**MISSION STATEMENT
 COLLEGE OF THE HOLY CROSS
 DEPARTMENT OF ATHLETICS**

The Mission of the Athletic Department of the College of the Holy Cross is to promote the intellectual, physical, and moral development of students. Through Division I athletic participation, our young men and women student-athletes learn a self-discipline that has both present and long-term effects; the interplay of individual and team effort; pride and self esteem in both victory and defeat; a skillful management of time; personal endurance and courage; and the complex relationships between friendship, leadership, and service. Our athletics program, in the words of the College Mission Statement, calls for “a community marked by freedom, mutual respect, and civility.”

Besides teaching these virtues, a few sports played at Holy Cross have the added value of focusing alumni and student support and enhancing our reputation locally and nationally. While Holy Cross continues to commit itself to accomplishment in these sports, which are a rich part of our tradition, we choose to do so in a way that complements the pursuit of academic excellence.

Holy Cross is committed to the guiding principles of the Patriot League, of which we are a founding member: presidential control of athletics; the cultivation of the ideal scholar-athlete; and participation in a wide variety of sports. Commitment to the last principle assures that the College sponsors, in a very evident way, gender equity.

The department of athletics is also committed to compliance with all College policies and regulations involved in Division I membership in the National Collegiate Athletic Association and the Eastern College Athletic Conference. As a member of the NCAA, Holy Cross also advocates student-athlete welfare, diversity, gender equity, sportsmanship, and ethical conduct in its athletic programs.

RECRUITING INFORMATION

CORRESPONDENCE

It is important for prospective student-athletes to get in touch with Head Coach Craig Najarian as soon as possible. A simple letter of inquiry into the baseball program will initiate the recruiting process. The spring of your junior year or early senior year is the most appropriate time to contact coach.

INTERVIEWS

Students are strongly encouraged to have admissions interviews. The office offers interviews from the summer until January 15. Alumni interviews in most metropolitan areas are available. Students must first submit an application and indicate they would like an alumni interview before December 15.

EARLY DECISION

Students who are absolutely, 100% confident Holy Cross is their top college choice are encouraged to apply during the Early Decision process.

FINANCIAL AID

All financial aid is awarded on the basis of need. Prospective student-athletes should complete the CSS "Profile Form" in early Fall.

CLEARINGHOUSE

The NCAA mandates that all student-athletes interested in competing at the Division I or II level must be certified through

the NCAA Initial Eligibility Clearinghouse. Contact high school coaches, athletics director or guidance counselor for necessary registration forms.

TELEPHONE CALLS

As per NCAA by law 13.1.3.1, institutional staff members may not telephone a prospect (or the prospect's relatives or legal guardians) prior to July 1 following the prospect's completion of the junior year in high school. After July 1, institutional staff members may telephone a prospect once per week (measured Sunday through Saturday). The once-per-week limit applies to the entire institution.

VIDEO TAPES

In an attempt to make an accurate assessment as soon as possible, it is recommended that videotapes be forwarded to Head Coach Craig Najarian's attention as soon as possible. The video need not be an elaborate production. Some simple game or practice tape is sufficient with you being easily identified.

CONTACTS

As per NCAA by law 13.02.3, a contact is any face-to-face encounter between a prospect or the prospect's parent or legal guardian and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged or takes place on the grounds of the prospect's high school, or at the site of organized competition or practice involving the prospect's high school, preparatory school, two-year college, or all-star team is considered a contact, regardless of the conversation that occurs. We are limited to three off-campus contacts per prospective student-athlete.

EVALUATIONS

As per NCAA by law 13.02.6.1, an evaluation is any off-campus activity designed to assess the academic qualifications or athletic ability of a prospect, including any visit to a prospect's educational institution (during which no contact occurs) or the observation of a prospect participating in any practice or competition at any size. We are limited in our number of evaluations per prospective student-athlete.

OFFICIAL VISITS

According to NCAA by law 13.7.1.2, a prospect may not make more than five expense-paid visits to NCAA member institutions, regardless of the number of sports in which the prospect is involved. An institution may not provide an expense-paid visit to a prospect who has not presented the institution with a high school (or college) academic transcript and a score from a PSAT, an SAT, a PACTPlus, or an ACT test taken on a national testing date under national testing conditions.

UNOFFICIAL VISITS

According to NCAA by law 13.8.1, a prospect may visit an institution's campus at the prospect's own expense an unlimited number of times and may make an unofficial visit before the prospect's senior year in high school.

2007 Opponents in Bold

The following pages provide many highlights from Holy Cross' distinguished 120 seasons of baseball history, along with important dates during those years.

THE EARLY YEARS (1876-1894)

In the early years, the Holy Cross baseball team only played one game every year until 1890. In 1890, the Crusaders were provided with their first schedule of any kind, consisting of five games. In 1893, the Crusaders boosted the schedule to 16 games, finishing with an 11-5 record.

OTHER HIGHLIGHTS:

- **June 10, 1876** – Holy Cross loses to Brown, 16-5, in their first baseball game at Driving Park in Worcester, Mass.
- **June 5, 1877** – Holy Cross defeated Brown 3-2 for their first-ever victory.
- **May 30, 1893** – In the first baseball game ever played on the Holy Cross campus, the Crusaders defeated Georgetown, 4-2.

