MISSION STATEMENT

COLLEGE OF THE HOLY CROSS DEPARTMENT OF ATHLETICS

The Mission of the Athletic Department of the College of the Holy Cross is to promote the intellectual, physical, and moral development of students. Through Division I athletic participation, our young men and women student-athletes learn a self-discipline that has both present and long-term effects; the interplay of individual and team effort; pride and self esteem in both victory and defeat; a skillful management of time; personal endurance and courage; and the complex relationships between friendship, leadership, and service. Our athletics program, in the words of the College Mission Statement, calls for "a community marked by freedom, mutual respect, and civility."

Besides teaching these virtues, a few sports played at Holy Cross have the added value of focusing alumni and student support and enhancing our reputation locally and nationally. While Holy Cross continues to commit itself to accomplishment in these sports, which are a rich part of our tradition, we choose to do so in a way that complements the pursuit of academic excellence.

Holy Cross is committed to the guiding principles of the Patriot League, of which we are a founding member: presidential control of athletics; the cultivation of the ideal scholar-athlete; and participation in a wide variety of sports. Commitment to the last principle assures that the College sponsors, in a very evident way, gender equity.

The department of athletics is also committed to compliance with all College policies and regulations involved in Division I membership in the National Collegiate Athletic Association and the Eastern College Athletic Conference. As a member of the NCAA, Holy Cross also advocates student-athlete welfare, diversity, gender equity, sportsmanship, and ethical conduct in its athletic programs.

RECRUITING INFORMATION

CORRESPONDENCE

It is important for prospective student-athletes to get in touch with coach DiCenzo as soon as possible. An e-mail or letter of inquiry into the baseball program will initiate the recruiting process. Recruiting questionnaires for most sports are also available at www.GoHolyCross.com. The spring of your junior year or early senior year is the most appropriate time to contact the coach.

INTERVIEWS

Students are strongly encouraged to have admissions interviews. The office offers interviews from the summer until Dec. 30. Alumni interviews in most metropolitan areas are available. Students must first submit an application and indicate they would like an alumni interview before December 1.

EARLY DECISION

Students who are absolutely, 100 percent confident Holy Cross is their top college choice are encouraged to apply during the early decision process.

FINANCIAL AID

Financial aid is awarded on the basis of need. Prospective student-athletes should complete the CSS Profile Form in early fall.

NCAA ELIGIBILITY CERTIFICATION

The NCAA Eligibility Center certifies academic eligibility and amateurism for all prospective student-athletes who wish to compete in intercollegiate athletics at the Division I or II level. Prospective student-athletes must register

at <https://web1.ncaa.org/eligibilitycenter> and complete the online release form. Prospective student-athletes must arrange for the appropriate national testing agency to send copies of standardized test scores (e.g., SAT or ACT) directly to the NCAA Eligibility Center. Prospects must also complete the amateurism questionnaire. An institution may not provide an official visit to a prospective student-athlete until he or she registers with the NCAA Eligibility Center.

TELEPHONE CALLS

As per NCAA bylaw 13.1.3.1, institutional staff members may not telephone a prospect (or the prospect's relatives or legal guardians) prior to July 1 following the prospect's completion of the junior year in high school. After July 1, institutional staff members may telephone a prospect once per week (measured Sunday through Saturday). The once-per-week limit applies to the entire institution.

VIDEO TAPES

In an attempt to make an accurate assessment as soon as possible, it is recommended that video tapes be forwarded to coach DiCenzo's attention as soon as possible. The video need not be an elaborate production. Some simple game or practice tape is sufficient with you being easily identified.

EVALUATIONS

As per NCAA bylaw 13.02.6.1, an evaluation is any off-campus activity designed to assess the academic qualifications or athletic ability of a prospect, including any visit to a prospect's educational institution (during which no contact occurs) or the observation of a prospect participating in any practice or competition at any size. We are limited in our number of evaluations per prospective student-athlete.

CONTACTS

As per NCAA bylaw 13.02.3, a contact is any face-to-face encounter between a prospect or the prospect's parent or legal guardian and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged or takes place on the grounds of the prospect's high school, or at the site of organized competition or practice involving the prospect's high school, preparatory school, two-year college, or all-star team is considered a contact, regardless of the conversation that occurs. We are limited to three off-campus contacts per prospective student-athlete.

OFFICIAL VISITS

According to NCAA bylaw 13.7.1.2, a prospect may not make more than five expense-paid visits to NCAA member institutions, regardless of the number of sports in which the prospect is involved. An institution may not provide an expense-paid visit to a prospect who has not presented the institution with a high school (or college) academic transcript and a score from a PSAT, an SAT, a PACTPlus or an ACT test taken on a national testing date under national testing conditions. Prospects must be registered with the NCAA Eligibility Center prior to making an official visit.

UNOFFICIAL VISITS

According to NCAA bylaw 13.8.1, a prospect may visit an institution's campus at the prospect's own expense an unlimited number of times and may make an unofficial visit before the prospect's senior year in high school.

FITTON FIELD

Home of the Crusaders for over a century, Fitton Field is one of the finest grass fields in the Northeast. The field has played host to some of the most memorable contests in New England college baseball history.

The Crusader baseball program began in 1876, but it was not until 1905 when Holy Cross played its first game at Fitton. Prior to its 8-5 win over Brown on April 19, 1905, the Crusaders played their home contests at both Driving Park and the Worcester Oval.

Thousands have flocked to Fitton Field to watch the Crusaders over the years. The Holy Cross-Boston College series has attracted some of the largest crowds in New England college baseball history. In 1923, a crowd of more than 22,000 turned out to witness Crusader ace Owen Carroll hurl a five-hitter and lead Holy Cross to a 5-2 win over Boston College. One year later, Carroll pitched a three-hitter with 10 strikeouts as Holy Cross edged the Eagles 3-1 before 20,000 at Fitton.

In a springboard to its 1952 College World Series championship, the Crusaders defeated Boston College 13-3 at Fitton in their final regular season game of that year to earn a trip to Omaha, Neb., for the World Series.

In the spring of 2005, the field was renovated to include lighting and permanent seating for 3,000 spectators.

2010 OUTLOOK

Holy Cross looks toward the 2010 season with excitement, knowing that its potential on the mound and at the plate could not only push the Crusaders toward their third-consecutive Patriot League Tournament appearance, but also their first-ever conference title. The team's three captains — Ryan George, Matt Perry and John Sills — will be counted upon to lift Holy Cross this spring and a core group of other returning position players — headlined by junior Eric Oxford and sophomore Steve Tkowski — will be expected to help energize the offensive front.

