**MISSION STATEMENT**

**COLLEGE OF THE HOLY CROSS  
 DEPARTMENT OF ATHLETICS**

The Mission of the Athletic Department of the College of the Holy Cross is to promote the intellectual, physical, and moral development of students. Through Division I athletic participation, our young men and women student-athletes learn a self-discipline that has both present and long-term effects; the interplay of individual and team effort; pride and self esteem in both victory and defeat; a skillful management of time; personal endurance and courage; and the complex relationships between friendship, leadership, and service. Our athletics program, in the words of the College Mission Statement, calls for "a community marked by freedom, mutual respect, and civility."

Besides teaching these virtues, a few sports played at Holy Cross have the added value of focusing alumni and student support and enhancing our reputation locally and nationally. While Holy Cross continues to commit itself to accomplishment in these sports, which are a rich part of our tradition, we choose to do so in a way that complements the pursuit of academic excellence.

Holy Cross is committed to the guiding principles of the Patriot League, of which we are a founding member: presidential control of athletics; the cultivation of the ideal scholar-athlete; and participation in a wide variety of sports. Commitment to the last principle assures that the College sponsors, in a very evident way, gender equity.

The department of athletics is also committed to compliance with all College policies and regulations involved in Division I membership in the National Collegiate Athletic Association and the Eastern College Athletic Conference. As a member of the NCAA, Holy Cross also advocates student-athlete welfare, diversity, gender equity, sportsmanship, and ethical conduct in its athletic programs.

### ***CORRESPONDENCE***

It is important for prospective student-athletes to get in touch with the coaching staff as soon as possible. An e-mail or letter of inquiry into the program will initiate the recruiting process. Recruiting questionnaires for most sports are also available at [www.GoHolyCross.com](http://www.GoHolyCross.com). The spring of your junior year or early senior year is the most appropriate time to contact the coach.

### ***INTERVIEWS***

Students are strongly encouraged to have admissions interviews. The office offers interviews from the summer until Dec. 30. Alumni interviews in most metropolitan areas are available. Students must first submit an application and indicate they would like an alumni interview before Dec. 1.

### ***EARLY DECISION***

Students who are absolutely, 100 percent confident Holy Cross is their top college choice are encouraged to apply during the early decision process.

### ***FINANCIAL AID***

Financial aid is awarded on the basis of need. Prospective student-athletes should complete the CSS Profile Form in early fall.

### ***NCAA ELIGIBILITY CERTIFICATION***

The NCAA Eligibility Center certifies academic eligibility and amateurism for all prospective student-athletes who wish to compete in intercollegiate athletics at the Division I or II level. Prospective student-athletes must register at <https://web1.ncaa.org/eligibilitycenter> and complete the online release form. Prospective student-athletes must arrange for the appropriate national testing agency to send copies of standardized test scores (e.g., SAT or ACT) directly to the NCAA Eligibility Center. Prospects must also complete the amateurism questionnaire. An institution may not provide an official visit to a prospective student-athlete until he or she registers with the NCAA Eligibility Center.

### ***TELEPHONE CALLS***

As per NCAA bylaw 13.1.3.1, institutional staff members may not telephone a prospect (or the prospect's relatives

or legal guardians) prior to July 1 following the prospect's completion of the junior year in high school. After July 1, institutional staff members may telephone a prospect once per week (measured Sunday through Saturday). The once-per-week limit applies to the entire institution.

### ***VIDEO TAPES***

In an attempt to make an accurate assessment as soon as possible, it is recommended that video tapes be forwarded to the coach's attention as soon as possible. The video need not be an elaborate production. Some simple game or practice tape is sufficient with you being easily identified.

### ***EVALUATIONS***

As per NCAA bylaw 13.02.6.1, an evaluation is any off-campus activity designed to assess the academic qualifications or athletic ability of a prospect, including any visit to a prospect's educational institution (during which no contact occurs) or the observation of a prospect participating in any practice or competition at any size. We are limited in our number of evaluations per prospective student-athlete.

### ***CONTACTS***

As per NCAA bylaw 13.02.3, a contact is any face-to-face encounter between a prospect or the prospect's parent or legal guardian and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged or takes place on the grounds of the prospect's high school, or at the site of organized competition or practice involving the prospect's high school, preparatory school, two-year college, or all-star team is considered a contact, regardless of the conversation that occurs. We are limited to three off-campus contacts per prospective student-athlete.

### ***OFFICIAL VISITS***

According to NCAA bylaw 13.7.1.2, a prospect may not make more than five expense-paid visits to NCAA member institutions, regardless of the number of sports in which the prospect is involved. An institution may not provide an expense-paid visit to a prospect who has not presented the institution with a high school (or college) academic

transcript and a score from a PSAT, an SAT, a PACTPlus or an ACT test taken on a national testing date under national testing conditions. Prospects must be registered with the NCAA Eligibility Center prior to making an official visit.

### ***UNOFFICIAL VISITS***

According to NCAA bylaw 13.8.1, a prospect may visit an institution's campus at the prospect's own expense an unlimited number of times and may make an unofficial visit before the prospect's senior year in high school.