THE RISE TO STARDOM (1895-1899)

When **Mike "Doc" Powers '97** discovered **Louis Sockalexis '97** on the Penobscot Indian reservation in Oldtown, Maine, he never imagined that he would be bringing Holy Cross one of its most legendary athletes. Sockalexis stunned students, fans and major league scouts with his baseball prowess. Famed to be the hardest hitter and fleetest fielder of his day, Sockalexis batted .436 and .444 during the 1895 and 1896 seasons with the Crusaders. He also set a long-standing world record of throwing a baseball the distance of 393 feet and 8 inches (131 yards). At the completion of his second season, "Sock" signed a contract with the Cleveland Spiders, who, out of deference to the full-blooded Indian, changed their name to the Cleveland Indians before he even wore the big league uniform. The 1896 season started the Crusaders rise to dominance. The Purple and White squad finished 19-7-1 and sent a record six players to the major leagues. The 1897 Crusaders, produced seven .300 hitters, including **William H. Fox '00**, who batted .390 that season and set a world record by rounding the bases in 13.4 seconds.

The first-ever baseball game at Holy Cross, 1893.

OTHER HIGHLIGHTS:

- **April 19, 1895** – In **Louis Sockalexis'** first game as the HC centerfielder, he registers four hits, including a grand slam, and six stolen bases to beat Brown in Providence, R.I., on Patriots' Day. Sockalexis' home run shatters a fourth-story dormitory window situated beyond the baseball fences.
- **May 12, 1896** – Holy Cross soundly defeats Boston College, 22-5, in Newton.
- **April 19, 1899** – Holy Cross scores an incredible 11 runs in the 10th inning to defeat Brown, 17-6.

A NEW CENTURY (1900-1913)

From 1900 to 1913, the Crusaders compiled a stellar record of 221-120-8. The 1902 Holy Cross squad shut out three of the best college teams on three consecutive days, beating Cornell, 3-0, Dartmouth, 9-0 and Brown, 11-0. **Andrew Coakley '06** went 10-3 for the 1902 Crusaders that went 18-6. HC's first 20-win season came in 1908 on a team captained by the immortal **Jack Barry '10**. Barry was drafted by Connie Mack's Philadelphia Athletics as a sophomore. Barry went on to become a member of Mack's \$100,000 infield, which included first baseman Stuffie McInnis, second baseman Eddie Collins and third baseman Frank "Home Run" Baker. During his eight seasons with the A's, Barry played on four pennant-winning teams and three world champions. Mack called him "the greatest shortstop there ever was." The Crusaders played their first exhibition game against a professional team in 1913, against the defending World Champion Boston Red Sox at Fenway Park.

EASTERN DOMINANCE (1914-1920)

In the years from 1914 to 1920, Holy Cross won the Eastern Intercollegiate Championship three times and the New England Championship once in 1918. The Crusaders went 120-35-2 in those seven years. In 1917, Hall-of-Fame player, and three-time National League batting champion, **Jesse Burkett** took over the reigns as head coach for the second time. Burkett guided the Crusaders to three consecutive 20-win seasons in 1917, 1918 and 1919. The 1917 club dominated opponents, batting a combined .302 for the season versus a .171 batting average for their opponents and outscoring them 176 runs to 59 runs. Each of the starting nine of the 1919 squad were awarded All-East berths (6 on the First Team and 3 on the Second Team). Burkett retired from HC after only four seasons, compiling an outstanding 88-12-1 record.

THE RETURN OF JACK BARRY (1921-1950)

Following the 1920 season, Holy Cross found the perfect man to head the Purple nine, a former HC star newly retired from professional baseball and the Navy, **Jack Barry**. Barry led the Crusaders to glory as a player in the early 1900s, and now sought to do the same as a coach. In his first season, Barry guided the Crusaders to a school-record 30 wins and their fourth Eastern Intercollegiate Championship. The 284 runs pushed across the plate in 33 games by the 1921 Crusaders, an average of 8.60 runs per game, are the most runs scored by any HC team in history. After a 24-5 second season, Barry and the Crusaders won another Eastern Championship in 1923, going 28-2-1. During that season, a total of 65,554 fans came to see Holy Cross play Boston College three times. In 1924, HC compiled a perfect 18-0 record. Leading the way for the Cross was pitching ace **Owen Carroll ‘25**, who was judged by historians to be the best pitcher in college baseball of all time. Over his four year career on the Hill, Carroll compiled a record of 50-2, threw 16 shutouts, and helped earn three championships. Holy Cross again won the Eastern Championship in 1926, and then three-in-a-row from 1928-1930. The Crusaders registered a 42-3 record in 1935 and 1936 and won two more championships. HC won back-to-back Eastern Championships again in 1940 and 1941, going 15-1 and 14-3 respectively. The 1942 season was interrupted by the United States involvement in World War II and competition did not return to normal until 1947.

OTHER HIGHLIGHTS:

- **April 15, 1922** – **Owen Carroll** surrenders just three hits in 12 innings of work as the Crusaders pull out a 1-0 victory over Delaware.

BUILDING A NATIONAL CHAMPION (1951-1960)

Holy Cross finished the 1952 regular season 15-2 and received the College's first invitation to the sixth-ever College World Series in Omaha, Neb. Holy Cross became the first eastern school to capture the NCAA College World Series behind a “dream team” of players. Five players were named to the First Team All-District 1, while pitcher **Jim O’Neill '52** and outfielder **Johnny Turco '52** were on the American Association of Baseball Coaches’ All-America Team. O’Neill, who was presented with the MVP trophy, became the first pitcher in the history of the College World Series to win three games in series play. The Crusaders made the NCAA Tournament each of the next three seasons, but lost their first game each year. HC returned to the College World Series in 1958, winning its first

two games before dropping two-straight to Missouri and USC, but finished ranked third in the nation. It was HC's highest ranking since the 1952 National Championship team. The 1960 club went 12-5 and returned to the NCAA Tournament for the sixth time in nine years in Jack Barry's final season at the helm of the Crusaders. Barry finished with a 616-150-6 record over 39 years.

