

## BOB LINDSAY, HEAD LACROSSE COACH

Bob Lindsay has come to Holy Cross with a fine lacrosse background. As an undergraduate at the University of Massachusetts, Lindsay was a starting defenseman for one of the University's finest teams.

Formerly the head coach at Worcester Poly Tech,

Coach Lindsay compiled a record of 31-12, winning the NECCL Title in 1978 and 79.

Coach Lindsay feels that the Lacrosse Program at Holy Cross, with some hard work from the players and staff, should continue to progress and impress. The continued recruitment of fine high school players coupled with the historic athletic tradition at Holy Cross, will bring even further accolades to the program and once again make Holy Cross a team to be reckoned with in Eastern Collegiate Circles.

### Andy Grossman, Assistant Lacrosse Coach

A two-time Middle Atlantic All Conference choice at midfield, Andy will be working with the varsity midfielders as well as assisting with the junior varsity team this season. Andy's excellent knowledge of the game, plus his rapport with the players make him an excellent addition to the coaching staff.

### Mike Proctor, Assistant Lacrosse Coach

Mike was an outstanding defensive player at Dean Junior College where he led his team to a two-time top ten ranking in National Collegiate Junior College Conference. Mike, our defensive coordinator and junior varsity coach, has made an excellent contribution to the Lacrosse program at Holy Cross.
