Patriot League Announces Women's Track & Field Academic Honor Roll

202 student-athletes receive Honor Roll recognition

Center Valley, Pa. — Patriot League women's track and field programs combined to place 202 student-athletes on the spring academic honor roll, including Bucknell junior Caroline Tolli who posted a perfect 4.00 GPA for the semester after also winning the sport's Indoor and Outdoor Scholar-Athlete of the Year honors during the season.

In all, 17 women's track and field student-athletes earned a 4.00 GPA or higher for the spring term. Bucknell contributed six students to the list, while Army, Lehigh, and Navy all added three. All 12 student-athletes selected to the Academic All-Patriot League team also received honor roll recognition.

Bucknell led all Patriot League schools with 48 student-athletes making the Academic Honor Roll, while Holy Cross had 37 and Lafayette and Lehigh each totaled 29.

To be eligible for the spring Academic Honor Roll, a student-athlete must earn a 3.20 grade-point average in the spring semester and participate in one of the Patriot League's winter or spring championship sports.

"Today's Scholar-Athletes, Tomorrow's Leaders" – The Patriot League continually demonstrates that student-athletes can excel at both academics and athletics without sacrificing its high standards. The Patriot League's athletic success is achieved while its member institutions remain committed to its founding principle of admitting and graduating student-athletes that are academically representative of their class. Participation in athletics at Patriot League institutions is viewed as an important component of a well-rounded education.
