHAEL C. MCFARLAND, S.J., PRESIDENT

On July 1, 2000, Rev. Michael C. McFarland, S.J., became the 31st president of the College of the Holy Cross.

Prior to becoming president, Fr. McFarland was Dean of the College of Arts

and Sciences at Gonzaga University in Spokane, Wash. He was at Gonzaga for four years, where he was also a professor of computer science.

Born in Boston in 1948, Fr. McFarland lived for a time in California and later graduated from Xavier High School (now closed) in Concord, Mass. He completed his bachelor's degree in physics at Cornell University in 1969. He later earned a master's degree and Ph.D. in electrical engineering (computer engineering) at Carnegie Mellon University.

Fr. McFarland joined the Jesuits in 1975. He studied at the Weston School of Theology in Cambridge, Mass., and earned a master's degree in divinity and Th.M. in social ethics. He was ordained in the St. Joseph Memorial Chapel at Holy Cross in 1984.

Subsequently, he worked as a consultant for two years at the AT&T Bell Laboratories, doing research in computer-aided design of digital systems. He continued his research while teaching at Boston College for 10 years as an associate professor of computer science. In addition to creating new courses in ethics and computers, computer architecture and digital systems, he created a laboratory for digital electronics and developed tutorial materials for a course on computers in management.

Fr. McFarland has published articles in the Proceedings of the IEEE (the Institute of Electrical and Electronics Engineers); the IEEE Transactions on Computers; the IEEE Transactions on Computer-Aided

Design of Integrated Circuits and Systems; Formal Methods for System Design; the Journal of Systems and Software; Computer; and Technology and Society. He was an associate editor of the IEEE Transactions on Computer-Aided Design of Integrated Circuits and Systems for three years and has been on numerous program committees for conferences such as the Design Automation Conference, the International Conference on Computer Design, the International Conference on Computer-Aided Design and the

High-Level Synthesis Workshop.

In addition to his duties as Holy Cross' president, Fr. McFarland sits on numerous local boards, including the Worcester Catholic Charities Board, the Worcester Municipal Research Bureau and the Board of Trustees at the University of Scranton.

Recently, Fr. McFarland oversaw the most successful capital campaign in school history, raising a total of \$216.3 million.

Fr. McFarland enjoys running six days each week in his free time.

RICHARD M. REGAN, JR., DIRECTOR OF ATHLETICS

Richard M. Regan, Jr., is now in his 11th year as the director of athletics at Holy Cross. Regan, whose tenure began on July 1, 1998, became just the fourth Holy Cross athletic director in

the last 50 years. “He is smart, full of energy, skilled in financial management and fully committed to Holy Cross,” said then Holy Cross president Fr. Gerard Reedy, S.J., at the time of Regan’s hiring.

Regan’s first 10 years have been productive ones for the Crusaders. During this period of time, 18 Holy Cross teams have advanced to NCAA tournament play — including at least one team in each of his first nine seasons. The women’s basketball team has been to the postseason in seven of the last 10 years (six NCAA appearances and a WNIT berth in 2002), while the field hockey (1998 and 2000) and women’s soccer (2000) programs have also made NCAA appearances. Regan’s tenure has also seen the first-ever NCAA appearances for the men’s ice hockey (2004 and 2006), men’s soccer (2002) and women’s lacrosse (2006 and 2007) teams. In 1999, Regan hired Ralph Willard as the men’s basketball coach, a move which revitalized the program. The Crusaders have advanced to postseason play in five of the last eight years, and became the first Patriot League team ever to advance to the NCAA tournament in three consecutive seasons (2001, 2002 and 2003).

Success is not measured only by wins and losses, but by other gains as well. In an effort to further increase the number of Crusader teams coached by full-time staff

members, Regan announced the appointment of full-time coaching positions in track, volleyball, women’s lacrosse and softball. Gender equity has been a major focus of Regan’s administration and he introduced the college’s first two new varsity sports in more than 15 years — women’s ice hockey and women’s golf.

Improvements to the athletics facilities have also been part of Regan’s focus. The new Linda Johnson Smith Stadium is home to not only the men’s and women’s soccer teams, but its unique two-sided stands and press facilities provide an additional benefit to home events for field hockey, men’s lacrosse, women’s lacrosse and outdoor track and field.

The baseball team opened a new on-campus stadium beginning in the fall of 2005. And there have been improvements to other facilities as well, such as the softball field, the men’s ice hockey locker room, and a video room for the men’s and women’s basketball teams.