## ***ADMISSIONS AND IMPORTANT DATES***

### **ADMISSIONS AND APPLICATIONS:**

To join our mailing list and receive more information about the College of the Holy Cross, please visit <https://applyweb.com/public/inquiry?hcinq>. **PETER  
VAN BUSKIRK  
HEAD COACH  
12TH SEASON  
NEW HAMPSHIRE, 1965**

Peter Van Buskirk is now in his 12th season as the head coach of the Holy Cross women's ice hockey team in 2011-2012. He

has accumulated a 161-107-17 record over 11 seasons behind the Crusader bench.

Holy Cross claimed its third consecutive ECAC Open title in 2011, winning in a shoot out over St. Anselm. Senior Jocelyn Kratchmer was named tournament MVP, marking the third consecutive season a Crusader had garnered the award. Kratchmer and junior Stacey Hochkins were named to the All-Tournament team, and the duo was joined by senior Emily Henry on the All-ECAC East team. Hochkins also earned RBK All-America honors and New England All-Star honors for the second consecutive season.

Van Buskirk led the Crusaders to their second consecutive ECAC Open title in 2010 and a second place finish in the ECAC East. Hochkins was named the ECAC Player of the Year, RBK Hockey College Division Women's All-American and earned New England All-Star honors. Hochkins, along with Lisa Wilson, was named to the ECAC East Women's East All-Conference first team and Kratchmer earned honorable mention. Eight members of the team were named to the ECAC All-Academic team.

At the 2010 American Hockey Coaches Association convention, Van Buskirk was honored with the John "Snooks" Kelley Founders Award. Named after the famed Boston College coach, the award honors those people in the coaching profession who have contributed to the overall growth and development of the sport of ice hockey in the United States.

During the 2008-2009 season, Van Buskirk led the Crusaders to an ECAC East regular season title, an ECAC Open championship, a school record 24 wins (24-2-1) and was named the ECAC East Coach of the Year. Holy Cross' 117 single-season goals scored ranked number one all-time at Holy Cross, its 37 single-season goals allowed were the fewest all-time and its seven shutouts were second all-time. Van Buskirk coached the ECAC East Rookie of the Year, had three student-athletes make the ECAC East all-conference team and had five student-athletes named to the ECAC East All-Academic team.

Van Buskirk's success did not occur overnight, as during the 2002-2003 season he helped the Crusaders compile a 17-7-1 overall record and win the ECAC championship title in only their fourth season as a varsity team.

Van Buskirk has been affiliated with the Holy Cross ice hockey program for over 30 years. From 1979-1988 he served as the men's head coach before returning to the bench as an assistant from 1991-1996 and head coach again for the 1996-1997 season. Van Buskirk is Holy Cross' second most successful men's coach, with a record of 167-146-8 throughout 10 seasons.

During his tenure as head coach of the men's team, Van Buskirk guided the Crusaders to eight ECAC East playoff appearances and also earned College Coach of the Year honors in 1983. He reassumed the men's head coaching duties for the 1996-1997 season, guiding his squad to a 14-13-0 mark and earning a fourth consecutive trip to the ECAC East Tournament. Prior to coming to Holy Cross, Van Buskirk served as the head coach at Hudson High School from 1973-1979. During his tenure, he guided the Hawks to five Central Massachusetts titles, three district crowns and a Division I State Championship in 1978. He began his coaching career as an assistant coach at St. John's High School in 1972.

A 1965 graduate and two-sport athlete at the University of New Hampshire, Van Buskirk served as a lieutenant in the Army Infantry from 1966-1968. He also holds his master's degree in education from Boston State College.

Van Buskirk is a member of both the Hudson High School and University of New Hampshire Athletic Halls of Fame. In addition to coaching, Van Buskirk has served as the director of several hockey schools. From 1976-1979, he served as the director of the Los Angeles Hockey School and the Squaw Valley Hockey School.

**DEREK  
ALFAMA**  
ASSISTANT COACH  
FIRST SEASON  
NORWICH, 1996

Derek Alfama is in his first season as an assistant women's ice hockey coach at the College of the Holy Cross in 2011-2012. He

joins the Crusaders after spending the previous three seasons as an assistant coach at Norwich University. Alfama's primary duties at Holy Cross will be evaluating and scouting prospective student-athletes and assisting on the day-to-day operations of the team.

During the 2010-2011 campaign, Alfama helped lead the Cadets to an overall record of 25-4-1, with the team winning the NCAA Division III Championship. He was also part of the staff as Norwich finished as the NCAA runner-up in 2009-2010, and advanced to the NCAA quarterfinals in 2008-2009. The Cadets had a 20-6-5 record in 2009-2010 and a 19-9-1 mark in 2008-2009, good for an overall record of 64-19-7 during Alfama's three years on the staff. Norwich also received the American College Hockey Association Division III Women's Staff of the Year Award in two of Alfama's three seasons.