The Crusaders suffered their first losing season in 93 years going 6-10 in Riopel's first season. Holy Cross rebounded in 1962 and 1963 with 21-5 and 13-10 records and earned the Cross' first and only consecutive invites to the College World Series. Riopel finished six seasons with HC going 82-43 with three NCAA Tournament appearances. HC returned to the NCAA Tournament in 1967 under the direction of first-year coach **Robert Curran**. THE WHALEN ERA (1971-1998)

John "Jack" Whalen '48 became HC's skipper in 1971. A two-sport standout during his time at the Cross, Whalen played for Jack Barry and Doggie Julian, two of HC's most legendary coaches. He took teams that were 37-62 in his first four seasons and recorded the school's fifteenth 20-win season in 1975 and first since 1962. The 1978 squad earned a 27-14-2 record, placing second in the ECAC Tournament and falling to St. John's in the NCAA Tournament. Whalen led HC to the ECAC Tournament three more times in 1980, 1986, and 1991. Whalen's 343 career coaching victories rank second most in HC history.

Pearl also earned Patriot League Coach of the Year accolades during the 1999 and 2001 seasons. In 2002, Pearl stepped down to concentrate as head coach of the Holy Cross men's ice hockey program, and was replaced by **Fran O'Brien**. O'Brien served as head coach for three seasons (2002-2004) on the Hill, after working with the team as an assistant coach from 1999-2001. He compiled a 38-73-1 (.344) record before retiring. Current head coach **Craig Najarian** (Saint Anselm '95) then stepped in, after serving as associate head coach to O'Brien in 2004, and as assistant coach in 2002 and 2003.

1952 NATIONAL CHAMPIONS

In the late spring of 1952, under the direction of the legendary John J. Barry, the Holy Cross baseball team staged a magical march to the NCAA Championship. Led by fleet-footed outfielder **Johnny Turco** and pitching sensations **Jim O'Neill** and **Ron Perry**, the Crusaders advanced to their first-ever post-season tournament with a 15-2 regular-season record.

At the sixth-annual double-elimination tournament in Omaha, Neb., the small eastern college quickly proved it belonged with a 5-1 opening round win over Western Michigan. But on day two, Holy Cross was forced to fight its way out of the loser's bracket after suffering a heartbreaking 1-0 loss to Missouri. **Jackie Lonergan** pitched perfect ball against Missouri, but after one error and a bad throw in the seventh, **Jack Concannon** made his first error in 80 chances and the winning run scored without a hit. With one out in the eighth, Lonergan was touched up for his first and only hit of the game.

Facing elimination, sophomore hurler Ron Perry held a powerful Texas team in check until the Crusaders could push the winning run across in the bottom of the eighth inning. Holy Cross then defeated Western Michigan 15-3 and Penn State 15-4 on Sunday, June 15 to earn the right to meet Missouri in the finals.

Needing a pair of wins to capture the title, Holy Cross scored five runs in the top of the sixth inning and received a complete game from Ron Perry en route to a 7-3 win in the first game. On Tuesday evening, June 17, the Crusaders erased a 4-3 Missouri lead with three runs in the seventh and two in the ninth to capture the College World Series title. Jim O'Neill, who earned MVP honors, became the first pitcher in NCAA history to win three games in the tournament.

THE HISTORY OF FITTON FIELD

The History Of Fitton Field

By *Brianne Mallaghan*
Special to *www.GoHolyCross.com*

Holy Cross has one of the most storied programs in the history of any New England collegiate baseball team. In its 118 years, the Holy Cross baseball program has produced more than 1,600 wins, 121 Major League players and 81 Holy Cross Hall of Famers. The program has also been a part of 11 NCAA Tournaments, four ECAC Tournaments and two Patriot League Tournaments. In addition, Holy Cross has won 11 Eastern Intercollegiate Championships, one MAAC Championship, one New England Championship and one National Championship.

In 2006, the Holy Cross baseball program added another milestone to its resume when the school celebrated the 100th anniversary of Fitton Field.

Father Fitton, for whom the field was named, was born on April 10, 1805 and ordained a Catholic priest in 1827. Born and raised in Boston, he purchased land in the name of the church in 1840 upon which he founded the Seminary of Mount St. James. In 1842, Father Fitton deeded the land to Bishop Benedict Joseph Fenwick, who founded the College of the Holy Cross in 1843.

Holy Cross student-athletes began playing competitive baseball in 1876, but it was not until mid April in 1905 that the Crusaders played their first game at Fitton Field. Prior to that, the Purple and White played their home contests at both Driving Park and the Worcester Oval.

The newly renovated Fitton Field.

Fitton Field in 1905.

Captained by James J. Spring, the 1905 squad, which was the first to step foot on Fitton Field, was coached by Thomas McCarthy. In total, McCarthy served as the head coach of Holy Cross for five seasons; 1899-1900, 1904-1905 and 1916. He amassed a 77-36-4 (.675) record and stands as the seventh winningest coach (by percentage) in HC baseball history. On Wednesday, April 19, 1905, McCarthy led the Crusaders, who were 3-1 at the time, to an 8-5 victory over Brown University in front of 6,200 people in the first ever game played at Fitton Field. The two teams combined for three doubles, two triples, seven stolen bases, 10 errors, 13 strikeouts and 16 hits in two hour and 10 minute game, which fell on Patriot's Day.

THE HISTORY OF FITTON FIELD

In 1905, Holy Cross went 9-6 at Fitton Field and finished 15-10-0 overall, despite outscoring its opponents, 186-107. Since then, there have been eight perfect seasons at Fitton Field (1920, 1923, 1924, 1935, 1943, 1952, 1953, 1960) and one undefeated season overall (1924; 18-0).