While the Crusaders' strength should be split evenly between pitching and batting, the team also has the speed, patience and ability to help Holy Cross make a push toward its third consecutive appearance in the Patriot League Tournament. The Crusaders have made just four postseason appearances since joining the conference and are currently poised to earn head coach Greg DiCenzo his third showing in his third season at the helm. The team ended last year with a 22-27 record and finished third in the Patriot League for the second consecutive season.

Several of Holy Cross' most productive players from last spring return in 2010, giving the Crusaders plenty of reasons to be optimistic.

PITCHERS

Letterwinners Returning/Lost: 8/1

Holy Cross returns the largest number of players in the pitching staff, setting themselves up for a truly seasoned group performing on the mound. The Crusaders will look no further than George and fellow seniors Bobby Holmes and Matt Shapiro to lead the staff.

George returns as the team's go-to closer, as he totaled five saves to lead the team and Patriot League in a total of 20 appearances last season. His number of saves has put him in the Holy Cross record books, as he is now tied with Scott Hampe (2005) for the most saves in a season. He ranked second on the team and in the league for his number of outings, next to fellow Crusader senior Tommy Arrigg. He also finished 2009 with a total of 28 strikeouts in only 20 inning pitched.

"We see Ryan as the one person that we can lean on at any point of the game to get us out of a jam," said DiCenzo. "We have full confidence that he can come in to the game and shut the door whenever he is called upon. He relishes in the closing role, which is huge because at the collegiate level almost every pitcher wants to be a starting pitcher. Ryan truly wants to be the guy we go to late in the game."

After earning his second-consecutive Patriot League All-Tournament team honor last season, Holmes looks to improve upon his late season surge where he allowed just three earned runs in three games at the end of the 2009 slate. The right-hander from Dedham, Mass., went 3-7 in 11 starts, registering 39 strikeouts with 24 walks in 54-2/3 innings pitched.

"I expect Bobby to make a big jump from what he's already done since my arrival," said DiCenzo. "This is a big year for him, especially with his hope to play at the next level, which I think he has a very legitimate chance of doing. We look at him as our number one guy especially with his improving command, control and velocity."

Shapiro is another starter looking to enhance his sound performances from a season ago. Last year, Shapiro recorded a career-high 41 strikeouts in 57-2/3 innings, leading the team. His 2009 numbers continued to grow in almost every category after he won Patriot League Pitcher of the Year honors in 2008. In all, Shapiro made 10 starts, registering a 3-4 record and walking just 16 batters.

"If Matt is half as good as he was numbers wise from two years ago, we'll be in great shape," said DiCenzo. "He has made huge strides in the off-season as far as gaining his strength back and we are certain he will return to the form he was in his sophomore year."

Sophomore Nate Koneski has also experienced success as a starting pitcher at Holy Cross, and the expectation is no different in 2010. As a freshman last spring, Koneski made six starts in 15 appearances, instantly proving that he can handle a starting role. Hailing from North Dighton, Mass., Koneski was invited to play in the prestigious Cape Cod Baseball League over the summer, where

he made three appearances for the Falmouth Commodores. He finished his first year in a Crusaders uniform posting a 2-2 record with a total of 33 strikeouts in 45-1/3 innings pitched.

"Koneski will definitely return for us in the starting rotation this year," DiCenzo said. "He has all the pitches and the right makeup to excel. He's worked extremely hard and we're really excited to see what he brings to the mound his sophomore year."

The fourth spot in the starting rotation has been left open for four players who have the potential to make a major impact. Sophomores John Pedrotty and Matt Croglio, freshman Vaughn Hayward and senior Chris Blanchard will all be factors in the fourth starting role.

"Each one of these guys; Pedrotty, Croglio, Hayward and Blanchard all have what it takes to fill our fourth spot," says DiCenzo. "The biggest thing I'm looking for is consistency and who has the capability to pitch 20 games. All of them can do that."

Other pitchers expected to make a significant impact include Arrigg and freshmen Andrew Boyce, John Colella, Josh Hauser, Chris Kono and Tom Marra. Arrigg made 23 appearances in 2009, tops among Holy Cross' returning arms. The five freshmen, on the other hand, are sure additions to a very deep and seasoned pitching staff.

CATCHERS

Letterwinners Returning/Lost: 1/2

Holy Cross enters the 2010 season with two players who will be a force behind the plate. Sophomore Steve Tkowski made 17 starts at catcher as a freshman in 2009 and is expected to lead the group behind home plate this spring, after ranking second on the team with a .385 batting average last season. In addition, the Crusaders welcome freshmen Stephen Wadsworth. Wadsworth comes to Holy Cross from Wayland, Mass. after playing three years of varsity baseball at Buckingham, Browne & Nichols. He was named ISL Offensive Player of the Year after batting .596 as a senior.

"I see Wadsworth as getting instant playing time behind the dish for us," said DiCenzo. "He's a big, strong kid that will also help us offensively. Tkowski is also a big factor in our offense and I see the two of them excelling on both defensive and offensive sides of the playing field."

INFELDERS

Letterwinners Returning/Lost: 4/3

The Crusaders' infield features depth at each position, as each spot can feature a number of different players on the roster. At third base, Holy Cross is led by the reigning Patriot League Player of the Year, senior captain Matt Perry. Perry completed last season leading the team and Patriot League in both batting average (.423) and on-base percentage (.491), and tallied a career-high 77 hits, ranking first amongst Holy Cross single-season records.

"We're very balanced around our infield, starting at third base with Matt," DiCenzo said. "Perry is a very exciting player,

**JOHN
SILLS**

2010 OUTLOOK

particularly from the offensive standpoint. Matt is a veteran guy, and it's tough to try and change up the position of a conference player of the year."

Holy Cross is equally encouraged by its two primary options at shortstop and second base – freshman Alex Maldonado and senior captain John Sills. Maldonado comes to Holy Cross from Brooklyn, N.Y., where he played two years of varsity baseball at Xaverian High School. In his career, Maldonado batted .423 with a .527 on-base percentage and stole 105 bases, adding a new source of speed for the Crusaders. Returning as a tri-captain for the second straight year, Sills will come back as the team's primary option at second base, having played in a total of 115 collegiate contests. Sills is expected to push for a superior senior year, as he recorded career-highs in hits (53) and RBI (31) in his junior year. Hailing from Milton, Mass., Sills has displayed terrific hands on the infield as a very smooth defender. Senior Chris Blanchard will also be used primarily in the four-man infield rotation. Blanchard played in 15 games around the infield last spring, also splitting time as a pitcher.