Alfama's other playing experience includes spending four years at St. John's High School in Shrewsbury, Mass., and one season at Trinity Pawling School in Pawling, N.Y. He has also been involved with the USA Hockey Satellite program for the past four seasons.

A 1996 graduate of Norwich with a bachelor's degree in criminal justice, Alfama was a four-year member of the Cadets' men's ice hockey team. He served as team captain during his senior season, and received the programs Robert Priestly Award.

A native of Uxbridge, Mass., Alfama now resides in Webster, Mass., with his two children, Donovan and Avery.

Holy Cross is renowned for its academic excellence and mentoring-based, liberal arts education in the Jesuit tradition. An exclusively undergraduate institution with just over 2,800 students, Holy Cross is the oldest Catholic college in New England. Founded in 1843 in Worcester,

Mass., the campus occupies 174 beautifully landscaped acres, featuring traditional and contemporary architecture, state-of-the-art facilities, and striking views from atop Mount St. James.

Academic life at Holy Cross is serious, challenging and exciting. Student-professor exchanges in the classroom, as well as in countless informal settings, are at the center of academic life at Holy Cross. With a student to faculty ratio of 11 to one, the opportunity for individual attention is readily available. Few classes exceed an enrollment of 40, and most average 19 students.

Holy Cross professors are widely respected in their academic specialties. Many have national reputations for their research and publications, creative performances, recordings and exhibitions. Almost all of the nearly 300 full- and part-time faculty members hold doctoral degrees from some of the finest universities here and abroad.

Among the major academic facilities on campus are Dinand Library (which, along with three other specialized libraries on campus, has total holdings of more than 650,000 volumes); Iris and B. Gerald Cantor Art Gallery (with a regular schedule of world-class exhibitions); Brooks Concert Hall (acclaimed by performers and acoustical experts as one of the finest medium-sized performance spaces in the region); St. Joseph Memorial Chapel (built in 1924 and containing the recently renovated McCooey Chapel on the lower level); Hogan Campus Center (with

bookstore, post office, coffee lounge, cafeteria and pub); Carol and Park B. Smith Hall (housing the Center for Religion, Ethics and Culture and the Rehm Library); the Multimedia Resource Center in Edith Stein Hall; and the new \$60-million Integrated Science Complex.

Coeducational since 1972, Holy Cross enrolls a student body of proven accomplishment. Almost all graduated in the top 20 percent of their high school classes. Most live in 10 residence halls on campus, all fully connected to the college's computer network. Students, elected by their peers, represent their classmates at faculty meetings, on major college committees, and in a consultative capac-

ity on the appointment and promotion of faculty. There are more than 100 co-curricular offerings on campus and diverse opportunities for innovative academic options such as the first-year program, community-based learning, Washington semester, internships and full-year study abroad.

Holy Cross integrates faith and knowledge with an emphasis on service, in keeping with the Jesuits' commitment to educate "men and women for others." A distinguishing and all-important characteristic of education at Holy Cross is the emphasis placed upon the service of faith and the promotion of justice. The Office of the College Chaplains advises Student Programs for Urban Development (SPUD), which is the largest student organization on campus. More than 450 students are involved in 37 direct-service programs in Worcester.

The athletics program has a storied tradition that continues today with 27 varsity sports and charter membership in the Patriot League, recognized for its development of scholar-athletes. The college sponsors many clubs and intramural sports programs, and has excellent athletics facilities, including a football stadium, a baseball stadium, a soccer stadium, a hockey rink and the Hart Recreation Center, home to the basketball, swimming and hockey teams. The Smith Wellness Center includes a specialized strength and conditioning facility for varsity student-athletes, as well as aerobic equipment and workout areas for the general student body.

The college offers focused preprofessional advising programs for students interested in medicine and health, law, business and engineering. The results for successful postgraduate study are well-documented:

- Graduates are admitted to medical school at rates better than twice the national average.
- Each year, more than 100 Holy Cross graduates enter law schools accredited by the American Bar Association – one of the highest rates in the nation.
- Holy Cross is in the top three percent of four-year colleges in the number of students going on to earn doctorates.
- Holy Cross students have won Rhodes, Truman and Marshall scholarships, Watson fellowships, Fulbright grants and many other awards.
- More than 10 percent of Holy Cross alumni are currently practicing medicine.

Among the many Holy Cross alumni with stellar records of achievement are a Nobel Laureate; three Pulitzer Prize winners; two members of the Naismith Memorial Basketball Hall of Fame; a U.S. Supreme Court justice; a U.S. Poet Laureate; numerous members of the U.S. Congress; hundreds of journalists, authors and media commentators; and countless CEOs, educators and business and community leaders.

## MONTSERRAT

All first-year students are part of a challenging academic and co-curricular program called Montserrat. Embracing the excitement and discovery of living and learning at Holy Cross, this program — expressly designed for first-year students — integrates academic, co-curricular and residential experiences in unique ways. One of the cornerstones of a Holy Cross education is the commitment to Jesuit values. So it is fitting that the program is named after the mountain in Spain where, in 1522, St. Ignatius of Loyola (the founder of the Jesuit order) decided to begin a new life. Students entering Holy Cross are also beginning a new chapter of their lives — and Montserrat provides experiences in and out of the classroom to enhance their journey, while supplying the tools to climb to new places.

