**MISSION STATEMENT
COLLEGE OF THE HOLY CROSS
DEPARTMENT OF ATHLETICS**

The Mission of the Athletic Department of the College of the Holy Cross is to promote the intellectual, physical, and moral development of students. Through Division I athletic participation, our young men and women student-athletes learn a self-discipline that has both present and long-term effects; the interplay of individual and team effort; pride and self esteem in both victory and defeat; a skillful management of time; personal endurance and courage; and the complex relationships between friendship, leadership, and service. Our athletics program, in the words of the College Mission Statement, calls for "a community marked by freedom, mutual respect, and civility."

Besides teaching these virtues, a few sports played at Holy Cross have the added value of focusing alumni and student support and enhancing our reputation locally and nationally. While Holy Cross continues to commit itself to accomplishment in these sports, which are a rich part of our tradition, we choose to do so in a way that complements the pursuit of academic excellence.

Holy Cross is committed to the guiding principles of the Patriot League, of which we are a founding member: presidential control of athletics; the cultivation of the ideal scholar-athlete; and participation in a wide variety of sports. Commitment to the last principle assures that the College sponsors, in a very evident way, gender equity.

The department of athletics is also committed to compliance with all College policies and regulations involved in Division I membership in the National Collegiate Athletic Association and the Eastern College Athletic Conference. As a member of the NCAA, Holy Cross also advocates student-athlete welfare, diversity, gender equity, sportsmanship, and ethical conduct in its athletic programs.

RECRUITING INFORMATION

CORRESPONDENCE

It is important for prospective student-athletes to get in touch with Head Coach Peter Van Buskirk as soon as possible. A simple letter of inquiry into the women's ice hockey program will initiate the recruiting process. The spring of your junior year or early senior year is the most appropriate time to contact coach.

INTERVIEWS

Students are strongly encouraged to have admissions interviews. The office offers interviews from the summer until January 15. Alumni interviews in most metropolitan areas are available. Students must first submit an application and indicate they would like an alumni interview before December 15.

EARLY DECISION

Students who are absolutely, 100% confident Holy Cross is their top college choice are encouraged to apply during the Early Decision process.

FINANCIAL AID

All financial aid is awarded on the basis of need. Prospective student-athletes should complete the CSS "Profile Form" in early Fall.

NCAA ELIGIBILITY CERTIFICATION

The NCAA Eligibility Center certifies academic eligibility and amateurism for all prospective student-athletes who wish to compete in intercollegiate athletics at the Division I or II level. Prospective student-athletes must register at www.ncaaclearinghouse.net and complete the online release form. Prospective student-athletes must arrange for the appropriate national testing agency to send copies of standardized test scores (e.g., SAT or ACT) directly to the NCAA Eligibility Center. Prospects must also complete the amateurism questionnaire. An institution may not provide an official visit to a prospective student-athlete until he or she registers with the NCAA Eligibility Center.

TELEPHONE CALLS

As per NCAA by law 13.1.3.1, institutional staff members may not telephone a prospect (or the prospect's relatives or legal guardians) prior to July 1 following the prospect's completion of the junior year in high school. After July 1, institutional staff members may telephone a prospect once per week (measured Sunday through Saturday). The once-per-week limit applies to the entire institution.

VIDEO TAPES

In an attempt to make an accurate assessment as soon as possible, it is recommended that videotapes be forwarded to Head Coach Peter Van Buskirk attention as soon as possible. The video need not be an elaborate production. Some simple game or practice tape is sufficient with you being easily identified.

CONTACTS

As per NCAA by law 13.02.3, a contact is any face-to-face encounter between a prospect or the prospect's parent or legal guardian and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged or takes place on the grounds of the prospect's high school, or at the site of organized competition or practice involving the prospect's high school, preparatory school, two-year college, or all-star team is considered a contact, regardless of the conversation that occurs. We are limited to three off-campus contacts per prospective student-athlete.

EVALUATIONS

As per NCAA by law 13.02.6.1, an evaluation is any off-campus activity designed to assess the academic qualifications or athletic ability of a prospect, including any visit to a prospect's educational institution (during which no contact occurs) or the observation of a prospect participating in any practice or competition at any size. We are limited in our number of evaluations per prospective student-athlete.

OFFICIAL VISITS

According to NCAA by law 13.7.1.2, a prospect may not make more than five expense-paid visits to NCAA member institutions, regardless of the number of sports in which the prospect is involved. An institution may not provide an expense-paid visit to a prospect who has not presented the institution with a high school (or college) academic transcript and a score from a PSAT, an SAT, a PACTPlus, or an ACT test taken on a national testing date under national testing conditions.