"From a defensive standpoint, Alex will help us up the middle right away," DiCenzo said. "He and John had productive falls, and I feel like I can rely on them to get the job done for us in season. Chris will definitely get a lot of playing time for us this spring too as he is one of the most athletic guys we have."

Junior Eric Oxford returns as the team's starting first baseman after spending both his freshman and sophomore campaigns at that spot. Oxford, a Danvers, Mass., native, enters the season as one of Holy Cross' most experienced hitters. He has batted at least .280 in each of his two seasons, highlighted by a career-high .324 average

his freshman year. Last year, he ranked first on the team offensively in RBI (45) and home runs (10) and defensively with 436 putouts. His 10 home runs and 436 putouts rank first in the Holy Cross single-season record books while his 45 RBI rank second.

"Eric is our mainstay at first base," DiCenzo said. "He's a great hitter and takes pride in his defense around the bag. We have depth at the position from our freshmen, but Oxford is the guy we'll lean on every game."

OUTFIELDERS

Letterwinners Returning/Lost: 5/1

Just like the infield, the 2010 Holy Cross roster features a number of players that could be ready at anytime to fill the three outfield spots. The depth that the team possesses at these positions has the Crusaders excited about their potential. Three letterwinners return as the team's go-to players for the outfield positions and include juniors Jack Laurendeau, Brendan McCrea and sophomore Chris Sintetos.

McCrea will fill the centerfield spot for the third straight year and provides the team with a huge defensive edge after posting a .965 fielding percentage last year. He made 48 appearances in 2009 and finished with a .304 batting average, third-highest on the team. He scored 29 runs, hit 12 doubles, one triple and had 22 RBI in 161 at-bats.

"From a defensive standpoint, Brendan is one of the best defensive players that I have ever been able to coach," DiCenzo said. "He has definitely solidified himself as our starting centerfielder."

**BRENDAN McCREA &
JACK LAURENDEAU**

2010 OUTLOOK

Laurendeau has emerged as a guy who communicates with the rest of the outfield in big ways and is a player who puts in a tireless work ethic who knows how to get the job done. He batted .261 with 14 RBI as a sophomore and figures to have an even more productive campaign as a junior. He also led the team with a perfect fielding percentage, not making a single error in 46 appearances.

Sintetos was the Crusaders' primary defensive replacement in the outfield during his freshman campaign and has settled in to the starting leftfield role after proving his offensive importance over the fall.

"Jack can cover a lot of ground for us out there in right field," said Diczno. "He does a great job from the defensive standpoint. Chris has brought great value to our team offensively. He has one of the most natural swings on our roster and I'm expecting to play him quite a bit."

Junior Nick Ciardello will also push for playing time in the outfield after making 35 starts as a utility player last season. He also adds an impressive bat to the lineup as he finished with a .248 batting average, recording 26 hits, including six doubles and four home runs and 22 RBI in 105 at-bats over 2009.

"Nick is a guy who can play a little of everything. I can put him at first base, use him as a designated hitter and he also works well in left field. I expect him to see some time out there as well," said DiCenzo.

SCHEDULE

Known for playing in a good balance of non-conference and conference games, Holy Cross' 2010 slate remains challenging. While the typical early-season Florida trip is not on the schedule, the team begins competition on the road in warm-weather Georgia and South Carolina, taking on Georgia Southern, the College of Charleston, Savannah State and Charleston Southern. In all, Holy Cross will play 31 games on the road and 18 at home. The Crusaders' 20-game Patriot League slate, in addition to a strong selection of non-conference midweek games, should help prepare the team for a strong postseason run.

"I think we have a really good mix of non-conference games," DiCenzo said. "I don't think we've put ourselves in a vice early on in the season, like going to Arizona, but we do have games against some very competitive teams on a national level. It is those non-conference games that will prepare us greatly for our games in the Patriot League."

The 2010 season opens on the road with contests against the four southern schools already mentioned from Feb. 27-March 5. The team will then head a bit north to take on Delaware the weekend of March 13-14. Holy Cross follows that weekend with a doubleheader at Siena on March 17 before hosting their first home game against Quinnipiac on March 20. After a mix of home and

away games against the more locally-based Connecticut, Boston College, NJIT, Massachusetts and Harvard, the Crusaders will open Patriot League play with a four-game home set against Army on April 3-4.

Holy Cross' conference slate at home will also feature a four-game series against Lafayette on April 17-18. The Crusaders will hit the road in conference play to face Bucknell, Navy and Lehigh. As has been the custom, Holy Cross' schedule will be lined with Tuesday and Wednesday games against out-of-state non-conference foes, including Hartford, Marist, Central Connecticut, Dartmouth, Brown and Yale.

"I think this schedule allows us to win more games than we did last year, and we're excited to get the season going," DiCenzo said. "Ultimately, we want to improve in every aspect from the way we did things last year. We want to come to the park every day and get better, with the idea in our heads that we will make the Patriot League Tournament."

GREG DiCENZO HEAD COACH THIRD SEASON ST. LAWRENCE, '98

Greg DiCenzo is now in his third season as the head baseball coach at the College of the Holy Cross in 2010. The 18th head coach in the history of the program, DiCenzo has continued to bring the Crusaders to new heights during his first two years on the job.

In his first season at Holy Cross, DiCenzo was named the 2008 Patriot League Coach of the Year, as the Crusaders qualified for the Patriot League Tournament for the first time since 2001 and for the third time in the program's history. He became only the second coach to ever be named the league's coach of the year in his first season. Holy Cross had a 21-28 overall record (11-9 in Patriot League play) marking the first 20-win season since 1980. Also for the first time in school history a Holy Cross pitcher was named the Patriot League Pitcher of the Year as Matt Shapiro earned the honor.