## COLLEGE HONORS

In the college honors program, academically accomplished students pursue multidisciplinary studies in the natural sciences, social sciences and humanities. Guided by rotating faculty experts, students regularly meet and work to explore how knowledge from different areas can be tested and integrated across disciplines. The program incorporates an honors colloquium — a series of interdisciplinary discussions — and a thesis. Honors students publicly present their findings at the annual academic conference, a highlight of the academic year.

## WASHINGTON SEMESTER

Each semester, 15 juniors and first-semester seniors are accepted into a highly selective program in the nation's capital. Students work with members of congress or federal agencies, assist advocacy and public policy groups, and explore up-close the arts, history and culture of Washington, D.C. With support from their Holy Cross advisor, students pursue internships that consist of four full work days, and a public policy seminar one night each week. On the fifth weekday, they conduct independent research for their Washington thesis paper.

## STUDY ABROAD

Students looking to broaden their Holy Cross experience have an excellent opportunity to do so through the Study Abroad program. Year-long programs provide qualified students with exciting and fully credited extensions of the college's curriculum at participating universities in: Australia, Austria, Cameroon, England, France, Germany, Greece, Ireland, Italy, Japan, Mexico, Peru, Scotland, Spain and Russia. One-semester programs are also available in China and Sri Lanka. Third-year students in good academic standing live with host families, and take courses and exams alongside foreign students in their native language. Deepening the cultural experience, students complete an independent study project in the local community to ensure close interaction with the people of their chosen countries.

## WHAT THE GUIDEBOOKS SAY

- Among the nation's top 50 "most competitive" colleges and universities, as ranked by *Barron's Profiles of American Colleges*.
- Graduates 91% of students in four years — ranked fourth among the nation's undergraduate, liberal arts colleges; named to *Kaplan's* list of colleges and universities with "Impressive Graduation Rates."
- Listed in the top 20 colleges for academics in *The Princeton Review's* "The Best 351 Colleges."
- *Peterson's Guide to Four-Year Colleges* cites a 95% first-year retention rate.
- Named one of the country's "most beautiful urban campuses" in *Kaplan's National Guidance Counselor Survey*.
- Ranked 15th for "professors who make themselves accessible" in a student survey by *The Princeton Review*.
- Regarding the college's mission, *Kaplan's Guide to the 328 Most Interesting Colleges* says, "The Jesuit tradition of 'being men and women for others' shines at Holy Cross."
- According to *The Insider's Guide to the Colleges*, compiled by the staff of the *Yale Daily News*, the three best things about attending Holy Cross are: "the professors, the beautiful campus and the connections with classmates."
- The *Fiske Guide to Colleges* cites Holy Cross' small class sizes and beautiful campus as "award winners."

## COMMUNITY-BASED LEARNING

Through a generous endowment established by its namesake, Joseph P. Donelan II, the Donelan Office of Community-Based Learning provides a directorship to establish connections between courses across the college curriculum with internship sites in the greater Worcester area. In keeping with the college's social mission to prepare students to be "men and women for others," Community-Based Learning enables students to be of service to the community while enhancing their understanding of course material.

Holy Cross has three performance theaters, two art galleries, a concert hall, ballroom, dance studio and a movie theater. There are more than 90 student groups and organizations on campus, including:

Opened in 1997, the Carol and Park B. Smith Wellness Center is a two-story facility which was built as an addition to the Hart Recreation Center. The wellness center provides state-of-the-art fitness equipment for varsity athletes and all other members of the Holy Cross community.

A \$1.5-million gift from Carol and Park B. Smith (Class of 1954) kicked off the campaign to fund the facility. "Everyone today agrees that fitness is very important," Smith said in 1997. "I'm confident that this new Wellness Center — whose facilities will be second-to-none — will provide a real benefit to current and future Holy Cross students, teachers and staff."

With 15,000 square feet, the wellness center provides over four times more space than the college previously had for varsity and community exercise and training, and centralizes athletic equipment and facilities once found in five locations in three campus buildings.

On the first level, the center houses a highly versatile strength and conditioning center for Holy Cross' varsity student-athletes. There are areas for speed development programs, as well as for strength and endurance conditioning. The space, which is able to accommodate as many as

60 people at a time, enables Holy Cross' larger sports teams to work out together, thereby enhancing team unity.

The second floor has been designed for use by all students, faculty and staff. It has two sections: one for aerobic training, and the other for cardiovascular, variable-resistance and strength training. A diverse selection of equipment accommodates users ranging from beginners to advanced athletes. Its south-facing wall is mostly glass, allowing most users a view of the practice fields and the rolling hills of central New England.