The letterwinners on the 1905 team included Spring, William Carrigan, George Cashen, Walter Loftus, Edward Hogerty, Francis Cahill, James Ennis, Herbert O'Drain, John Flynn, John Hoey, John O'Rourke, James Mansfield and the legendary Jack Barry. Barry, who went on to coach Holy Cross for 40 seasons (1921-1960) still stands as the winningest coach in Holy Cross athletics history (616-150-6).

The 1952 National Champion Holy Cross Crusaders.

Considered one of the finest grass fields in the northeast, Fitton has played host to some of the most memorable contests in New England college baseball history. Over the years, thousands have flocked to Fitton Field to watch the Crusaders match-up with other top teams around the region.

The Holy Cross-Boston College series, which began in 1890, has attracted some of the largest crowds New England college baseball has ever seen. On May 30, 1923, more than 22,000 fans surrounded Fitton Field to witness Crusader ace Owen Carroll hurl a five-hitter and lead HC to a 5-2 victory over BC. One year later, Carroll pitched a three-hitter with ten strikeouts as Holy Cross edged the Eagles, 3-1 in front of 20,000 people. In 1925, a crowd of 25,000 packed Fitton to watch Carroll's final meeting with BC, a 2-1 victory for the Purple and White. And twenty-seven years later, in a springboard to its national championship, Holy Cross overwhelmed BC, 13-3, at Fitton in its final regular season game of the 1952 season. With the win, the Crusaders earned their first trip to the College World Series in Omaha, Neb., where they went on to defeat Missouri on back-to-back days to win their first ever national title.

On June 4, 1934, Fitton Field was the site of Holy Cross' 5-4 win over Casey Stengel's Brooklyn Dodgers, and just five years later, a rookie on the Boston Red Sox roster named Ted Williams hit his first home run in a Boston uniform, helping the Red Sox to a 14-2 win in an exhibition game over the Crusaders. In 1991, Fitton Field played host to the ECAC Baseball Championship, where Delaware earned a berth into the NCAA Baseball Tournament.

Babe Ruth with Jack Barry '10.

In its 100 year history, Fitton Field has seen the likes of many notable players, but none more recognized than professional Hall of Famers Lou Gehrig, Babe Ruth and Williams.

On June 9, 1922, Gehrig played at Fitton Field as a sophomore on the Columbia University baseball team. Holy Cross won that game, 8-5 on its way to a 24-5 overall record, but Gehrig's career was just beginning. Enshrined in Cooperstown in 1939, Gehrig led the American League in home runs three times, runs four times and RBI five times. The 1934 Triple Crown winner and 1936 A.L. MVP, Gehrig won six World Series in a 13-season span in the majors. Also known as the 'Iron Horse,' Gehrig played in 2,130 consecutive games, now second to Cal Ripken, Jr.

THE HISTORY OF FITTON FIELD

Ruth played at Fitton Field on April 15, 1935 in his only season with the Boston Braves towards the end of his career. At age 40, he helped the Braves to a 5-2 win over the Crusaders in an exhibition game, just one month before he retired from the game in late May, 1935. Holy Cross went on to have one of its best seasons in history, going 22-1, with a 14-0 record at home. At the same time, Ruth was wrapping up an illustrious career, which saw 2,873 hits, 2,213 RBI, 714 home runs and a .690 slugging percentage. After 22 seasons in the majors, Ruth, who was affectionately known as the 'Great Bambino,' and the 'Sultan of Swat,' was inducted into the Hall of Fame in 1936.

A 1966 Cooperstown inductee, Williams played at Fitton Field during his rookie campaign with the Red Sox in 1939. Arguably the greatest hitter who ever lived, Williams played 19 seasons with Boston and was the last player to ever bat over .400 (1941). 'Teddy Ballgame' was a 17-time All-Star and the A.L. MVP in 1946 and 1949. He also won the Triple Crown in 1942 and 1946.

As a rookie in 1939, Ted Williams hit his first home run in a Red Sox uniform at Fitton Field on April 14.

Hall of Famer Jesse Burkett also has ties to Holy Cross and Fitton Field. Burkett coached the Crusaders for four seasons (1898, 1917-20) and amassed a 100-20-1 record (.831), which is tops in HC baseball history (by percentage).

This year, Holy Cross will play in its 121st season of collegiate baseball, and while the complex has been renovated after 100 years of wear and tear, it is still the field that Fitton built. It is still the field that some of the best players in the history of the game played on. It is still the home of the Crusaders.

Fitton Field now has a capacity of 3,000 after renovations done in 2005.

Holy Cross is renowned for its academic excellence and mentoring-based, liberal arts education in the Jesuit tradition. An exclusively undergraduate institution with just over 2,700 students, Holy Cross is the oldest Catholic college in New England. Founded in 1843 in Worcester, Mass., the campus occupies 174 beautifully landscaped acres, featuring traditional and contemporary architecture, state-of-the-art facilities, and striking views from atop Mount St. James.

Academic life at Holy Cross is serious, challenging and exciting. Student-professor exchanges in the classroom, as well as in countless informal settings, are at the center of academic life at Holy Cross. With a student to faculty ratio of 11 to one, the opportunity for individual attention is readily available. Few classes exceed an enrollment of 40, and most average 19 students.

Holy Cross professors are widely respected in their academic specialties. Many have national reputations for their research and publications, creative performances, recordings and exhibitions. Almost all of the nearly 300 full- and part-time faculty members hold doctoral degrees from some of the finest universities here and abroad.