In DiCenzo's second season at the helm, Holy Cross again continued its trend of "firsts" in the program. The Crusader ball club was able to qualify for the Patriot League Tournament for the second year in a row and the first time in back-to-back seasons in the history of the program. 2009 also became the first time in program history that Holy Cross finished the season with a winning record in Patriot League play in back-to-back seasons, the first time they finished tied for first place in the Patriot League loss column and the first time since the 1922-1923 season that Holy Cross baseball boasted back-to-back 20+ win seasons. The 2009 season marked just the third time in program history that the Patriot League Player-of-the-Year (Junior - Matt Perry) donned the purple and white. Posting their highest regular season win total since 1978, Holy Cross baseball also set new single-season records for runs, hits, doubles, homeruns, runs batted in and total bases.

DiCenzo came to Holy Cross from Northeastern University, where he served as the pitching coach and recruiting coordinator for five seasons. During his time at Northeastern, the Huskies won the America East Tournament and advanced to the Baton Rouge Regional in 2003. While they won the America East Regular Season Championship in 2004 and 2005, the NU pitching staff set the school record for strikeouts in DiCenzo's first four seasons as pitching coach. He had two pitchers earn America East Pitcher of the Year honors and four of his pitchers were selected in the Major League Baseball Draft, including Adam Ottavino who was drafted in the first round by the St. Louis Cardinals in 2006. Additionally, six other positional players had been drafted or signed to professional

DiCenzo was also an assistant coach for the Falmouth Commodores of the prestigious Cape Cod Baseball League for four seasons from 2002-2005. While on the Cape, DiCenzo had the opportunity to work with many of the top collegiate baseball players in the country, including the likes of David Aardsma, Matt Antonelli, Cliff Pennington, Jacoby Ellsbury, Jensen Lewis and Brian Bock.

A native of Duxbury, Mass., DiCenzo earned three degrees from St. Lawrence University with a Bachelor of Science Degree (1998), a Masters Degree in Education (2000) and a Masters Degree in Education Administration (2002). He spent four seasons on the baseball coaching staff at his alma mater and two seasons as an assistant football coach. In baseball, he was an assistant coach for three seasons and served as interim head coach in 2002. As an athlete, DiCenzo was a four-year member of the St. Lawrence baseball team, captaining the team as a senior. He was also a one-year member of St. Lawrence's men's soccer team, and a four-time all-conference kicker and punter for the school's football team.

TRADITION OF EXCELLENCE

The following pages provide many highlights from Holy Cross' distinguished 123 seasons of baseball history, along with important dates during those years.

THE EARLY YEARS (1876-1894)

In the early years, the Holy Cross baseball team only played one game every year until 1890. In 1890, the Crusaders were provided with their first schedule of any kind, consisting of five games. In 1893, the Crusaders boosted the schedule to 16 games, finishing with an 11-5 record.

OTHER HIGHLIGHTS:

- **June 10, 1876** – Holy Cross loses to Brown, 16-5, in their first baseball game at Driving Park in Worcester, Mass.
- **June 5, 1877** – Holy Cross defeated Brown 3-2 for their first-ever victory.
- **May 30, 1893** – In the first baseball game ever played on the Holy Cross campus, the Crusaders defeated Georgetown, 4-2.

THE RISE TO STARDOM (1895-1899)

When Mike “Doc” Powers ’97 discovered **Louis Sockalexis ’97** on the Penobscot Indian reservation in Oldtown, Maine, he never imagined that he would be bringing Holy Cross one of its most legendary athletes. Sockalexis stunned students, fans and major league scouts with his baseball prowess. Famed to be the hardest hitter and fleetest fielder of his day, Sockalexis batted .436 and .444 during the 1895 and 1896 seasons with the Crusaders. He also set a long-standing world record of throwing a baseball the distance of 393 feet and 8 inches (131 yards). At the completion of his second season, “Sock” signed a contract with the Cleveland Spiders, who, out of deference to the full-blooded Indian, changed their name to the Cleveland Indians before he even wore the big league uniform. The 1896 season started the Crusaders rise to dominance. The Purple and White squad finished 19-7-1 and sent a record six players to the major leagues. The 1897 Crusaders, produced seven .300 hitters, including **William H. Fox ’00**, who batted .390 that season and set a world record by rounding the bases in 13.4 seconds.

HC's first 20-win season came in 1908 on a team captained by the immortal **Jack Barry '10**. Barry was drafted by Connie Mack's Philadelphia Athletics as a sophomore. Barry went on to become a member of Mack's \$100,000 infield, which included first baseman Stuffie McInnis, second baseman Eddie Collins and third baseman Frank “Home Run” Baker. During his eight seasons with the A's, Barry played on four pennant-winning teams and three world champions. Mack called him “the greatest shortstop there ever was.” The Crusaders played their first exhibition game against a professional team in 1913, against the defending World Champion Boston Red Sox at Fenway Park.

TRADITION OF EXCELLENCE

EASTERN DOMINANCE (1914-1920)

In the years from 1914 to 1920, Holy Cross won the Eastern Intercollegiate Championship three times and the New England Championship once in 1918. The Crusaders went 120-35-2 in those seven years. In 1917, Hall-of-Fame player, and three-time National League batting champion, **Jesse Burkett** took over the reins as head coach for the second time. Burkett guided the Crusaders to three consecutive 20-win seasons in 1917, 1918 and 1919. The 1917 club dominated opponents, batting a combined .302 for the season versus a .171 batting average for their opponents and outscoring them 176 runs to 59 runs. Each of the starting nine of the 1919 squad were awarded All-East berths (six on the first team and three on the second team). Burkett retired from HC after only four seasons, compiling an outstanding 88-12-1 record.

OTHER HIGHLIGHTS:

THE RETURN OF JACK BARRY (1921-1950)

Following the 1920 season, Holy Cross found the perfect man to head the Purple nine, a former HC star newly retired from professional baseball and the Navy, **Jack Barry**. Barry led the Crusaders to glory as a player in the early 1900s, and now sought to do the same as a coach. In his first season, Barry guided the Crusaders to a school-record 30 wins and their fourth Eastern Intercollegiate Championship. The 284 runs pushed across the plate in 33 games by the 1921 Crusaders, an average of 8.60 runs per game, are the most runs scored by any HC team in history. After a 24-5 second season, Barry and the Crusaders won another Eastern Championship in 1923, going 28-2-1. During that season, a total of 65,554 fans came to see Holy Cross play Boston College three times. In 1924, HC compiled a perfect 18-0 record. Leading the way for the Cross was pitching ace **Owen Carroll ‘25**, who was judged by historians to be the best pitcher in college baseball of all-time. Over his four year career on the Hill, Carroll compiled a record of 50-2, threw 16 shutouts, and helped earn three championships. Holy Cross again won the Eastern Championship in 1926, and then three-in-a-row from 1928-1930. The Crusaders registered a 42-3 record in 1935 and 1936 and won two more championships. HC won back-to-back Eastern Championships again in 1940 and 1941, going 15-1 and 14-3 respectively. The 1942 season was interrupted by the United States involvement in World War II and competition did not return to normal until 1947.