The center also offers programs that explore the connections between fitness and wellness, to help students learn how good health can complement and enhance other aspects of their educational experience. An advisory board comprising physicians, fitness and strength trainers, faculty members, psychologists, nutritionists, a college chaplain and others are responsible for creating and coordinating programming for the center.

Holy Cross head strength and conditioning coach Jeff Oliver believes that the wellness center is of the utmost importance to Crusader athletic teams.

"Over the past few decades, college coaches have turned increasingly to strength and conditioning to gain an edge over their opponents," Oliver said. "And while football may have been the first to grasp the concept, we now train athletes from every varsity sport. The wellness center has been a huge boon to our program."

With 6,500 square feet of the center devoted solely to varsity athletes, Oliver

and his staff to be able to accommodate a much larger number of athletes at one time, allowing teams to train together at times more convenient to their busy schedules as student-athletes.

The state-of-the-art equipment in the wellness center includes:

- Eight multi-purpose power racks, each with over 600 pounds of free weights.
- Seven Olympic lifting platforms with over 375 pounds of rubberized free weights.
- More than 3,000 pounds of dumbbells.
- Eighteen pieces of aerobic equipment.
- Three full sets of plyometric boxes.
- A number of free weight-loaded pieces of equipment to accommodate injured athletes.

"Thanks to the generous donation from the Smiths," Oliver said, "This facility is state of the art."

Worcester, the economic and social center of central Massachusetts, is New England's third-largest city with a population of 175,500. Holy Cross is one of the area's 13 colleges and universities, which together make an enormous impact on the area's culture and economy. Boston, Springfield, Hartford and Providence are all about a one-hour drive. New York City is about three hours away; Cape Cod and the Atlantic Ocean are less than two hours from Worcester; and the mountains of Vermont and New Hampshire can be reached in about three hours. Skiing is available at nearby Wachusett Mountain, and water sports enthusiasts can enjoy

the hundreds of rivers and lakes in the area, including Lake Quinsigamond.

First incorporated as a township in 1722, this settlement 40 miles west of Boston soon became an important transportation center on the Boston Turnpike, linking the capital city with New York and the west. One of America's first internal commercial waterways, the Blackstone Canal, linked the town with Providence to the south and gave direct access to the Atlantic Ocean.

Primarily an industrial city through the mid-20th century, Worcester has emerged as an educational, medical, health care, cultural and entertainment center. An expanded business and commercial base, and the recent addition of a variety of high-technology companies and growing biotechnology research parks, have made Worcester attractive to expanding companies. Downtown Worcester stands on the brink of a dramatic renaissance with a new hotel attached to the convention center, a new courthouse and major housing and retail projects all in the works.

Worcester is nonetheless predominantly residential in character. More than 1,200 acres of city-owned parkland are found within its 38 square miles. Half of the entire city budget goes for educational purposes, testimony to the values of its inhabitants. Its parklands are among the oldest in the nation, as are its library and music festival. Worcester is a city proud of its past and secure in its future.

Worcester is home to the DCU Center, a 13,000-seat arena that features big-name rock bands; Mechanics Hall, a world renowned

venue for opera, jazz, blues and classical concerts; and the Worcester Art Museum, internationally known as one of the finest small museums in the United States. Other museums include the Higgins Armory Museum, a repository of Medieval arms and armor; the Ecotarium, which combines the features of a science museum, a planetarium and a zoo; the headquarters of the American Antiquarian Society; and the Worcester Historical Museum.

After a \$40 million restoration project, the historic Union Station now serves visitors and commuters via MBTA regional service and Amtrak national service.

Worcester has world-class dining, ethnic restaurants, diners, coffee houses, bookstores, shopping, parks and recreation — all within easy reach of campus.

**REV. MICHAEL C. MCFARLAND, S.J., PRESIDENT**

On July 1, 2000, Rev. Michael C. McFarland, S.J., became the 31st president of the College of the Holy Cross.

Prior to becoming president, Fr. McFarland was Dean of the College of Arts

and Sciences at Gonzaga University in Spokane, Wash. He was at Gonzaga for four years, where he was also a professor of computer science.

Born in Boston in 1948, Fr. McFarland lived for a time in California and later graduated from Xavier High School (now closed) in Concord, Mass. He completed his bachelor's degree in physics at Cornell University in 1969. He later earned a master's degree and Ph.D. in electrical engineering (computer engineering) at Carnegie Mellon University.

Fr. McFarland joined the Jesuits in 1975. He studied at the Weston School of Theology in Cambridge, Mass., and earned a master's degree in divinity and Th.M. in social ethics. He was ordained in the St. Joseph Memorial Chapel at Holy Cross in 1984.

Subsequently, he worked as a consultant for two years at the AT&T Bell Laboratories, doing research in computer-aided design of digital systems. He continued his research while teaching at Boston College for 10

years as an associate professor of computer science. In addition to creating new courses in ethics and computers, computer architecture and digital systems, he created a laboratory for digital electronics and developed tutorial materials for a course on computers in management.