Among the major academic facilities on campus are Dinand Library (which, along with three other specialized libraries on campus, has total holdings of more than 650,000 volumes); Iris and B. Gerald Cantor Art Gallery (with a regular schedule of world-class exhibitions); Brooks Concert Hall (acclaimed by performers and acoustical experts as one of the finest medium-sized performance spaces in the region); St. Joseph Memorial Chapel (built in 1924 and containing the recently renovated McCooey Chapel on the lower level); Hogan Campus Center (with bookstore, post office, coffee lounge, cafeteria and pub); Carol and Park B. Smith Hall (housing the Center for Religion, Ethics and Culture and the Rehm Library); the Multimedia Resource Center in Edith Stein Hall; and the science complex in Haberlin, O'Neil and Swords Halls.

Coeducational since 1972, Holy Cross enrolls a student body of proven accomplishment. Almost all graduated in the top 20 percent of their high school classes. Most live in 10 residence halls on campus, all fully connected to the college's computer network. Students, elected by their peers, represent their classmates at faculty meetings, on major college committees, and in a consultative

capacity on the appointment and promotion of faculty. There are more than 100 co-curricular offerings on campus and diverse opportunities for innovative academic options such as the first-year program, community-based learning, Washington semester, internships and full-year study abroad.

Holy Cross integrates faith and knowledge with an emphasis on service, in keeping with the Jesuits' commitment to educate "men and women for others." A distinguishing and all-important characteristic of education at Holy Cross is the emphasis placed upon the service of faith and the promotion of justice. The Office of the College Chaplains advises Student Programs for Urban Development (SPUD), which is the largest student organization on campus. More than 450 students are involved in 37 direct-service programs in Worcester.

The athletics program has a storied tradition that continues today with 27 varsity sports and charter membership in the Patriot League, recognized for its development of scholar-athletes. The college sponsors many clubs and intramural sports programs, and has excellent athletics facilities, including a football stadium, a baseball stadium, a new soccer stadium, a hockey rink and the Hart

Recreation Center, home to the basketball, swimming, hockey and volleyball teams. The Smith Wellness Center includes a specialized strength and conditioning facility for varsity student-athletes, as well as aerobic equipment and workout areas for the general student body.

The college offers focused preprofessional advising programs for students interested in medicine and health, law, business and engineering. The results for successful postgraduate study are well-documented:

- Graduates are admitted to medical school at rates better than twice the national average.
- Each year, more than 100 Holy Cross graduates enter law schools accredited by the American Bar Association – one of the highest rates in the nation.
- Holy Cross is in the top three percent of four-year colleges in the number of students going on to earn doctorates.
- Holy Cross students have won Rhodes, Truman and Marshall scholarships, Watson fellowships, Fulbright grants and many other awards.
- More than 10 percent of Holy Cross alumni are currently practicing medicine.

FIRST-YEAR PROGRAM

The innovative first-year program brings together 160 first-year students and a group of distinguished teachers from different disciplines to discover and embrace these connections in a living-and-learning community. Through co-curricular seminars, readings, talks, retreats and excursions, participants explore enduring intellectual and ethical questions. The program's activities are as varied as climbing Mount Monadnock, questioning a panel of distinguished journalists about media ethics, and hearing Branford Marsalis perform. In addition, first-year program students reside together in Hanselman Hall to enhance opportunities for community bonding and building.

COLLEGE HONORS

In the college honors program, academically accomplished students pursue multidisciplinary studies in the natural sciences, social sciences and humanities. Guided by rotating faculty experts, students regularly meet and work to explore how knowledge from different areas can be tested and integrated across disciplines. The program incorporates an honors colloquium – a series of interdisciplinary discussions – and a thesis. Honors students publicly present their findings at the annual academic conference, a highlight of the academic year.

WASHINGTON SEMESTER

Each semester, 15 juniors and first-semester seniors are accepted into a highly selective program in the nation's capital. Students work with members of congress or federal agencies, assist advocacy and public policy groups, and explore up-close the arts, history and culture of Washington, D.C. With support from their Holy Cross advisor, students pursue internships that consist of four full work days, and a public policy seminar one night each week. On the fifth weekday, they conduct independent research for their Washington thesis paper.

STUDY ABROAD

Students looking to broaden their Holy Cross experience have an excellent opportunity to do so through the Study Abroad program. Year-long programs provide qualified students with exciting and fully credited extensions of the college's curriculum at participating universities in: Australia, Austria, Cameroon, England, France, Germany, Greece, Ireland, Italy, Japan, Mexico, Peru, Scotland, Spain and Russia. One-semester programs are also available in China and Sri Lanka. Third-year students in good academic standing live with host families, and take courses and exams alongside foreign students in their native language. Deepening the cultural experience, students complete an independent study project in the local community to ensure close interaction with the people of their chosen countries.

COMMUNITY-BASED LEARNING

Through a generous endowment established by its namesake, Joseph P. Donelan II, the Donelan Office of Community-Based Learning provides a directorship to establish connections between courses across the college curriculum with internship sites in the greater Worcester area. In keeping with the college's social mission to prepare students to be "men and women for others," Community-Based Learning enables students to be of service to the community while enhancing their understanding of course material.

STRENGTH & CONDITIONING

Opened in 1997, the Carol and Park B. Smith Wellness Center is a two-story facility which was built as an addition to the Hart Recreation Center. The wellness center provides state-of-the-art fitness equipment for varsity athletes and all other members of the Holy Cross community.

A \$1.5-million gift from Carol and Park B. Smith (Class of 1954) kicked off the campaign to fund the facility. “Everyone today agrees that fitness is very important,” Smith said in 1997. “I’m confident that this new Wellness Center — whose facilities will be second-to-none — will provide a real benefit to current and future Holy Cross students, teachers and staff.”