UNOFFICIAL VISITS

According to NCAA by law 13.8.1, a prospect may visit an institution's campus at the prospect's own expense an unlimited number of times and may make an unofficial visit before the prospect's senior year in high school.

 Rob Godfrey - Assistant Coach

2007-08 OUTLOOK

Coming off a winning season, the women's ice hockey team prepares for the 2007-2008 campaign with high expectations. The Crusaders return 17 letter-winners to a team that finished with a 15-10-2 record. "Overall last year we were much more consistent in our play," said eighth year head coach Peter Van Buskirk. "Due to the added talent from the in-coming players we had much more depth which greatly helped us in creating a much steadier performance level throughout the season." Despite a good season last year the Crusaders understand that this is a brand new year and there is work to be done to get to the top of the conference.

Sophomore Captain Lisa Wilson

Junior Stephanie Couzin

Last seasons seniors left the program with 48 total wins. There will be opportunities for players to step up into the positions held by the graduating class. "We only lost two seniors, one of our starting goalies and one of our defensemen," said Van Buskirk. "We will have two freshmen compete to play goal and we have added two very capable defensive players."

The team will look towards its seven seniors Parny Ormiston, Meghan Donovan, Allie DeAngelis, Sam Rush, Casey Harvell, Katie Falkowski and Sam Murphy to lead the team with the experience they have gained in their three years of playing. Van Buskirk believes that "we have an experienced group of seven seniors who will not only be strong players on the ice but are all quality individuals who are leaders off the ice as well."

2007-08 OUTLOOK

Senior Sam Murphy

“Our sophomore class is a strong class and most of them played a lot of minutes last year,” said Van Buskirk. “Wilson is one of our captains and leaders on defense along with Katelyn Doherty. Emalee Blumhagen was limited by an injury last year and will give us added depth this year. Wendy Nobrega, Kathryn Kelley and Kathryn O’Connor played a number of games for us last year. Julia Matthews will give us added depth as a forward.” The experience gained last season by these sophomores will be added to the development of this year’s team and leadership.

Incoming freshman will also be expected to contribute to the success of the season. “The freshmen will make an immediate impact as they did last year,” said Van Buskirk. “We have Emily Henry and Colleen Krmpotich who will strengthen our defense with Christina D’Ambrogio, Louise Hillen and Jocelyn Kratchmer adding talent to our forward corps. Monique Gallant and Lindsay Atkinson will compete to play goal with Alicia Lew as our third goalie.”

Along with the senior leadership, captains Lisa Wilson, Harvell and Rush will also help to lead their team as they have been chosen captains for this season. “Leadership is always important in a team setting,” said Van Buskirk. “We are blessed with three players who are strong leaders and an extended group of mature players who are leaders as well. Casey was an assistant captain last year, Sam is a talented senior forward and Lisa is a sophomore defenseman. All three are take charge individuals leading the Crusaders this year.”

With a small class of juniors it will be up to them to step up to help lead the team as upperclassmen. “The junior class consists of only two players, Stephanie Couzin and Amy McGhee,” said Van Buskirk. “Stephanie was our leading scorer last year and is a member of our first line. Amy got some added experience last year and is always ready when needed.”

Junior Amy McGhee

2007-08 OUTLOOK

Going into the season the strengths of the team will be the experience of having a large group of upperclassmen. “The strength of our team is the experienced play of our returning upper class players and the added talent of our new players,” said Van Buskirk. “We should be much more balanced as a team in the offensive and defensive play of the game and our depth should create a faster level of attack throughout the game than in previous years.”

Sophomore Katelyn Doherty

Sophomore Jackie Flint

The Crusaders will once again compete in the ECAC Division III Women’s East Conference where they will face off against 11 other teams in the league. Van Buskirk believes this year’s conference will be strong. The grouping at the top of our league will be tighter this coming year than in the past, but with hard work he believes the Crusaders are projecting themselves to be one of the top teams in their division. “Our schedule is very similar to last year,” said Van Buskirk. “We do have a more competitive beginning series of games but we are all on the same footing early in the season.”

Van Buskirk is very excited about the season. “Overall we have a committed group of enthusiastic, talented players and I am looking forward to the season.”

The Forwards

Returning 10; Lost 0; Newcomers 3

The Crusaders have the advantage of 10 returning and experienced forwards to lead the offense this year with an addition of three incoming freshmen that will increase the depth of the team. "I'm expecting our forwards to be very aggressive and disciplined in our system of play," said Van Buskirk. "The characteristics of their play are speed, ability to work the corners in the offensive zone, ability to finish and make plays and offensive minded and tenacious on the fore-check."