BUILDING A NATIONAL CHAMPION (1951-1960)

Holy Cross finished the 1952 regular season 15-2 and received the College's first invitation to the sixth-ever College World Series in Omaha, Neb. Holy Cross became the first eastern school to capture the NCAA College World Series behind a "dream team" of players. Five players were named to the first team All-District 1, while pitcher **Jim O'Neill '52** and outfielder **Johnny Turco '52** were on the American Association of Baseball Coaches' All-America Team. O'Neill, who was presented with the MVP trophy, became the first pitcher in the history of the College World Series to win three games in series play. The Crusaders made the NCAA tournament each of the next three seasons, but lost their first game each year. HC returned to the College World Series in 1958, winning its first two games before dropping two-straight to Missouri and USC, but finished ranked third in the nation. It was HC's highest ranking since the 1952 National Championship team. The 1960 club went 12-5 and returned to the NCAA tournament for the sixth time in nine years in Jack Barry's final season at the helm of the Crusaders. Barry finished with a 616-150-6 record over 39 years.

CONTINUED SUCCESS (1961-1970)

The Crusaders suffered their first losing season in 93 years going 6-10 in Riopel's first season. Holy Cross rebounded in 1962 and 1963 with 21-5 and 13-10 records and earned the Cross' first and only consecutive invites to the College World Series. THE WHALEN ERA (1971-1998)

John "Jack" Whalen '48 became HC's skipper in 1971. A two-sport standout during his time at the Cross, Whalen played for Jack Barry and Doggie Julian, two of HC's most legendary coaches. He took teams that were 37-62 in his first four seasons and recorded the school's 15th 20-win season in 1975 and first since 1962. The 1978 squad earned a 27-14-2 record, placing second in the ECAC tournament and falling to St. John's in the NCAA tournament. Whalen led HC to the ECAC tournament three more times in 1980, 1986, and 1991. Whalen's 343 career coaching victories rank second most in HC history.

Pearl also earned Patriot League Coach of the Year accolades during the 1999 and 2001 seasons. In 2002, Pearl stepped down to concentrate as head coach of the Holy Cross men's ice hockey program, and was replaced by **Fran O'Brien**. O'Brien served as head coach for three seasons (2002-2004) on the Hill, after working with the team as an assistant coach from 1999-2001. He compiled a 38-73-1 (.344) record before retiring. Head coach **Craig Najarian** (Saint Anselm '95) then stepped in, after serving as associate head coach to O'Brien in 2004, and as assistant coach in 2002 and 2003. After two seasons as head coach, Najarian turned over the reigns of the program to current head coach Greg DiCenzo, who was named the 18th head coach on July 2, 2007. DiCenzo came to Holy Cross from Northeastern, where he served as the pitching coach and recruiting coordinator for the prior five seasons. Since taking over, DiCenzo has led his club to back-to-back appearances in the Patriot League tournament and has compiled a 43-56 record. 1952 NCAA CHAMPIONS

In the late spring of 1952, under the direction of the legendary John J. Barry, the Holy Cross baseball team staged a magical march to the NCAA Championship. Led by fleet-footed outfielder **Johnny Turco** and pitching sensations **Jim O'Neill** and **Ron Perry**, the Crusaders advanced to their first-ever post-season tournament with a 15-2 regular-season record.

At the sixth-annual double-elimination tournament in Omaha, Neb., the small eastern college quickly proved it belonged with a 5-1 opening round win over Western Michigan. But on day two, Holy Cross was forced to fight its way out of the loser's bracket after suffering a heartbreaking 1-0 loss to Missouri. **Jackie Lonergan** pitched perfect ball against Missouri, but after one error and a bad throw in the seventh, **Jack Concannon** made his first error in 80 chances and the winning run scored without a hit. With one out in the eighth, Lonergan was touched up for his first and only hit of the game.

Facing elimination, sophomore hurler Ron Perry held a powerful Texas team in check until the Crusaders could push the winning run across in the bottom of the eighth inning. Holy Cross then defeated Western Michigan 15-3 and Penn State 15-4 on Sunday, June 15 to earn the right to meet Missouri in the finals.

Needing a pair of wins to capture the title, Holy Cross scored five runs in the top of the sixth inning and received a complete game from Ron Perry en route to a 7-3 win in the first game. On Tuesday evening, June 17, the Crusaders erased a 4-3 Missouri lead with three runs in the seventh and two in the ninth to capture the College World Series title. Jim O'Neill, who earned MVP honors, became the first pitcher in NCAA history to win three games in the tournament.

ABOUT HOLY CROSS

Holy Cross is renowned for its academic excellence and mentoring-based, liberal arts education in the Jesuit tradition. An exclusively undergraduate institution with just over 2,800 students, Holy Cross is the oldest Catholic college in New England. Founded in 1843 in Worcester, Mass., the campus occupies 174 beautifully landscaped acres, featuring traditional and contemporary architecture, state-of-the-art facilities, and striking views from atop Mount St. James.

Academic life at Holy Cross is serious, challenging and exciting. Student-professor exchanges in the classroom, as well as in countless informal settings, are at the center of academic life at Holy Cross. With a student to faculty ratio of 10 to one, the opportunity for individual attention is readily available. Few classes exceed an enrollment of 40, and most average 19 students.

Holy Cross professors are widely respected in their academic specialties. Many have national reputations for their research and publications, creative performances, recordings and exhibitions. Almost all of the approximately 300 full- and part-time faculty

members hold doctoral degrees from some of the finest universities here and abroad.

Among the major academic facilities on campus are Dinand Library (which, along with three other specialized libraries on campus, has total holdings of more than 650,000 volumes); Iris and B. Gerald Cantor Art Gallery (with a regular schedule of world-class exhibitions); Brooks Concert Hall (acclaimed by performers and acoustical experts as one of the finest medium-sized performance spaces in the region); St. Joseph Memorial Chapel (built in 1924 and containing the recently renovated McCooey Chapel on the lower level); Hogan Campus Center (with bookstore, post office, coffee lounge, cafeteria and pub); Carol and Park B. Smith Hall (housing the Center for Religion, Ethics and Culture and the Rehm Library); the Multimedia Resource Center in Edith Stein Hall; and the science complex in Haberlin, O'Neil and Swords Halls.