Fr. McFarland has published articles in the Proceedings of the IEEE (the Institute of Electrical and Electronics Engineers); the IEEE Transactions on Computers; the IEEE Transactions on Computer-Aided Design of Integrated Circuits and Systems; Formal Methods for System Design; the Journal of Systems and Software; Computer; and Technology and Society. He was an associate editor of the IEEE Transactions on Computer-Aided Design of Integrated Circuits and Systems for three years and has been on numerous program committees for conferences such as the Design Automation Conference, the International Conference on Computer Design, the International Conference on Computer-Aided Design and the High-Level Synthesis Workshop.

In addition to his duties as Holy Cross' president, Fr. McFarland sits on numerous local boards, including the Worcester Catholic Charities Board, the Worcester Municipal Research Bureau and the Board of Trustees at the University of Scranton.

Recently, Fr. McFarland oversaw the most successful capital campaign in school history, raising a total of \$216.3 million.

Fr. McFarland enjoys running six days each week in his free time.

## RICHARD M. REGAN, JR., DIRECTOR OF ATHLETICS

Richard M. Regan, Jr., is now in his 14th year as the director of athletics at Holy Cross in 2011-2012. Regan, whose tenure began on July 1, 1998, became just the fourth Holy Cross athletic director in the last 50 years.

“He is smart, full of energy, skilled in financial management and fully committed to Holy Cross,” said then Holy Cross president Fr. Gerard Reedy, S.J., at the time of Regan’s hiring.

Regan’s first 13 years have been productive ones for the Crusaders. During this period of time, 19 Holy Cross teams have advanced to NCAA tournament play — including at least one team in 10 of the last 13 seasons. The women’s basketball team has been to the postseason in seven of the last 13 years (six NCAA appearances and a WNIT berth in 2002), while the football (2009), field hockey (1998 and 2000) and women’s soccer (2000) programs have also made NCAA appearances. Regan’s tenure has also seen the first-ever NCAA appearances for the men’s ice hockey (2004 and 2006), men’s soccer (2002) and women’s lacrosse (2006 and 2007) teams. In addition, the men’s basketball program has seen a great deal of success under Regan’s watch, having advanced to postseason play in five of the last 11 years, and becoming the first Patriot League team ever to advance to the NCAA tournament

in three consecutive seasons (2001, 2002 and 2003).

Success is not measured only by wins and losses, but by other gains as well. In an effort to further increase the number of Crusader teams coached by full-time staff members, Regan announced the appointment of full-time coaching positions in track, volleyball, women’s lacrosse and softball. Gender equity has been a major focus of Regan’s administration and he introduced the college’s first two new varsity sports in more than 15 years — women’s ice hockey and women’s golf.

Improvements to the athletics facilities have also been part of Regan’s focus. The new Linda Johnson Smith Stadium is home to not only the men’s and women’s soccer teams, but its unique two-sided stands and press facilities provide an additional benefit to home events for field hockey and outdoor track and field. In 2009, a new synthetic turf facility was opened for use by the football, men’s lacrosse and women’s lacrosse teams.

The baseball team opened a new on-campus stadium beginning in the fall of 2005. And there have been improvements to other facilities as well, such as the softball field, new football and men’s ice hockey locker rooms, and a video room for the men’s and women’s basketball teams.

In addition to his duties on campus, Regan has become involved in college athletic policy on a national scale. A current member of the NCAA Division I Men’s Soccer Committee, Regan previously served a term as a Division I-AA representative on the NCAA Division I Management Council from 1999-2004. The Management Council,

comprised of 49 athletic administrators and faculty athletic representatives from around the nation, reports directly to the NCAA’s Division I Board of Directors. The council is responsible for adopting operating bylaws and rules to govern Division I, interpreting Division I bylaws, reviewing recommendations from the Division I conferences and universities, and developing and implementing the Division I budget.

Prior to returning to Worcester in July of 1998, Regan worked for NFL International and NFL Europe (formerly the World League of American Football). He joined the New York office of the World League in 1991 and was based in London beginning in 1992. Over the next several years he lived in London and Edinburgh, and served as managing director of the Scottish Claymores, vice president of European operations and chief operating officer.

When the World League went through a reorganization following the 1992 season, National Football League commissioner Paul Tagliabue appointed Regan as managing director of NFL International, Ltd., to oversee and develop the NFL’s business interests throughout Europe. In that role, he was instrumental in establishing NFL International in Europe and planning and executing the NFL’s American Bowl series of international games in London, Dublin, Barcelona and Berlin.

Regan held the post of managing director of Monarch International, Inc., a licensing and financial consulting firm, for three years before joining the World League.

After graduating from Holy Cross in 1976, Regan spent nine years working for

Arthur Andersen & Company in its Boston, Mass., offices, rising to the level of senior manager. He then moved to the NFL with the New England Patriots, where he served in the role of Vice President of Finance from 1985-1988.

His ties to Mount St. James run deep, as he is the third generation of his family to attend Holy Cross. He is the son of Richard M. Regan (Class of 1950), and the grandson of Harold J. Regan (Class of 1917). Regan’s sisters, Mary (Class of 1977) and Ann (Class of 1980), also graduated from Holy Cross. His daughter, Deirdre, graduated from Holy Cross in 2006.