Returning impact players include Couzin, O'Connor, Kelly, Jackie Flint, Matthews, Rush, McGhee, Harvell, Falkowski and Murphy. The incoming freshmen include Kratchmer and D'Ambrogio. "I expect our first line of Rush, Kratchmer and Couzin to be a very difficult group to defend," said Van Buskirk. "We are fortunate this year to have some depth of ability amongst our forwards so I am expecting us to maintain good consistent pressure on our opponents throughout the game."

The Defensemen

Returning 7; Lost 1; Newcomers 2

This season the Crusaders will have six returning players on defense with two incoming freshmen to strengthen the team's core. Returning to Holy Cross on defense is Ormiston, Donovan, DeAngelis, Wilson, Nobrega, Doherty and Blumhagen. Incoming freshmen include Krmpotich and Henry. "Our defensive units are balanced and have a good combination of talent and experience," said Van Buskirk. "We have back three seniors in Ormiston, DeAngelis and Donovan plus returning veterans in Wilson, Doherty and Blumhagen. Our two first year defenders will play a major role this year. Henry will direct our first group and Krmpotich will play with our second unit."

The Goaltenders

Returning 0; Lost 1; Newcomers 3

With the departure of their top goalies, the goaltender job is open for the taking. Freshmen Atkinson, Lew and Gallant will all be battling it out for the position. "We will be young in the goal this year with three first year goalies," said Van Buskirk. "They will need to focus on keeping the game as simple as possible by concentrating on the basics, playing good angles and controlling rebounds. They have been working hard and I expect they will mature practice by practice and game by game."

COACHING STAFF

PETER VAN BUKIRK HEAD COACH EIGHTH SEASON NEW HAMPSHIRE, '65

Peter Van Buskirk is entering his eighth season as the head coach of the Crusader women's ice hockey team. In addition to his coaching

duties, Van Buskirk serves as the director of Holy Cross' Hart Center. He has accumulated a 84-84-10 record over seven seasons, including a 15-10-2 mark last season. During the 2002-03 season he helped the Crusaders compile a 17-7-1 overall record and win the ECAC Championship title in only their fourth season as a varsity team.

Van Buskirk has been affiliated with the Holy Cross ice hockey program for 26 years. From 1979-88 he served as the men's head coach before returning to the bench as an assistant from 1991-96 and head coach again for the 1996-97 season. Van Buskirk is Holy Cross' second most successful men's coach, with a record of 167-146-8 throughout 10 seasons.

During his tenure, Van Buskirk guided the Crusaders to eight ECAC East playoff appearances and also earned College Coach of the Year in 1993. He reassumed the men's head coaching duties for the 1996-97 season, guiding his squad to a 14-13-0 mark and earning a fourth consecutive trip to the ECAC East Tournament. Prior to coming to Holy Cross, Van Buskirk served as the head coach at Hudson High School from 1973-79. During his tenure, he guided the Hawks to five Central Massachusetts titles, three district crowns and a Division I State Championship in 1978. He began his coaching career as an assistant coach at St. John's High School in 1972.

A 1965 graduate and two-sport athlete at the University of New Hampshire, Van Buskirk served as a lieutenant in the Army Infantry from 1966-68. He also holds his Master's Degree in Education from Boston State College.

Van Buskirk is a member of both the Hudson High School and University of New Hampshire Athletic Hall of Fame.

In addition to coaching, Van Buskirk has served as the director of several hockey schools. From 1976-79, he served as the director of the Los Angeles Hockey School and the Squaw Valley Hockey School.

Holy Cross is renowned for its academic excellence and mentoring-based, liberal arts education in the Jesuit tradition. An exclusively undergraduate institution with just under 2,800 students, Holy Cross is the oldest Catholic college in New England. Founded in 1843 in Worcester, Mass., the campus occupies 174 beautifully landscaped acres, featuring traditional and contemporary architecture, state-of-the-art facilities, and striking views from atop Mount St. James.

Academic life at Holy Cross is serious, challenging and exciting. Student-professor exchanges in the classroom, as well as in countless informal settings, are at the center of academic life at Holy Cross. With a student to faculty ratio of 11 to one, the opportunity for individual attention is readily available. Few classes exceed an enrollment of 40, and most average 19 students.

Holy Cross professors are widely respected in their academic specialties. Many have national reputations for their research and publications, creative performances, recordings and exhibitions. Almost all of the nearly 300 full- and part-time faculty members hold doctoral degrees from some of the finest universities here and abroad.