With 15,000 square feet, the wellness center provides over four times more space than the college previously had for varsity and community exercise and training, and centralizes athletic equipment and facilities once found in five locations in three campus buildings.

The center houses, on the first level, a highly versatile strength and conditioning center for Holy Cross’ varsity student-athletes. There are areas for speed development programs, as well as for strength and endurance conditioning. The space, which is able to accommodate as many as 60 people at a time, enables Holy Cross’ larger sports teams to work out together, thereby enhancing team unity.

The second floor has been designed for use by all students, faculty and staff. It has two sections: one for aerobic training, and the other for cardiovascular, variable-resistance and strength training. A diverse selection of equipment accommodates users ranging from beginners to advanced athletes. Its south-facing wall is mostly glass, allowing most users a view of the practice fields and the rolling hills of central New England.

The center also offers programs that explore the connections between fitness and wellness, to help students learn how good health can complement and enhance other aspects of their educational experience. An advisory board comprising physicians, fitness and strength trainers, faculty members, psychologists, nutritionists, a college chaplain and others are responsible for creating and coordinating programming for the center.

Holy Cross head strength and conditioning coach Jeff Oliver believes that the wellness center is of the utmost importance to Crusader athletic teams.

“Over the past two decades, college coaches have turned increasingly to strength and conditioning to gain an edge over their opponents,” Oliver said. “And while football may have been the first to grasp the concept, we now train athletes from every varsity sport. The wellness center has been a huge boon to our program.”

With 6,500 square feet of the center devoted solely to varsity athletes, Oliver and his staff to are able to accommodate a much larger number of athletes at one time, allowing teams to train together at times more convenient to their busy schedules as student-athletes.

The state-of-the-art equipment in the wellness center includes:

- Eight multi-purpose power racks, each with over 600 pounds of free weights.
- Seven Olympic lifting platforms with over 375 pounds of rubberized free weights.
- More than 3,000 pounds of dumbbells.
- Eighteen pieces of aerobic equipment.
- Three full sets of plyometric boxes.
- A number of free weight-loaded pieces of equipment to accommodate injured athletes.

“Thanks to the generous donation from the Smiths,” Oliver said, “This facility is state of the art.”

THE CITY OF WORCESTER

Worcester, the economic and social center of central Massachusetts, is New England's third-largest city with a population of 176,000. Holy Cross is one of the area's 13 colleges and universities, which together make an enormous impact on the area's culture and economy. Boston, Springfield, Hartford and Providence are all about a one-hour drive. New York City is about three hours away; Cape Cod and the Atlantic Ocean are less than two hours from Worcester; and the mountains of Vermont and New Hampshire can be reached in about three hours. Skiing is available at nearby Wachusett Mountain, and water sports enthusiasts can enjoy the hundreds of rivers and lakes in the area, including Lake Quinsigamond.

First incorporated as a township in 1722, this settlement 40 miles west of Boston soon became an important transportation center on the Boston Turnpike, linking the capital city with New York and the west. One of America's first internal commercial waterways, the Blackstone Canal, linked the town with Providence to the south and gave direct access to the Atlantic Ocean.

Primarily an industrial city through the mid-20th century, Worcester has emerged as an educational, medical, health care, cultural and entertainment center. An expanded business and commercial base, and the recent addition of a variety of high-technology

companies and growing biotechnology research parks, have made Worcester attractive to expanding companies. Downtown Worcester stands on the brink of a dramatic renaissance with a new hotel attached to the convention center, a new courthouse and major housing and retail projects all in the works.

Worcester is nonetheless predominantly residential in character. More than 1,200 acres of city-owned parkland are found within its 38 square miles. Half of the entire city budget goes for educational purposes, testimony to the values of its inhabitants. Its parklands are among the oldest in the nation, as are its library and music festival. Worcester is a city proud of its past and secure in its future.

Worcester is home to the DCU Center, a 13,000-seat arena that features big-name rock bands; Mechanics Hall, a world renowned venue for opera, jazz, blues and classical concerts; and the Worcester Art Museum, internationally known as one of the finest small museums in the United States. Other museums include the Higgins Armory Museum, a repository of Medieval arms and armor; the Ecotarium, which combines the features of a science museum, a planetarium and a zoo; the headquarters of the American Antiquarian Society; and the Worcester Historical Museum.

After a \$40 million restoration project, the historic Union Station now serves visitors and commuters via MBTA regional service and Amtrak national service.

Worcester has world-class dining, ethnic restaurants, diners, coffee houses, bookstores, shopping, parks and recreation — all within easy reach of campus.

REV. MICHAEL C. MCFARLAND, S.J., PRESIDENT

On July 1, 2000, Rev. Michael C. McFarland, S.J., became the 31st president of the College of the Holy Cross.

and Sciences at Gonzaga University in Spokane, Wash. He was at Gonzaga for four years, where he was also a professor of computer science.

Born in Boston in 1948, Fr. McFarland lived for a time in California and later graduated from Xavier High School (now closed) in Concord, Mass. He completed his bachelor's degree in physics at Cornell University in 1969. He later earned a master's degree and Ph.D. in electrical engineering (computer engineering) at Carnegie Mellon University.

Fr. McFarland joined the Jesuits in 1975. He studied at the Weston School of Theology in Cambridge, Mass., and earned a master's degree in divinity and Th.M. in social ethics. He was ordained in the St. Joseph Memorial Chapel at Holy Cross in 1984.

He continued his research while teaching at Boston College for 10 years as an associate professor of computer science. In addition to creating new courses in ethics and computers, computer architecture and digital systems, he created a laboratory for digital electronics and developed tutorial materials for a course on computers in management.