Coeducational since 1972, Holy Cross enrolls a student body of proven accomplishment. Almost all graduated in the top 20 percent of their high school classes. Most live in 10 residence halls

ABOUT HOLY CROSS

on campus, all fully connected to the college's computer network. Students, elected by their peers, represent their classmates at faculty meetings, on major college committees, and in a consultative capacity on the appointment and promotion of faculty. There are more than 100 co-curricular offerings on campus and diverse opportunities for innovative academic options such as the first-year program, community-based learning, Washington semester, internships and full-year study abroad.

Holy Cross integrates faith and knowledge with an emphasis on service, in keeping with the Jesuits' commitment to educate "men and women for others." A distinguishing and all-important characteristic of education at Holy Cross is the emphasis placed upon the service of faith and the promotion of justice. The Office of the College Chaplains advises Student Programs for Urban Development (SPUD), which is the largest student organization on campus. More than 450 students are involved in 37 direct-service programs in Worcester.

The athletics program has a storied tradition that continues today with 27 varsity sports and charter membership in the Pa-

triot League, recognized for its development of scholar-athletes. The college sponsors many club and intramural sports programs, and has excellent athletics facilities, including a football stadium, a baseball stadium, a soccer stadium, a hockey rink and the Hart Recreation Center, home to the basketball, swimming and hockey teams. The Smith Wellness Center includes a specialized strength and conditioning facility for varsity student-athletes, as well as aerobic equipment and workout areas for the general student body.

The college offers focused preprofessional advising programs for students interested in medicine and health, law, business and engineering. The results for successful postgraduate study are well-documented:

- Graduates are admitted to medical school at rates better than twice the national average.
- Each year, more than 100 Holy Cross graduates enter law schools accredited by the American Bar Association – one of the highest rates in the nation.
- Holy Cross is in the top three percent of four-year colleges in the number of students going on to earn doctorates.
- Holy Cross students have won Rhodes, Truman and Marshall scholarships, Watson fellowships, Fulbright grants and many other awards.
- More than 10 percent of Holy Cross alumni are currently practicing medicine.

Among the many Holy Cross alumni with stellar records of achievement are a Nobel Laureate; three Pulitzer Prize winners; two members of the Naismith Memorial Basketball Hall of Fame; a U.S. Supreme Court justice; a U.S. Poet Laureate; numerous members of the U.S. Congress; hundreds of journalists, authors and media commentators; and countless CEOs, educators and business and community leaders.

UNIQUE PROGRAMS

MONTSERRAT

All first-year students are part of a challenging academic and co-curricular program called Montserrat. Embracing the excitement and discovery of living and learning at Holy Cross, this program — expressly designed for first-year students — integrates academic, co-curricular and residential experiences in unique ways. One of the cornerstones of a Holy Cross education is the commitment to Jesuit values. So it is fitting that the program is named after the mountain in Spain where, in 1522, St. Ignatius of Loyola (the founder of the Jesuit order) decided to begin a new life. Students entering Holy Cross are also beginning a new chapter of their lives — and Montserrat provides experiences in and out of the classroom to enhance their journey, while supplying the tools to climb to new places.

COLLEGE HONORS

In the college honors program, academically accomplished students pursue multidisciplinary studies in the natural sciences, social sciences and humanities. Guided by rotating faculty experts, students regularly meet and work to explore how knowledge from different areas can be tested and integrated across disciplines. The program incorporates an honors colloquium — a series of interdisciplinary discussions — and a thesis. Honors students publicly present their findings at the annual academic conference, a highlight of the academic year.

WASHINGTON SEMESTER

Each semester, 15 juniors and first-semester seniors are accepted into a highly selective program in the nation's capital. Students work with members of congress or federal agencies, assist advocacy and public policy groups, and explore up-close the arts, history and culture of Washington, D.C. With support from their Holy Cross advisor, students pursue internships that consist of four full work days, and a public policy seminar one night each week. On the fifth weekday, they conduct independent research for their Washington thesis paper.

STUDY ABROAD

Students looking to broaden their Holy Cross experience have an excellent opportunity to do so through the Study Abroad program. Year-long programs provide qualified students with exciting and fully credited extensions of the college's curriculum at participating universities in: Australia, Austria, Cameroon, England, France, Germany, Greece, Ireland, Italy, Japan, Mexico, Peru, Scotland, Spain and Russia. One-semester programs are also available in China and Sri Lanka. Third-year students in good academic standing live with host families, and take courses and exams alongside foreign students in their native language. Deepening the cultural experience, students complete an independent study project in the local community to ensure close interaction with the people of their chosen countries.

COMMUNITY-BASED LEARNING

Through a generous endowment established by its namesake, Joseph P. Donelan II, the Donelan Office of Community-Based Learning provides a directorship to establish connections between courses across the college curriculum with internship sites in the greater Worcester area. In keeping with the college's social mission to prepare students to be "men and women for others," Community-Based Learning enables students to be of service to the community while enhancing their understanding of course material.

STRENGTH & CONDITIONING

Opened in 1997, the Carol and Park B. Smith Wellness Center is a two-story facility which was built as an addition to the Hart Recreation Center. The wellness center provides state-of-the-art fitness equipment for varsity athletes and all other members of the Holy Cross community.

A \$1.5-million gift from Carol and Park B. Smith (Class of 1954) kicked off the campaign to fund the facility. "Everyone today agrees that fitness is very important," Smith said in 1997. "I'm confident that this new Wellness Center — whose facilities will be second-to-none — will provide a real benefit to current and future Holy Cross students, teachers and staff."

With 15,000 square feet, the wellness center provides over four times more space than the college previously had for varsity and community exercise and training, and centralizes athletic equipment and facilities once found in five locations in three campus buildings.

On the first level, the center houses a highly versatile strength and conditioning center for Holy Cross' varsity student-athletes. There are areas for speed development programs, as well as for strength and endurance conditioning. The space, which is able to accommodate as many as 60 people at a time, enables Holy Cross' larger sports teams to work out together, thereby enhancing team unity.

The second floor has been designed for use by all students, faculty and staff. It has two sections: one for aerobic training, and the other for cardiovascular, variable-resistance and strength training. A diverse selection of equipment accommodates users ranging from beginners to advanced athletes. Its south-facing wall is mostly glass, allowing most users a view of the practice fields and the rolling hills of central New England.