Among the major academic facilities on campus are Dinand Library (which, along with three other specialized libraries on campus, has total holdings of more than 650,000 volumes); Iris and B. Gerald Cantor Art Gallery (with a regular schedule of world-class exhibitions); Brooks Concert Hall (acclaimed by performers and acoustical experts as one of the finest medium-sized performance spaces in the region); St. Joseph Memorial Chapel (built in 1924 and containing the recently renovated McCooey Chapel on the lower level); Hogan Campus Center (with bookstore, post office, coffee lounge, cafeteria and pub); Carol and Park B. Smith Hall (housing the Center for Religion, Ethics and Culture and the Rehm Library); the Multimedia Resource Center in Edith Stein Hall; and the science complex in Haberlin, O'Neil and Swords Halls.

Coeducational since 1972, Holy Cross enrolls a student body of proven accomplishment. Almost all graduated in the top 20 percent of their high school classes. Most live in 10 residence halls on campus, all fully connected to the college's computer network. Students, elected by their peers, represent their classmates at faculty meetings, on major college committees, and in a consultative

capacity on the appointment and promotion of faculty. There are more than 100 co-curricular offerings on campus and diverse opportunities for innovative academic options such as the first-year program, community-based learning, Washington semester, internships and full-year study abroad.

Holy Cross integrates faith and knowledge with an emphasis on service, in keeping with the Jesuits' commitment to educate "men and women for others." A distinguishing and all-important characteristic of education at Holy Cross is the emphasis placed upon the service of faith and the promotion of justice. The Office of the College Chaplains advises Student Programs for Urban Development (SPUD), which is the largest student organization on campus. More than 450 students are involved in 37 direct-service programs in Worcester.

The athletics program has a storied tradition that continues today with 27 varsity sports and charter membership in the Patriot League, recognized for its development of scholar-athletes. The college sponsors many clubs and intramural sports programs, and has excellent athletics facilities, including a football stadium, a baseball stadium, a new soccer stadium, a hockey rink and the Hart

Recreation Center, home to the basketball, swimming, hockey and volleyball teams. The Smith Wellness Center includes a specialized strength and conditioning facility for varsity student-athletes, as well as aerobic equipment and workout areas for the general student body.

The college offers focused preprofessional advising programs for students interested in medicine and health, law, business and engineering. The results for successful postgraduate study are well-documented:

- Graduates are admitted to medical school at rates better than twice the national average.
- Each year, more than 100 Holy Cross graduates enter law schools accredited by the American Bar Association – one of the highest rates in the nation.
- Holy Cross is in the top three percent of four-year colleges in the number of students going on to earn doctorates.
- Holy Cross students have won Rhodes, Truman and Marshall scholarships, Watson fellowships, Fulbright grants and many other awards.
- More than 10 percent of Holy Cross alumni are currently practicing medicine.

Among the many Holy Cross alumni with stellar records of achievement are a Nobel Laureate; three Pulitzer Prize winners; two members of the Naismith Memorial Basketball Hall of Fame; a U.S. Supreme Court justice; a U.S. Poet Laureate; numerous members of the U.S. Congress; hundreds of journalists, authors and media commentators; and countless CEOs, educators and business and community leaders.

FIRST-YEAR PROGRAM

The innovative first-year program brings together 160 first-year students and a group of distinguished teachers from different disciplines to discover and embrace these connections in a living-and-learning community. Through co-curricular seminars, readings, talks, retreats and excursions, participants explore enduring intellectual and ethical questions. The program's activities are as varied as climbing Mount Monadnock, questioning a panel of distinguished journalists about media ethics, and hearing Branford Marsalis perform. In addition, first-year program students reside together in Hanselman Hall to enhance opportunities for community bonding and building.

COLLEGE HONORS

In the college honors program, academically accomplished students pursue multidisciplinary studies in the natural sciences, social sciences and humanities. Guided by rotating faculty experts, students regularly meet and work to explore how knowledge from different areas can be tested and integrated across disciplines. The program incorporates an honors colloquium – a series of interdisciplinary discussions – and a thesis. Honors students publicly present their findings at the annual academic conference, a highlight of the academic year.

WHAT THE GUIDEBOOKS SAY

- Among the nation's top 50 "most competitive" colleges and universities, as ranked by *Barron's Profiles of American Colleges*.
- Among the nation's top 30 liberal arts colleges according to *U.S. News & World Report*.
- Graduates 91% of students in four years – ranked fourth among the nation's undergraduate, liberal arts colleges; named to *Kaplan's* list of colleges and universities with "Impressive Graduation Rates."
- Listed in the top 20 colleges for academics in *The Princeton Review's* "The Best 351 Colleges."
- *Peterson's Guide to Four-Year Colleges* cites a 95% first-year retention rate.
- Named one of the country's "most beautiful urban campuses" in *Kaplan's National Guidance Counselor Survey*.
- Ranked 15th for "professors who make themselves accessible" in a student survey by *The Princeton Review*.
- Regarding the college's mission, *Kaplan's Guide to the 328 Most Interesting Colleges* says, "The Jesuit tradition of 'being men and women for others' shines at Holy Cross."
- According to *The Insider's Guide to the Colleges*, compiled by the staff of the *Yale Daily News*, the three best things about attending Holy Cross are: "the professors, the beautiful campus and the connections with classmates."
- The *Fiske Guide to Colleges* cites Holy Cross' small class sizes and beautiful campus as "award winners."