In addition to his duties on campus, Regan has become involved in college athletic policy on a national scale. From 1999-2004, he served a four-year term as a Division I-AA representative on the NCAA Division I Management Council. The Management Council, comprised of 49 athletic administrators and faculty athletic representatives from around the nation, reports directly to the NCAA’s Division I Board of Directors. The council is responsible for adopting operating bylaws and rules to govern Division I, interpreting Division I bylaws, reviewing recommendations from the Division I conferences and universities, and developing and implementing the Division I budget.

Prior to returning to Worcester in July of 1998, Regan worked for NFL International and NFL Europe (formerly the World League of American Football). He joined

the New York office of the World League in 1991 and was based in London beginning in 1992. Over the next several years he lived in London and Edinburgh, and served as managing director of the Scottish Claymores, vice president of European operations and chief operating officer.

When the World League went through a reorganization following the 1992 season, National Football League commissioner Paul Tagliabue appointed Regan as managing director of NFL International, Ltd., to oversee and develop the NFL’s business interests throughout Europe. In that role, he was instrumental in establishing NFL International in Europe and planning and executing the NFL’s American Bowl series of international games in London, Dublin, Barcelona and Berlin.

Regan held the post of managing director of Monarch International, Inc., a licensing and financial consulting firm, for three years before joining the World League.

After graduating from Holy Cross in 1976, Regan spent nine years working for Arthur Andersen & Company in its Boston, Mass., offices, rising to the level of senior manager. He then moved to the NFL with the New England Patriots, where he served in the role of Vice President of Finance from 1985-1988.

His ties to Mount St. James run deep, as he is the third generation of his family to attend Holy Cross. He is the son of Richard M. Regan (Class of 1950), and the grandson of Harold J. Regan (Class of 1917). Regan’s sisters, Mary (Class of 1977) and Ann (Class of 1980), also graduated from Holy Cross. His daughter, Deirdre, graduated from Holy Cross in 2006.

Born in Providence, R.I., Regan and his wife, Judi, have three daughters — Jennifer, Deirdre and Colleen.

ATHLETIC ADMINISTRATION

BILL BELLEROSE **ASSOCIATE A.D.**

Bill Bellerose was named associate director of athletics and business manager of athletics for Holy Cross in November of 1992. A 1977 graduate of Holy Cross with a dual degree in Economics and Accounting, Bellerose handles the day to day financial support of individual teams and the athletic department. He is responsible for preparing and administering the budgets for all 27 varsity sports. Bellerose also handles equipment inventories, and much of Holy Cross' travel and ticket operations.

Prior to his current appointment, Bellerose was the college's purchasing director for four years, coordinating purchases for all departments on campus. From 1988 through 1993, Bellerose also served as the head coach of the Crusader men's ice hockey team. He previously spent time as an assistant coach of the squad from 1977-1988.

During his days as an undergraduate, Bellerose was a member of the ice hockey team. He still ranks eighth all-time in career points (152) and 10th all-time in career goals scored (71). In 2002, Bellerose was inducted into the Holy Cross Varsity Club Hall of Fame.

Bellerose and his wife, Susan, reside in Shrewsbury, Mass., with their son, William, Jr., and daughter, Lauren.

ROSEMARY SHEA **ASSOCIATE A.D.**

Now in her 22nd year at the college, Rosemary Shea joined the athletic staff shortly after earning a bachelor's degree in English from Holy Cross in 1987. Since 1990 she has served as the athletic department's compliance officer, with responsibility to assure that the college's staff, coaches, and student-athletes understand and comply with NCAA rules

and regulations. She monitors eligibility and academic progress for all Holy Cross student-athletes and coordinates an ongoing rules education program for coaches and staff members.

In 2000, Shea was promoted to associate athletic director and added the duties of scheduling for men's sports. She also assists the director of athletics with the overall management of the men's athletic programs.

ANN ZELESKY **ASSOCIATE A.D.**

In her 20th year at Holy Cross is Worcester native Ann Zelesky, who is responsible for the administration and scheduling for all the women's programs. In 1995, Zelesky was promoted to associate athletic director.

Zelesky joined the Crusaders in April of 1989 after a highly-successful 13-year coaching career at St. Peter-Marian High School in Worcester. Zelesky's girl's basketball squads posted a 272-54 record, winning eight Central Massachusetts titles, seven district championships and one state crown. Her softball teams were 253-21, capturing 10 Central Massachusetts titles, nine district crowns and five state championships. Zelesky, who also served as St. Peter-Marian's athletic director for nine years, was twice named Massachusetts Coach of the Year for both basketball and softball, and has been inducted into the New England Basketball Hall of Fame.

A 1973 graduate of Worcester State College, Zelesky played volleyball, basketball, field hockey and softball. She began her coaching career at Worcester State following her graduation.

Zelesky resides in Worcester with her two sons, Brian and Kevin.