The center also offers programs that explore the connections between fitness and wellness, to help students learn how good health can complement and enhance other aspects of their educational experience. An advisory board comprising physicians, fitness and strength trainers, faculty members, psychologists, nutritionists, a college chaplain and others are responsible for creating and coordinating programming for the center.

Holy Cross head strength and conditioning coach Jeff Oliver believes that the wellness center is of the utmost importance to Crusader athletic teams.

"Over the past two decades, college coaches have turned increasingly to strength and conditioning to gain an edge over their opponents," Oliver said. "And while football may have been the first to grasp the concept, we now train athletes from every varsity sport. The wellness center has been a huge boon to our program."

With 6,500 square feet of the center devoted solely to varsity athletes, Oliver and his staff are able to accommodate a much larger number of athletes at one time, allowing teams to train together at times more convenient to their busy schedules as student-athletes.

The state-of-the-art equipment in the wellness center includes:

- Eight multi-purpose power racks, each with over 600 pounds of free weights.
- Seven Olympic lifting platforms with over 375 pounds of rubberized free weights.
- More than 3,000 pounds of dumbbells.
- Eighteen pieces of aerobic equipment.
- Three full sets of plyometric boxes.
- A number of free weight-loaded pieces of equipment to accommodate injured athletes.

"Thanks to the generous donation from the Smiths," Oliver said, "This facility is state of the art."

THE CITY OF WORCESTER

Worcester, the economic and social center of central Massachusetts, is New England's third-largest city with a population of 175,500. Holy Cross is one of the area's 13 colleges and universities, which together make an enormous impact on the area's culture and economy. Boston, Springfield, Hartford and Providence are all about a one-hour drive. New York City is about three hours away; Cape Cod and the Atlantic Ocean are less than two hours from Worcester; and the mountains of Vermont and New Hampshire can be reached in about three hours. Skiing is available at nearby Wachusett Mountain, and water sports enthusiasts can enjoy the hundreds of rivers and lakes in the area, including Lake Quinsigamond.

First incorporated as a township in 1722, this settlement 40 miles west of Boston soon became an important transportation center on the Boston Turnpike, linking the capital city with New York and the west. One of America's first internal commercial waterways, the Blackstone Canal, linked the town with Providence to the south and gave direct access to the Atlantic Ocean.

Primarily an industrial city through the mid-20th century, Worcester has emerged as an educational, medical, health care, cultural and entertainment center. An expanded business and commercial base, and the recent addition of a variety of high-technology

companies and growing biotechnology research parks, have made Worcester attractive to expanding companies. Downtown Worcester stands on the brink of a dramatic renaissance with a new hotel attached to the convention center, a new courthouse and major housing and retail projects all in the works.

Worcester is nonetheless predominantly residential in character. More than 1,200 acres of city-owned parkland are found within its 38 square miles. Half of the entire city budget goes for educational purposes, testimony to the values of its inhabitants. Its parklands are among the oldest in the nation, as are its library and music festival. Worcester is a city proud of its past and secure in its future.

Worcester is home to the DCU Center, a 13,000-seat arena that features big-name rock bands; Mechanics Hall, a world renowned venue for opera, jazz, blues and classical concerts; and the Worcester Art Museum, internationally known as one of the finest small museums in the United States. Other museums include the Higgins Armory Museum, a repository of Medieval arms and armor; the Ecotarium, which combines the features of a science museum, a planetarium and a zoo; the headquarters of the American Antiquarian Society; and the Worcester Historical Museum.

After a \$40 million restoration project, the historic Union Station now serves visitors and commuters via MBTA regional service and Amtrak national service.

Worcester has world-class dining, ethnic restaurants, diners, coffee houses, bookstores, shopping, parks and recreation — all within easy reach of campus.

ATHLETIC ADMINISTRATION

RICHARD M. REGAN, JR., DIRECTOR OF ATHLETICS

Richard M. Regan, Jr., is now in his 12th year as the director of athletics at Holy Cross in 2009-2010. Regan, whose tenure began on July 1, 1998, became just the fourth Holy Cross athletic director in the last 50 years. “He is smart, full of energy, skilled in financial management and fully committed to Holy Cross,” said then Holy Cross president Fr. Gerard Reedy, S.J., at the time of Regan’s hiring.

Regan’s first 11 years have been productive ones for the Crusaders. During this period of time, 18 Holy Cross teams have advanced to NCAA tournament play — including at least one team in each of his first nine seasons. The women’s basketball team has been to the postseason in seven of the last 11 years (six NCAA appearances and a WNIT berth in 2002), while the field hockey (1998 and 2000) and women’s soccer (2000) programs have also made NCAA appearances. Regan’s tenure has also seen the first-ever NCAA appearances for the men’s ice hockey (2004 and 2006), men’s soccer (2002) and women’s lacrosse (2006 and 2007) teams. In 1999, Regan hired Ralph Willard as the men’s basketball coach, a move which revitalized the program. The Crusaders have advanced to postseason play in five of the last nine years, and became the first Patriot League team ever to advance to the NCAA tournament in three consecutive seasons (2001, 2002 and 2003).

Success is not measured only by wins and losses, but by other gains as well. In an effort to further increase the number of Crusader teams coached by full-time staff members, Regan announced the appointment of full-time coaching positions in track, volleyball, women’s lacrosse and softball. Gender equity has been a major focus of Regan’s administration and he introduced the college’s first two new varsity sports in more than 15 years — women’s ice hockey and women’s golf.

Improvements to the athletics facilities have also been part of Regan’s focus. The new Linda Johnson Smith Stadium is home to not only the men’s and women’s soccer teams, but its unique two-sided stands and press facilities provide an additional benefit to home events for field hockey and outdoor track and field. In 2009, a new synthetic turf facility was opened for use by the football, men’s lacrosse and women’s lacrosse teams.

The baseball team opened a new on-campus stadium beginning in the fall of 2005. And there have been improvements to other facilities as well, such as the softball field, the men’s ice hockey locker room, and a video room for the men’s and women’s basketball teams.

In addition to his duties on campus, Regan has become involved in college athletic policy on a national scale. From 1999-2004, he served a term as a Division I-AA representative on the NCAA Division I Management Council. The Management Council, comprised of 49 athletic administrators and faculty athletic representatives from around the nation, reports directly to the NCAA’s Division I Board of Directors. The council is responsible for adopting operating bylaws and rules to govern Division I, interpreting Division I bylaws, reviewing recommendations from the Division I conferences and universities, and developing and implementing the Division I budget.