WASHINGTON SEMESTER

Each semester, 15 juniors and first-semester seniors are accepted into a highly selective program in the nation's capital. Students work with members of congress or federal agencies, assist advocacy and public policy groups, and explore up-close the arts, history and culture of Washington, D.C. With support from their Holy Cross advisor, students pursue internships that consist of four full work days, and a public policy seminar one night each week. On the fifth weekday, they conduct independent research for their Washington thesis paper.

STUDY ABROAD

Students looking to broaden their Holy Cross experience have an excellent opportunity to do so through the Study Abroad program. Year-long programs provide qualified students with exciting and fully credited extensions of the college's curriculum at participating universities in: Australia, Austria, Cameroon, England, France, Germany, Greece, Ireland, Italy, Japan, Mexico, Peru, Scotland, Spain and Russia. One-semester programs are also available in China and Sri Lanka. Third-year students in good academic standing live with host families, and take courses and exams alongside foreign students in their native language. Deepening the cultural experience, students complete an independent study project in the local community to ensure close interaction with the people of their chosen countries.

COMMUNITY-BASED LEARNING

Through a generous endowment established by its namesake, Joseph P. Donelan II, the Donelan Office of Community-Based Learning provides a directorship to establish connections between courses across the college curriculum with internship sites in the greater Worcester area. In keeping with the college's social mission to prepare students to be "men and women for others," Community-Based Learning enables students to be of service to the community while enhancing their understanding of course material.

Holy Cross has three performance theaters, two art galleries, a concert hall, ballroom, dance studio and a movie theater. There are more than 100 student groups and organizations on campus, including:

- Aerobics

STRENGTH & CONDITIONING

Opened in 1997, the Carol and Park B. Smith Wellness Center is a two-story facility which was built as an addition to the Hart Recreation Center. The wellness center provides state-of-the-art fitness equipment for varsity athletes and all other members of the Holy Cross community.

A \$1.5-million gift from Carol and Park B. Smith (Class of 1954) kicked off the campaign to fund the facility. “Everyone today agrees that fitness is very important,” Smith said in 1997. “I’m confident that this new Wellness Center — whose facilities will be second-to-none — will provide a real benefit to current and future Holy Cross students, teachers and staff.”

With 15,000 square feet, the wellness center provides over four times more space than the college previously had for varsity and community exercise and training, and centralizes athletic equipment and facilities once found in five locations in three campus buildings.

The center houses, on the first level, a highly versatile strength and conditioning center for Holy Cross’ varsity student-athletes. There are areas for speed development programs, as well as for strength and endurance conditioning. The space, which is able to accommodate as many as 60 people at a time, enables Holy Cross’ larger sports teams to work out together, thereby enhancing team unity.

The second floor has been designed for use by all students, faculty and staff. It has two sections: one for aerobic training, and the other for cardiovascular, variable-resistance and strength training. A diverse selection of equipment accommodates users ranging from beginners to advanced athletes. Its south-facing wall is mostly glass, allowing most users a view of the practice fields and the rolling hills of central New England.

The center also offers programs that explore the connections between fitness and wellness, to help students learn how good health can complement and enhance other aspects of their educational experience. An advisory board comprising physicians, fitness and strength trainers, faculty members, psychologists, nutritionists, a college chaplain and others are responsible for creating and coordinating programming for the center.

Holy Cross head strength and conditioning coach Jeff Oliver believes that the wellness center is of the utmost importance to Crusader athletic teams.

“Over the past two decades, college coaches have turned increasingly to strength and conditioning to gain an edge over their opponents,” Oliver said. “And while football may have been the first to grasp the concept, we now train athletes from every varsity sport. The wellness center has been a huge boon to our program.”

With 6,500 square feet of the center devoted solely to varsity athletes, Oliver and his staff to are able to accommodate a much larger number of athletes at one time, allowing teams to train together at times more convenient to their busy schedules as student-athletes.

The state-of-the-art equipment in the wellness center includes:

- Eight multi-purpose power racks, each with over 600 pounds of free weights.
- Seven Olympic lifting platforms with over 375 pounds of rubberized free weights.
- More than 3,000 pounds of dumbbells.
- Eighteen pieces of aerobic equipment.
- Three full sets of plyometric boxes.
- A number of free weight-loaded pieces of equipment to accommodate injured athletes.