FRANK MASTRANDREA **ASSISTANT A.D.**

Frank Mastrandrea was named assistant athletic director for marketing and media relations for Crusader athletics in August of 2000. A 1988 graduate of Holy Cross with a bachelor's degree in English, Mastrandrea oversees all marketing and media relations efforts for the athletic department, including all television, radio and internet coverage of

all of the athletic programs.

Mastrandrea previously served as the college's director of athletic media relations from 1993-2000. While serving as the director, Mastrandrea was responsible for the publicity and promotion of the school's 27 varsity sports, with his major focus on the football and men's basketball programs.

Mastrandrea earned his law degree from the University of Connecticut School of Law in 1991, and worked for the firm of Updike, Kelley & Spellacy as a litigator from 1991-1993.

He and his wife, Joan, reside in Shrewsbury, Mass., with their son, Jacob.

ATHLETIC ADMINISTRATION

RALPH WILLARD
ASSISTANT A.D.

Ralph Willard has been with the Holy Cross athletic department since 1999 in a dual role as men's basketball coach and assistant athletic director. In his administrative position, Willard is responsible for monitoring and addressing student-athlete welfare issues.

On the coaching side, Willard is just the 14th head coach in the 86-year history of the Crusader men's basketball program, and the seventh Holy Cross alum to hold the position. A 1967 graduate of the college, Willard was a three-year letterwinner and served as the 1966-1967 team captain. In his senior season, the Crusaders posted a 16-9 mark.

Willard has posted a record of 174-103 in his nine seasons at the helm of the Crusaders. He has led Holy Cross to four NCAA tournament berths, one National Invitation Tournament bid, four Patriot League tournament titles and four Patriot League regular season crowns. He is the second-winningest coach in school history, trailing only George Blaney (357-276 / 1972-1994).

Prior to his time at Holy Cross, Willard was the head coach at Pittsburgh and Western Kentucky. He currently owns a 318-227 career coaching record over 18 seasons.

Willard and his wife, Dorothy, have three children, Pamela, Keith and Kevin.

In its second decade of combining academic and athletic excellence, the Patriot League sponsors championships in 23 men’s and women’s sports. Initially started as an NCAA Division I-AA football conference in 1986, the Patriot League became an all-sport conference in 1990 and includes American, Army, Bucknell, Colgate, Holy Cross, Lafayette, Lehigh and Navy as full members, and Fordham and Georgetown as associate members. These institutions are among the oldest and most prestigious in the nation and their alumni have, and continue to, play leadership roles in shaping our country.

Since 1998, the Patriot League has ranked first each year among all Division I conferences awarding athletic aid in the NCAA Graduation Rate Report. The League finished at the top spot with 97 percent of its teams reporting a graduation rate of 90 percent or higher in the most recent data. In addition, 79 Patriot League teams earned NCAA Academic Performance Program Public Recognition Awards after posting academic progress rate scores in the top 10 percent of all squads in their respective sports.

Patriot League student-athletes and teams continue to enjoy success at the national level, with opening round victories coming in several NCAA championships. The 2007-2008 season included Bucknell’s victory over national No. 4 seed Florida State in baseball and Navy’s triumph against national No. 4 seed North Carolina in men’s lacrosse. Patriot League teams previously recorded consecutive first-round wins in men’s basketball, a final four appearance in men’s lacrosse and a sixth-place finish at the NCAA cross country championship to highlight the league’s NCAA success.

The Patriot League’s mission is simple: to provide successful competitive athletic experiences while maintaining high academic standards, and to prepare its student-athletes to be leaders in society.

During the 2007-2008 academic year, Patriot League student-athletes and teams accomplished the following:

- Twelve Patriot League student-athletes were named ESPN The Magazine Academic All-Americans, including first team honors for Army’s Daniel Newell (men’s soccer), Bucknell’s Jason Buursma (baseball), and Navy’s Chris Renninger (men’s golf), Kari Weniger (women’s soccer) and Kelly Zahalka (women’s swimming).
- Sixty-five Patriot League student-athletes earned ESPN The Magazine Academic All-District honors, including 42 on the first team.
- Holy Cross’ Dominic Randolph and Colgate’s Jordan Scott were finalists for the Walter Payton Award, while Colgate’s Mike Gallihugh was a finalist for the Buck Buchanan Award as top players in the football championship subdivision.
- Seven Patriot League football student-athletes earned All-America honors, the highest total since 2003.
- Colgate’s Jordan Scott led the nation in rushing (170.5 yards per game), while Lafayette led the country in team defense (260.9 yards per game).
- Navy’s Evan Barnes won the inaugural Lowe’s Senior CLASS Award in the sport of men’s soccer.