Fr. McFarland has published articles in the Proceedings of the IEEE (the Institute of Electrical and Electronics Engineers); the IEEE Transactions on Computers; the IEEE Transactions on Computer-Aided Design of Integrated Circuits and Systems;

Formal Methods for System Design; the Journal of Systems and Software; Computer; and Technology and Society. He was an associate editor of the IEEE Transactions on Computer-Aided Design of Integrated Circuits and Systems for three years and has been on numerous program committees for conferences such as the Design Automation Conference, the International Conference on Computer Design, the International Conference on Computer-Aided Design and the High-Level Synthesis Workshop.

In addition to his duties as Holy Cross' president, Fr. McFarland sits on numerous local boards, including the Worcester Catholic Charities Board, the Worcester Municipal Research Bureau and the Board of Trustees at the University of Scranton.

RICHARD M. REGAN, JR., DIRECTOR OF ATHLETICS

Richard M. Regan, Jr. is now in his ninth year as the director of athletics at Holy Cross. Regan, whose tenure began on July 1, 1998, became just the fourth Holy Cross athletic director in the last

50 years. "He is smart, full of energy, skilled in financial management and fully committed to Holy Cross," said then Holy Cross president Fr. Gerard Reedy, S.J., at the time of Regan's hiring.

Regan's first eight years have been productive ones for the Crusaders. During this period of time, 15 Holy Cross teams have advanced to NCAA tournament play — including at least one team in each of his eight seasons. The women's basketball team has been to the postseason in seven of the last nine years (six NCAA appearances and a WNIT berth in 2002), while the field hockey (1998 and 2000) and women's soccer (2000) programs have also made NCAA appearances. Regan's tenure has also seen the first-ever NCAA appearances for the men's ice hockey (2004 and 2006), men's soccer (2002) and women's lacrosse (2006) teams. In 1999, Regan hired Ralph Willard as the men's basketball coach, a move which revitalized the program. The Crusaders have advanced to postseason play in four of the last six years, and became the first Patriot League team ever to advance to the NCAA tournament in three consecutive seasons (2001, 2002 and 2003).

Success is not measured only by wins and losses, but by other gains as well. In an effort to further increase the number of Crusader teams coached by full-time staff

members, Regan announced the appointment of full-time coaching positions in track, volleyball, women's lacrosse and softball. Gender equity has been a major focus of Regan's administration and he introduced the college's first two new varsity sports in more than 15 years — women's ice hockey and women's golf.

Improvements to the athletics facilities have also been part of Regan's focus. The new Linda Johnson Smith Stadium is home to not only the men's and women's soccer teams, but its unique two-sided stands and press facilities provide an additional benefit to home events for field hockey, men's lacrosse, women's lacrosse and outdoor track and field.

The baseball team opened a new on-campus stadium beginning in the fall of 2005. And there have been improvements to other facilities as well, such as the softball field, the men's ice hockey locker room, and a video room for the men's and women's basketball teams.

In addition to his duties on campus, Regan has become involved in college athletic policy on a national scale. From 1999-2004, he served a four-year term as a Division I-AA representative on the NCAA Division I Management Council. The Management Council, comprised of 49 athletic administrators and faculty athletic representatives from around the nation, reports directly to the NCAA's Division I Board of Directors. The council is responsible for adopting operating bylaws and rules to govern Division I, interpreting Division I bylaws, reviewing recommendations from the Division I conferences and universities, and developing and implementing the Division I budget.

Prior to returning to Worcester in July of 1998, Regan worked for NFL International and NFL Europe (formerly the World League of American Football). He joined

the New York office of the World League in 1991 and was based in London beginning in 1992. Over the next several years he lived in London and Edinburgh, and served as managing director of the Scottish Claymores, vice president of European operations and chief operating officer.

When the World League went through a reorganization following the 1992 season, National Football League commissioner Paul Tagliabue appointed Regan as managing director of NFL International, Ltd., to oversee and develop the NFL's business interests throughout Europe. In that role, he was instrumental in establishing NFL International in Europe and planning and executing the NFL's American Bowl series of international games in London, Dublin, Barcelona and Berlin.

Regan held the post of managing director of Monarch International, Inc., a licensing and financial consulting firm, for three years before joining the World League.

After graduating from Holy Cross in 1976, Regan spent nine years working for Arthur Andersen & Company in its Boston, Mass., offices, rising to the level of senior manager. He then moved to the NFL with the New England Patriots, where he served in the role of Vice President of Finance from 1985-1988.

His ties to Mount St. James run deep, as he is the third generation of his family to attend Holy Cross. He is the son of Richard M. Regan (Class of 1950), and the grandson of Harold J. Regan (Class of 1917). Regan's sisters, Mary (Class of 1977) and Ann (Class of 1980), also graduated from Holy Cross. His daughter, Deidre, graduated from Holy Cross in 2006.

Born in Providence, R.I., Regan and his wife, Judi, have three daughters — Jennifer, Deirdre and Colleen.

ATHLETIC ADMINISTRATION

BILL BELLEROSE **ASSOCIATE A.D.**

A 1977 graduate of Holy Cross with a dual degree in Economics and Accounting, Bellerose handles the day to day financial support of individual teams and the athletic department. He is responsible for preparing and administering the budgets for all 27 varsity sports. Bellerose also handles equipment inventories, and much of Holy Cross' travel and ticket operations.

Prior to his current appointment, Bellerose was the college's purchasing director for four years, coordinating purchases for all departments on campus. From 1988 through 1993, Bellerose also served as the head coach of the Crusader men's ice hockey team. He previously spent time as an assistant coach of the squad from 1977-1988.