“Thanks to the generous donation from the Smiths,” Oliver said, “This facility is state of the art.”

THE CITY OF WORCESTER

Worcester, the economic and social center of central Massachusetts, is New England's third-largest city with a population of 176,000. Holy Cross is one of the area's 13 colleges and universities, which together make an enormous impact on the area's culture and economy. Boston, Springfield, Hartford and Providence are all about a one-hour drive. New York City is about three hours away; Cape Cod and the Atlantic Ocean are less than two hours from Worcester; and the mountains of Vermont and New Hampshire can be reached in about three hours. Skiing is available at nearby Wachusett Mountain, and water sports enthusiasts can enjoy the hundreds of rivers and lakes in the area, including Lake Quinsigamond.

First incorporated as a township in 1722, this settlement 40 miles west of Boston soon became an important transportation center on the Boston Turnpike, linking the capital city with New York and the west. One of America's first internal commercial waterways, the Blackstone Canal, linked the town with Providence to the south and gave direct access to the Atlantic Ocean.

Primarily an industrial city through the mid-20th century, Worcester has emerged as an educational, medical, health care, cultural and entertainment center. An expanded business and commercial base, and the recent addition of a variety of high-technology

companies and growing biotechnology research parks, have made Worcester attractive to expanding companies. Downtown Worcester stands on the brink of a dramatic renaissance with a new hotel attached to the convention center, a new courthouse and major housing and retail projects all in the works.

Worcester is nonetheless predominantly residential in character. More than 1,200 acres of city-owned parkland are found within its 38 square miles. Half of the entire city budget goes for educational purposes, testimony to the values of its inhabitants. Its parklands are among the oldest in the nation, as are its library and music festival. Worcester is a city proud of its past and secure in its future.

Worcester is home to the DCU Center, a 13,000-seat arena that features big-name rock bands; Mechanics Hall, a world renowned venue for opera, jazz, blues and classical concerts; and the Worcester Art Museum, internationally known as one of the finest small museums in the United States. Other museums include the Higgins Armory Museum, a repository of Medieval arms and armor; the Ecotarium, which combines the features of a science museum, a planetarium and a zoo; the headquarters of the American Antiquarian Society; and the Worcester Historical Museum.

After a \$40 million restoration project, the historic Union Station now serves visitors and commuters via MBTA regional service and Amtrak national service.

Worcester has world-class dining, ethnic restaurants, diners, coffee houses, bookstores, shopping, parks and recreation — all within easy reach of campus.

REV. MICHAEL C. MCFARLAND, S.J., PRESIDENT

On July 1, 2000, Rev. Michael C. McFarland, S.J., became the 31st president of the College of the Holy Cross.

Prior to becoming president, Fr. McFarland was Dean of the College of Arts

and Sciences at Gonzaga University in Spokane, Wash. He was at Gonzaga for four years, where he was also a professor of computer science.

Born in Boston in 1948, Fr. McFarland lived for a time in California and later graduated from Xavier High School (now closed) in Concord, Mass. He completed his bachelor's degree in physics at Cornell University in 1969. He later earned a master's degree and Ph.D. in electrical engineering (computer engineering) at Carnegie Mellon University.

Fr. McFarland joined the Jesuits in 1975. He studied at the Weston School of Theology in Cambridge, Mass., and earned a master's degree in divinity and Th.M. in social ethics. He was ordained in the St. Joseph Memorial Chapel at Holy Cross in 1984.

Subsequently, he worked as a consultant for two years at the AT&T Bell Laboratories, doing research in computer-aided design of digital systems. He continued his research while teaching at Boston College for 10 years as an associate professor of computer science. In addition to creating new courses in ethics and computers, computer architecture and digital systems, he created a laboratory for digital electronics and developed tutorial materials for a course on computers in management.

Fr. McFarland has published articles in the Proceedings of the IEEE (the Institute of Electrical and Electronics Engineers); the IEEE Transactions on Computers; the IEEE Transactions on Computer-Aided

Design of Integrated Circuits and Systems; Formal Methods for System Design; the Journal of Systems and Software; Computer; and Technology and Society. He was an associate editor of the IEEE Transactions on Computer-Aided Design of Integrated Circuits and Systems for three years and has been on numerous program committees for conferences such as the Design Automation Conference, the International Conference on Computer Design, the International Conference on Computer-Aided Design and the

High-Level Synthesis Workshop.

In addition to his duties as Holy Cross' president, Fr. McFarland sits on numerous local boards, including the Worcester Catholic Charities Board, the Worcester Municipal Research Bureau and the Board of Trustees at the University of Scranton.