Born in Providence, R.I., Regan and his wife, Judi, have three daughters — Jennifer, Deirdre and Colleen.

### **BILL BELLEROSE** **ASSOCIATE A.D.**

Bill Bellerose is in his 20th year as associate director of athletics and business manager at Holy Cross in 2011-2012, a position he has held since November of 1992. A 1977 graduate of Holy

Cross with a dual degree in Economics and Accounting, Bellerose handles the day to day financial support of individual teams and the athletic department. He is responsible for preparing and administering the budgets for all 27 varsity sports. Bellerose also handles equipment inventories, and much of Holy Cross' travel and ticket operations.

Prior to his current appointment, Bellerose was the college's purchasing director for four years, coordinating purchases for all departments on campus. From 1988 through 1993, Bellerose also served as the head coach of the Crusader men's ice hockey team. He previously spent time as an assistant coach of the squad from 1977-1988.

During his days as an undergraduate, Bellerose was a member of the ice hockey team. He still ranks eighth all-time in career points (152) and 10th all-time in career goals scored (71). In 2002, Bellerose was inducted into the Holy Cross Varsity Club Hall of Fame.

Bellerose and his wife, Susan, reside in Shrewsbury, Mass., with their son, William, Jr., and daughter, Lauren, who are both enrolled at Holy Cross.

### **ROSEMARY SHEA** **ASSOCIATE A.D.**

Now in her 25th year at Holy Cross in 2011-2012, Rosemary Shea joined the athletic staff shortly after earning a bachelor's degree in English from Holy Cross in 1987. Since 1990

she has served as the athletic department's compliance officer, with responsibility to assure that the college's staff, coaches, and student-athletes understand and comply with NCAA rules and regulations. She monitors eligibility and academic progress for all Holy Cross student-athletes and coordinates an ongoing rules education program for coaches and staff members.

In 2000, Shea was promoted to associate athletic director and added the duties of scheduling for men's sports. She also assists the director of athletics with the overall management of the men's athletic programs.

Shea was a member of the NCAA Division I Rowing Committee from 2001-2005, serving as the committee's chair from 2004-2005. She has also represented the Patriot League on the NCAA Division I Championship / Sports Management Cabinet since 2008.

### **ANN ZELESKY** **ASSOCIATE A.D.**

In her 23rd year at Holy Cross in 2011-2012 is Worcester native Ann Zelesky, who is responsible for the administration and scheduling for all the women's programs. In 1995,

Zelesky was promoted to associate athletic director.

Zelesky joined the Crusaders in April of 1989 after a highly-successful 13-year coaching career at St. Peter-Marian High School in Worcester. Zelesky's girl's basketball squads posted a 272-54 record, winning eight Central Massachusetts titles, seven district championships and one state crown. Her softball teams were 253-21, capturing 10 Central Massachusetts titles, nine district crowns and five state championships. Zelesky, who also served as St. Peter-Marian's athletic director for nine years, was twice named Massachusetts Coach of the Year for both basketball and softball, and has been inducted into the New England Basketball Hall of Fame.

A 1973 graduate of Worcester State College, Zelesky played volleyball, basketball, field hockey and softball. She began her coaching career at Worcester State following her graduation. Zelesky, who resides in Worcester, has two sons, Brian (a 2011 Holy Cross graduate) and Kevin (a Holy Cross senior).

### **FRANK MASTRANDREA** **ASSISTANT A.D.**

Frank Mastrandrea is in his 19th year at Holy Cross in 2011-2012, and was named assistant athletic director for marketing and media relations for Crusader athletics in August of 2000.

A 1988 graduate of Holy Cross with a bachelor's degree in English, Mastrandrea oversees all marketing and media relations efforts for the athletic department, including all television, radio and internet coverage of all of the athletic programs.

Mastrandrea previously served as the college's director of athletic media relations from 1993-2000. While serving as the director, Mastrandrea was responsible for the publicity and promotion of the school's 27 varsity sports, with his major focus on the football and men's basketball programs.

Mastrandrea earned his law degree from the University of Connecticut School of Law in 1991, and worked for the firm of Updike, Kelley & Spellacy as a litigator from 1991-1993.

He and his wife, Joan, reside in Shrewsbury, Mass., with their son, Jacob.

Now in its third decade as an all-sport conference combining academic and athletic excellence, the Patriot League sponsors championships in 23 men and women's sports. Initially started as an NCAA Division I-AA football conference in 1986, the Patriot League became an all-sport conference in 1990 and includes American, Army, Bucknell, Colgate, Holy Cross, Lafayette, Lehigh and Navy as full members, and Fordham, Georgetown and MIT as associate members. These institutions are among the oldest and most prestigious in the nation and their alumni have and continue to play leadership roles in shaping our country.