During his days as an undergraduate, Bellerose was a member of the ice hockey team. He still ranks eighth all-time in career points (152) and 10th all-time in career goals scored (71). In 2002, Bellerose was inducted into the Holy Cross Varsity Club Hall of Fame.

He and his wife, Susan, reside in Shrewsbury, Mass. with their son, William, Jr., and daughter, Lauren.

ROSEMARY SHEA **ASSOCIATE A.D.**

Now in her 20th year at the college, Rosemary Shea joined the athletic staff shortly after earning a bachelor's degree in English from Holy Cross in 1987. Since 1990 she has served as the athletic department's compliance officer, with responsibility to assure that the college's staff, coaches, and student-athletes understand and comply with NCAA rules and regulations. She monitors eligibility and academic progress for all Holy Cross student-athletes and coordinates an ongoing rules education program for coaches and staff members.

In 2000, Shea was promoted to associate athletic director and added the duties of scheduling for men's sports. She also assists the director of athletics with the overall management of the men's athletic programs.

He and his wife, Joan, reside in Shrewsbury, Mass., with their son, Jacob.

ANN ZELESKY **ASSOCIATE A.D.**

In her 18th year at Holy Cross is Worcester native Ann Zelesky, who is responsible for the administration and scheduling for all the women's programs. In 1995, Zelesky was promoted to associate athletic director.

Zelesky joined the Crusaders in April of 1989 after a highly-successful 13-year coaching career at St. Peter-Marian High School in Worcester. Zelesky's girl's basketball squads posted a 272-54 record, winning eight Central Massachusetts titles, seven district championships and one state crown. Her softball teams were 253-21, capturing 10 Central Massachusetts titles, nine district crowns and five state championships. Zelesky, who also served as St. Peter-Marian's athletic director for nine years, was twice named Massachusetts Coach of the Year for both basketball and softball, and has been inducted into the New England Basketball Hall of Fame.

A 1973 graduate of Worcester State College, Zelesky played volleyball, basketball, field hockey and softball. She began her coaching career at Worcester State following her graduation.

Zelesky resides in Worcester with her two sons, Brian and Kevin.

FRANK MASTRANDREA **ASSISTANT A.D.**

Frank Mastrandrea was named assistant athletic director for marketing and media relations for Crusader athletics in August of 2000. A 1988 graduate of Holy Cross with a bachelor's degree in English, Mastrandrea oversees all marketing and media relations efforts for the athletic department, including all television, radio and internet coverage of all of the athletic programs.

Mastrandrea previously served as the college's director of athletic media relations from 1993-2000. While serving as the director, Mastrandrea was responsible for the publicity and promotion of the school's 27 varsity sports, with his major focus on the football and men's basketball programs.

Mastrandrea earned his law degree from the University of Connecticut School of Law in 1991, and worked for the firm of Updike, Kelley & Spellacy as a litigator from 1991-1993.

He and his wife, Joan, reside in Shrewsbury, Mass., with their son, Jacob.

ATHLETIC ADMINISTRATION

**RALPH WILLARD
ASSISTANT A.D.**

Ralph Willard has been with the Holy Cross athletic department since 1999 in a dual role as men's basketball coach and assistant athletic director. In his administrative position, Willard is responsible for monitoring and addressing student-athlete welfare issues.

On the coaching side, Willard is just the 14th head coach in the 86-year history of the Crusader men's basketball program, and the seventh Holy Cross alum to hold the position. A 1967 graduate of the college, Willard was a three-year letterwinner and served as the 1966-1967 team captain. In his senior season, the Crusaders posted a 16-9 mark.

Willard has posted a record of 134-80 in his seven seasons at the helm of the Crusaders. He has led Holy Cross to three NCAA tournament berths, one National Invitation Tournament bid, three Patriot League tournament titles and three Patriot League regular season crowns. He is the third-winningest coach in school history, trailing only George Blaney (357-276 / 1972-1994) and Lester "Buster" Sheary (155-36 / 1948-1955).

Prior to his time at Holy Cross, Willard was the head coach at Pittsburgh and Western Kentucky. He currently owns a 278-204 career coaching record over 16 seasons.

Willard and his wife, Dorothy, have three children, Pamela, Keith and Kevin.

Now in its 21st year of academic and athletic excellence, the Patriot League continues to focus on its founding principles.

Participation in athletics at Patriot League institutions is viewed as an important component of a well-rounded education. Patriot League scholar-athletes are academically representative of their class. Those high standards are widely recognized on the national level.

The origins of Patriot League excellence date back to 1986 with the inception of a successful Division I-AA football conference. In 1990, the Patriot League expanded to an all-sports conference, which now features 23 championship sports.

Full league members include American, Army, Bucknell, Colgate, Holy Cross, Lafayette, Lehigh and Navy. Fordham and Georgetown are also associate members of the conference for football only.

These member institutions are among the oldest and most prestigious in the nation. Alumni from Patriot League colleges and universities have played a leadership role in the shaping of our country. The league led NCAA Division I conferences in graduation rates for the seventh straight year in 2005-2006. Patriot League graduates consistently excel as professionals in their chosen fields and are contributors to the betterment of society.

Here is a look at some of the accomplishments of Patriot League teams during the 2005-2006 school year:

- Holy Cross football player Steve Silva led the nation in all-purpose yards with an average of 213.4 yards per game, while teammate Dan Adams led the nation in solo tackles with an average of 8.8 per game.
- Holy Cross won the Patriot League's first-ever NCAA postseason contest in women's lacrosse, defeating Le Moyne in an NCAA play-in game to advance to the NCAA women's lacrosse tournament.
- In addition to automatic qualifiers, the Patriot League sent a second at-large team to the NCAA I-AA football playoffs for the second-straight season, and to the NCAA men's golf championship for the first time in league history.