Recently, Fr. McFarland oversaw the most successful capital campaign in school history, raising a total of \$216.3 million.

Fr. McFarland enjoys running six days each week in his free time.

RICHARD M. REGAN, JR., DIRECTOR OF ATHLETICS

Richard M. Regan, Jr., is now in his 10th year as the director of athletics at Holy Cross. Regan, whose tenure began on July 1, 1998, became just the fourth Holy Cross athletic director in the last

50 years. “He is smart, full of energy, skilled in financial management and fully committed to Holy Cross,” said then Holy Cross president Fr. Gerard Reedy, S.J., at the time of Regan’s hiring.

Regan’s first nine years have been productive ones for the Crusaders. During this period of time, 18 Holy Cross teams have advanced to NCAA tournament play — including at least one team in each of his nine seasons. The women’s basketball team has been to the postseason in seven of the last nine years (six NCAA appearances and a WNIT berth in 2002), while the field hockey (1998 and 2000) and women’s soccer (2000) programs have also made NCAA appearances. Regan’s tenure has also seen the first-ever NCAA appearances for the men’s ice hockey (2004 and 2006), men’s soccer (2002) and women’s lacrosse (2006 and 2007) teams. In 1999, Regan hired Ralph Willard as the men’s basketball coach, a move which revitalized the program. The Crusaders have advanced to postseason play in five of the last seven years, and became the first Patriot League team ever to advance to the NCAA tournament in three consecutive seasons (2001, 2002 and 2003).

Success is not measured only by wins and losses, but by other gains as well. In an effort to further increase the number of Crusader teams coached by full-time staff

members, Regan announced the appointment of full-time coaching positions in track, volleyball, women’s lacrosse and softball. Gender equity has been a major focus of Regan’s administration and he introduced the college’s first two new varsity sports in more than 15 years — women’s ice hockey and women’s golf.

Improvements to the athletics facilities have also been part of Regan’s focus. The new Linda Johnson Smith Stadium is home to not only the men’s and women’s soccer teams, but its unique two-sided stands and press facilities provide an additional benefit to home events for field hockey, men’s lacrosse, women’s lacrosse and outdoor track and field.

The baseball team opened a new on-campus stadium beginning in the fall of 2005. And there have been improvements to other facilities as well, such as the softball field, the men’s ice hockey locker room, and a video room for the men’s and women’s basketball teams.

In addition to his duties on campus, Regan has become involved in college athletic policy on a national scale. From 1999-2004, he served a four-year term as a Division I-AA representative on the NCAA Division I Management Council. The Management Council, comprised of 49 athletic administrators and faculty athletic representatives from around the nation, reports directly to the NCAA’s Division I Board of Directors. The council is responsible for adopting operating bylaws and rules to govern Division I, interpreting Division I bylaws, reviewing recommendations from the Division I conferences and universities, and developing and implementing the Division I budget.

Prior to returning to Worcester in July of 1998, Regan worked for NFL International and NFL Europe (formerly the World League of American Football). He joined

the New York office of the World League in 1991 and was based in London beginning in 1992. Over the next several years he lived in London and Edinburgh, and served as managing director of the Scottish Claymores, vice president of European operations and chief operating officer.

When the World League went through a reorganization following the 1992 season, National Football League commissioner Paul Tagliabue appointed Regan as managing director of NFL International, Ltd., to oversee and develop the NFL’s business interests throughout Europe. In that role, he was instrumental in establishing NFL International in Europe and planning and executing the NFL’s American Bowl series of international games in London, Dublin, Barcelona and Berlin.

Regan held the post of managing director of Monarch International, Inc., a licensing and financial consulting firm, for three years before joining the World League.

After graduating from Holy Cross in 1976, Regan spent nine years working for Arthur Andersen & Company in its Boston, Mass., offices, rising to the level of senior manager. He then moved to the NFL with the New England Patriots, where he served in the role of Vice President of Finance from 1985-1988.

His ties to Mount St. James run deep, as he is the third generation of his family to attend Holy Cross. He is the son of Richard M. Regan (Class of 1950), and the grandson of Harold J. Regan (Class of 1917). Regan’s sisters, Mary (Class of 1977) and Ann (Class of 1980), also graduated from Holy Cross. His daughter, Deirdre, graduated from Holy Cross in 2006.

Born in Providence, R.I., Regan and his wife, Judi, have three daughters — Jennifer, Deirdre and Colleen.