Since 1998, the Patriot League has ranked first each year among all Division I conferences awarding athletic aid in the NCAA Graduation Rate Report. The league finished at the top spot with nearly all of its teams reporting a graduation rate of 85 percent or higher in the most recent data. In addition, 82 teams from Patriot League full-member institutions earned NCAA Academic Performance Program Public Recognition Awards after posting academic progress rate scores in the top 10 percent of all squads in their respective sports.

The Patriot League's mission is simple, to provide successful competitive athletic experiences while

maintaining high academic standards, and to prepare its student-athletes to be leaders in society.

During the 2010-2011 academic year, Patriot League student-athletes and teams accomplished the following:

- Patriot League schools came in with glowing marks in the latest release of the NCAA Academic Progress Rate, as 97 percent of Patriot League teams came in at or above the national Division I four-year average score of 970.
- Bucknell claimed the Patriot League Presidents' Cup for the 17th time overall and sixth consecutive season. The Bison also won their eighth male trophy and 17th female award, sweeping the honors for the second straight year and seventh time overall.
- Bucknell's Travis Nissley was named a finalist for the Campbell Trophy and earned an \$18,000 post-graduate scholarship from the National Football Foundation.
- Six different schools claimed multiple Patriot League titles, led by Navy with seven and Bucknell with six. Lehigh and

Army each won three championships while Colgate and American claimed a pair.

- Navy tennis standout Nick Birger was part of a select group of student-athletes to receive a \$7,500 postgraduate scholarship from the NCAA.
- 11 student-athletes were named Capital One / CoSIDA Academic All-Americans: Erin Anthony (Army women's basketball), Nick Birger (Navy men's tennis), Alyssa DeLorenz (Bucknell women's lacrosse), Alex Foskett (Navy men's soccer), Nathan Hedgecock (Army men's basketball), Ben Koenigsfeld, (Army baseball), Jay Laing (Army men's lacrosse), Sam Miller (Navy men's soccer), Travis Nissley (Bucknell football), Cody Rome (Navy men's track and field) and Jonathan Stumpf (Lehigh men's lacrosse).
- Army's Erin Anthony concluded an outstanding career with first team Academic All-America recognition for the second year in a row and a nomination from the Patriot League for the NCAA Woman of the Year award.

- Fifty-five Patriot League student-athletes earned Capital One / CoSIDA Academic All-District honors, with 39 on the first team.
- Candidates for the Lowe's Senior CLASS Award included: Erin Anthony (Army women's basketball), Stefan Bauer (Lafayette men's lacrosse), Friederike Engel (American women's soccer), Rob Keefer (Lehigh men's basketball), Andrew Keister (Holy Cross men's basketball), Ben Koenigsfeld (Army baseball), Erica Prosser (Lehigh women's basketball), Jessie Snyder (Bucknell softball) and Jonathan Stumpf (Lehigh men's lacrosse).
- American's Christine Fingerhuth was named a first-team All-America selection in field hockey and also received an NCAA Woman of the Year nomination from the Patriot League.
- Colgate's Nate Eachus finished sixth in the voting for the Walter Payton Award, given to the most outstanding player in the Football Championship Subdivision.
- Lehigh's Will Rackley became the highest-ever NFL Draft selection out of the Patriot League when he was picked in the third round by the Jacksonville Jaguars.
- Lehigh became the first Patriot League team since 2003 to win a game in the NCAA Division I football playoffs when it won at Northern Iowa, 14-7, in the first round. The Mountain Hawks finished at No. 14 in each of the major FCS rankings, matching the highest for a Patriot League team since 2003.
- Bucknell and Colgate each finished in the top 15 of the final Nike / Inside Lacrosse poll, with the Bison at No. 9 and the Raiders coming in at No. 14.
- Lehigh's Lauren Dykstra capped an amazing career as a women's lacrosse All-American and MVP of the IWLCA North-South Senior All-Star Game, as well as the Patriot League Female Sportsmanship Award winner.
- Sophomores C.J. McCollum (Lehigh) and Mike Muscala (Bucknell) each received postseason All-America recognition following strong men's basketball seasons.
- The Navy trio of Olaf Olson, Mark Meyer and Justin Vagts all competed at the NCAA men's swimming and diving championship.
- A Patriot League record four runners went to the NCAA cross country championship, with Colgate's Elise DeRoo earning a top-100 finish in the women's race.

- Army's Jeremy Boltus was one of five finalists for the Tewaarton Trophy, given to the top men's lacrosse player.
- Four Patriot League baseball players were selected in the MLB First-Year Player Draft, including Holy Cross pitcher John Pedrotty in the 13th round.
- Army's Ben Koenigsfeld was named a semifinalist for the Olerud Award as the top two-way player in collegiate baseball.

- Three Patriot Leaguers competed at the NCAA outdoor track and field championship, with Bucknell's Ted Heitzman and Army's Domonick Sylve giving the league a pair of All-America recipients for the first time since 2003.
- Ten Patriot Leaguers, including nine from Lehigh, were named Arthur Ashe Jr. Sports Scholars as student-athletes of color who exemplify high standards in academics, athletics, and service to the community.