Prior to returning to Worcester in July of 1998, Regan worked for NFL International and NFL Europe (formerly the World League of American Football). He joined

the New York office of the World League in 1991 and was based in London beginning in 1992. Over the next several years he lived in London and Edinburgh, and served as managing director of the Scottish Claymores, vice president of European operations and chief operating officer.

When the World League went through a reorganization following the 1992 season, National Football League commissioner Paul Tagliabue appointed Regan as managing director of NFL International, Ltd., to oversee and develop the NFL’s business interests throughout Europe. In that role, he was instrumental in establishing NFL International in Europe and planning and executing the NFL’s American Bowl series of international games in London, Dublin, Barcelona and Berlin.

Regan held the post of managing director of Monarch International, Inc., a licensing and financial consulting firm, for three years before joining the World League.

After graduating from Holy Cross in 1976, Regan spent nine years working for Arthur Andersen & Company in its Boston, Mass., offices, rising to the level of senior manager. He then moved to the NFL with the New England Patriots, where he served in the role of Vice President of Finance from 1985-1988.

His ties to Mount St. James run deep, as he is the third generation of his family to attend Holy Cross. He is the son of Richard M. Regan (Class of 1950), and the grandson of Harold J. Regan (Class of 1917). Regan’s sisters, Mary (Class of 1977) and Ann (Class of 1980), also graduated from Holy Cross. His daughter, Deirdre, graduated from Holy Cross in 2006.

Born in Providence, R.I., Regan and his wife, Judi, have three daughters — Jennifer, Deirdre and Colleen.

From 1988 through 1993, Bellerose also served as the head coach of the Crusader men's ice hockey team. He previously spent time as an assistant coach of the squad from 1977-1988.

During his days as an undergraduate, Bellerose was a member of the ice hockey team. He still ranks eighth all-time in career points (152) and 10th all-time in career goals scored (71). In 2002, Bellerose was inducted into the Holy Cross Varsity Club Hall of Fame.

Bellerose and his wife, Susan, reside in Shrewsbury, Mass., with their son, William, Jr. (a Holy Cross sophomore), and daughter, Lauren.

Now in her 23rd year at Holy Cross in 2009-2010, Rosemary Shea joined the athletic staff shortly after earning a bachelor's degree in English from Holy Cross in 1987. Since 1990 she has served as the athletic department's compliance officer, with responsibility to assure that the college's staff, coaches, and student-athletes understand and comply with

NCAA rules and regulations. She monitors eligibility and academic progress for all Holy Cross student-athletes and coordinates an ongoing rules education program for coaches and staff members.

In 2000, Shea was promoted to associate athletic director and added the duties of scheduling for men's sports. She also assists the director of athletics with the overall management of the men's athletic programs.

ANN ZELESKY **ASSOCIATE A.D.**

In her 21st year at Holy Cross in 2009-2010 is Worcester native Ann Zelesky, who is responsible for the administration and scheduling for all the women's programs. In 1995, Zelesky was promoted to associate athletic director.

Zelesky joined the Crusaders in April of 1989 after a highly-successful 13-year coaching career at St. Peter-Marian High School in Worcester.

Zelesky's girl's basketball squads posted a 272-54 record, winning eight Central Massachusetts titles, seven district championships and one state crown. Her softball teams were 253-21, capturing 10 Central Massachusetts titles, nine district crowns and five state championships. Zelesky, who also served as St. Peter-Marian's athletic director for nine years, was twice named Massachusetts Coach of the Year for both basketball and softball, and has been inducted into the New England Basketball Hall of Fame.

A 1973 graduate of Worcester State College, Zelesky played volleyball, basketball, field hockey and softball. She began her coaching career at Worcester State following her graduation. Zelesky, who resides in Worcester, has two sons (Brian and Kevin) who are both enrolled at Holy Cross.

FRANK MASTRANDREA **ASSISTANT A.D.**

Frank Mastrandrea is in his 17th year at Holy Cross in 2009-2010, and was named assistant athletic director for marketing and media relations for Crusader athletics in August of 2000. A 1988 graduate of Holy Cross with a bachelor's degree in English, Mastrandrea oversees all marketing and media relations efforts for the athletic department, including all

television, radio and internet coverage of all of the athletic programs.

Mastrandrea previously served as the college's director of athletic media relations from 1993-2000. While serving as the director, Mastrandrea was responsible for the publicity and promotion of the school's 27 varsity sports, with his major focus on the football and men's basketball programs.

Mastrandrea earned his law degree from the University of Connecticut School of Law in 1991, and worked for the firm of Updike, Kelley & Spellacy as a litigator from 1991-1993.

He and his wife, Joan, reside in Shrewsbury, Mass., with their son, Jacob.

THE PATRIOT LEAGUE

In its second decade of combining academic and athletic excellence, the Patriot League sponsors championships in 23 men's and women's sports. Initially started as an NCAA Division I-AA football conference in 1986, the Patriot League became an all-sport conference in 1990 and includes American, Army, Bucknell, Colgate, Holy Cross, Lafayette, Lehigh and Navy as full members, and Fordham and Georgetown as associate members in football. These institutions are among the oldest and most prestigious in the nation and their alumni have, and continue to, play leadership roles in shaping our country.

Since 1998, the Patriot League has ranked first each year among all Division I conferences awarding athletic aid in the NCAA Graduation Rate Report. The league finished at the top spot with 96 percent of its teams reporting a graduation rate of 85 percent or higher in the most recent data. In addition, 76 Patriot League teams earned NCAA Academic Performance Program Public Recognition Awards after posting academic progress rate scores in the top 10 percent of all squads in their respective sports.

The Patriot League's mission is simple: to provide successful competitive athletic experiences while maintaining high academic standards, and to prepare its student-athletes to be leaders in society.

During the 2008-2009 academic year, Patriot League student-athletes and teams accomplished the following:

- Holy Cross quarterback Dominic Randolph led the football championship subdivision in passing yards, total offense and completions per game in 2008, while also finishing as a finalist for the Walter Payton Award.
- Colgate's Jordan Scott finished his career as the all-time Division I leader in carries (1,240), while breaking the Patriot League record and placing fifth in football championship subdivision history in rushing yardage (5,621).