ATHLETIC ADMINISTRATION

BILL BELLEROSE **ASSOCIATE A.D.**

Bill Bellerose was named associate director of athletics and business manager of athletics for Holy Cross in November of 1992. A 1977 graduate of Holy Cross with a dual degree in Economics and Accounting, Bellerose handles the day to day financial support of individual teams and the athletic department. He is responsible for preparing and administering the budgets for all 27 varsity sports. Bellerose also handles equipment inventories, and much of Holy Cross' travel and ticket operations.

Prior to his current appointment, Bellerose was the college's purchasing director for four years, coordinating purchases for all departments on campus. From 1988 through 1993, Bellerose also served as the head coach of the Crusader men's ice hockey team. He previously spent time as an assistant coach of the squad from 1977-1988.

During his days as an undergraduate, Bellerose was a member of the ice hockey team. He still ranks eighth all-time in career points (152) and 10th all-time in career goals scored (71). In 2002, Bellerose was inducted into the Holy Cross Varsity Club Hall of Fame.

He and his wife, Susan, reside in Shrewsbury, Mass. with their son, William, Jr., and daughter, Lauren.

ROSEMARY SHEA **ASSOCIATE A.D.**

Now in her 21st year at the college, Rosemary Shea joined the athletic staff shortly after earning a bachelor's degree in English from Holy Cross in 1987. Since 1990 she has served as the athletic department's compliance officer, with responsibility to assure that the college's staff, coaches, and student-athletes understand and comply with NCAA rules and regulations. She monitors eligibility and academic progress for all Holy Cross student-athletes and coordinates an ongoing rules education program for coaches and staff members.

In 2000, Shea was promoted to associate athletic director and added the duties of scheduling for men's sports. She also assists the director of athletics with the overall management of the men's athletic programs.

He and his wife, Joan, reside in Shrewsbury, Mass., with their son, Jacob.

ANN ZELESKY **ASSOCIATE A.D.**

In her 19th year at Holy Cross is Worcester native Ann Zelesky, who is responsible for the administration and scheduling for all the women's programs. In 1995, Zelesky was promoted to associate athletic director.

Zelesky joined the Crusaders in April of 1989 after a highly-successful 13-year coaching career at St. Peter-Marian High School in Worcester. Zelesky's girl's basketball squads posted a 272-54 record, winning eight Central Massachusetts titles, seven district championships and one state crown. Her softball teams were 253-21, capturing 10 Central Massachusetts titles, nine district crowns and five state championships. Zelesky, who also served as St. Peter-Marian's athletic director for nine years, was twice named Massachusetts Coach of the Year for both basketball and softball, and has been inducted into the New England Basketball Hall of Fame.

A 1973 graduate of Worcester State College, Zelesky played volleyball, basketball, field hockey and softball. She began her coaching career at Worcester State following her graduation.

Zelesky resides in Worcester with her two sons, Brian and Kevin.

FRANK MASTRANDREA **ASSISTANT A.D.**

Frank Mastrandrea was named assistant athletic director for marketing and media relations for Crusader athletics in August of 2000. A 1988 graduate of Holy Cross with a bachelor's degree in English, Mastrandrea oversees all marketing and media relations efforts for the athletic department, including all television, radio and internet coverage of all of the athletic programs.

Mastrandrea previously served as the college's director of athletic media relations from 1993-2000. While serving as the director, Mastrandrea was responsible for the publicity and promotion of the school's 27 varsity sports, with his major focus on the football and men's basketball programs.

Mastrandrea earned his law degree from the University of Connecticut School of Law in 1991, and worked for the firm of Updike, Kelley & Spellacy as a litigator from 1991-1993.

He and his wife, Joan, reside in Shrewsbury, Mass., with their son, Jacob.

ATHLETIC ADMINISTRATION

RALPH WILLARD
ASSISTANT A.D.

Ralph Willard has been with the Holy Cross athletic department since 1999 in a dual role as men's basketball coach and assistant athletic director. In his administrative position, Willard is responsible for monitoring and addressing student-athlete welfare issues.

On the coaching side, Willard is just the 14th head coach in the 86-year history of the Crusader men's basketball program, and the seventh Holy Cross alum to hold the position. A 1967 graduate of the college, Willard was a three-year letterwinner and served as the 1966-1967 team captain. In his senior season, the Crusaders posted a 16-9 mark.

Willard has posted a record of 159-89 in his eight seasons at the helm of the Crusaders. He has led Holy Cross to four NCAA tournament berths, one National Invitation Tournament bid, four Patriot League tournament titles and four Patriot League regular season crowns. He is the second-winningest coach in school history, trailing only George Blaney (357-276 / 1972-1994).

Prior to his time at Holy Cross, Willard was the head coach at Pittsburgh and Western Kentucky. He currently owns a 303-213 career coaching record over 17 seasons.

Willard and his wife, Dorothy, have three children, Pamela, Keith and Kevin.
